
PROFIT GUIDANCE FOR THE HALF YEAR FINANCIAL PERIOD ENDED 30 JUNE 2017

The board of directors (the “**Board**”) of Heatec Jietong Holdings Ltd (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that, following a preliminary review of the Group’s unaudited consolidated financial results for the half year financial period ended 30 June 2017 (“**1H2017**”), the Group expects to report a net loss for 1H2017.

This was mainly attributable to the following:

- (a) loss on liquidation of Heatec Chariot Envirobotics Pte. Ltd., a 72.5%-owned subsidiary of the Company, as announced by the Company on 22 June 2017 and 13 April 2017; and
- (b) continued slowdown in the Marine and Offshore Engineering sector affected by the Oil and Gas industry, which resulted in lower work orders and projects from the Heat Exchanger segment.

Further details of the Group’s financial performance will be disclosed when the Company finalizes and announces the Group’s unaudited consolidated financial results for 1H2017, no later than 14 August 2017.

Shareholders and potential investors of the Company are advised to exercise caution in dealing in the Company’s securities. When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision in the Company’s securities.
