FOR IMMEDIATE RELEASE

Kin Global Wins S$10.4 Million in D&B Contracts in Singapore and Overseas

- Strengthening Kin Global's order book, the three D&B contract awards, spanning education, sports and international exhibition sectors, with all three projects expected to be completed in 2027.

- The latest contract awards further strengthened the Group's track record in delivering distinctive projects across sports infrastructure, galleries, museums and attractions, reinforcing its position as a trusted D&B partner in Singapore and overseas.

- Barring unforeseen circumstances, the new contracts are expected to enhance revenue visibility and contribute positively to its financial performance over the duration of the projects.

Singapore, 23 November 2026 – **Kin Global Limited** (亲国际有限公司) ("**Kin Global**" or the "**Company**", and together with its subsidiaries, the "**Group**"), Singapore's largest sports events management company, is pleased to announce that its wholly-owned subsidiary, Kin Productions Pte. Ltd., has won three Design & Build ("**D&B**") contract awards including a variation order, with a combined value of approximately S$10.4 million as follows:

- an interior fit-out contract for an educational institution in Singapore, valued at approximately S$1.5 million;
- a variation order of approximately S$3.8 million for addition and alteration works relating to a sports infrastructure in Singapore; and
- an overseas contract of approximately S$5.1 million for the construction of an exhibition pavilion in Europe.

Mr. Vincent Chai (谢青丰), Executive Director and Chief Executive Officer of Kin Global, commented: "*We see our D&B business as an important part of how Kin Global will grow in the broader events tourism sector.*

These latest contract awards, comprising both recurring business and project to be undertaken overseas, demonstrates the confidence our clients place in our capabilities and the growing international reach of our D&B business.

That experience, together with our work on galleries and other permanent spaces, strengthens our ability to compete for new projects at home and abroad.

We look forward to delivering all three projects and building on that track record to win and deliver more work in Singapore and internationally."
