Reclaims Global Adds S$5.38 Million to Order Book Through Two Key Project Wins in Latest Quarterly Update

- **Two key projects secured for the 3-month period between 1 August 2026 to 31 October 2026, with one contract awarded by a public sector client and the other by a private sector client.**

- **The two new contracts are expected to be completed over the next one year, enhancing revenue visibility.**

- **Baring any unforeseen circumstances, the two new contracts are expected to contribute positively to the Group's earnings per share and net tangible assets throughout the duration of the projects.**

- **Separately, the Company has continued to undertake share buybacks following the announcement of its 1H2027 results in September 2026, which saw a 53.1% increase in net profit to S$3.8 million, driven by revenue growth and improved operating performance.**

Singapore, 23 November 2026 – SGX-Catalist listed **Reclaims Global Limited. ("Reclaims Global" or the "Company" and together with its subsidiary, the "Group"),** an eco-friendly integrated service provider within Singapore's construction sector, is pleased to announce that the Company has secured two new contracts as highlighted above for the 3-month period between 1 August 2026 to 31 October 2026, representing the third quarter of the Company's financial year.

The two new contracts comprise a range of services across the Group's core service offerings, including excavation and earthworks, demolition and disposal works, disposal services, environmental services, logistics support, and related site enabling works.

Mr. Tan Kok Huat, Executive Director and Chief Executive Officer, said, "Our priorities remain centred on pursuing contracts that offer attractive margins, maintaining cost and operational discipline and delivering projects efficiently.

Through this approach, we aim to sustain our order book while improving the quality and profitability of our business.

Separately, our continued share buyback activities reflect the Board's confidence in the Group's underlying business and longer-term prospects. We remain committed to prudent capital management and deploying our financial resources in a manner that supports business growth while delivering sustainable value to shareholders."

None of the Directors and controlling shareholders of the Company, as well as their respective associates, has any interest, direct or indirect, in the contract, save for their respective shareholdings in the Company (if any).
