PROFIT GUIDANCE FOR THE SIX MONTHS AND FULL YEAR ENDED 31 DECEMBER 2025

The Board of Directors (the "**Board**") of Plato Capital Limited (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to announce that, based on a preliminary review of the Group's draft unaudited consolidated financial results for the financial year ended 31 December 2025 ("**FY2025**"), the Group is expected to report a significant net loss for FY2025, as compared to a net profit for the financial year ended 31 December 2024.

The significant net loss is mainly attributable to an impairment loss on property, plant and equipment arising from an impairment assessment of the recoverable amount of the property, plant and equipment based on fair value less costs of disposal, as determined with reference to an independent professional valuation report commissioned by the Company.

The Group is still in the process of finalising its unaudited consolidated financial results for FY2025 and will provide further details of the Group's financial performance when it releases the financial results on or before 28 February 2026.
