The following information is a summary of the key terms of the Offer to Purchase subject to the detailed terms and conditions set forth in the Offer to Purchase available from Morrow Sodali Limited, the Information and Tender Agent for the Offer to Purchase on the Offer Website: <https://projects.morrowsodali.com/bsd>.

Summary of the Offer

Title of Security	ISIN / Common Code	Outstanding Aggregate Principal Amount	Minimum Purchase Price	Purchase Price
5.50% Senior Notes due 2023	XS1498440079 / 149844007	US\$270,000,000	US\$990 for each US\$1,000 principal amount of the Notes	To be determined pursuant to a Modified Dutch Auction Procedure as set out herein and in the Offer to Purchase

Rationale of the Offer

The Offer is being made as part of the active liability management of the Company's balance sheet. The Company intends to continue to manage its balance sheet actively and will consider further

opportunities to repurchase the Notes and its other listed debt securities as and when they arise, although is under no obligation to pursue any such opportunity.

Purchase Price

The Company will pay for each US\$1,000 in principal amount of the Notes validly tendered and accepted by it for purchase pursuant to the Offer a cash purchase price (the “**Purchase Price**”) as determined pursuant to the Modified Dutch Auction Procedure, as more fully set out in the Offer to Purchase. The Company will pay accrued and unpaid interest in respect of the Notes accepted for purchase by the Company pursuant to the Offer, from (and including) the immediately preceding interest payment date for such Notes up to (but excluding) the Settlement Date.

The Offer is conditioned upon the satisfaction or waiver by the Company, in its sole discretion, of certain general conditions as more fully described in the Offer to Purchase.

Modified Dutch Auction Procedure

The amount that the Company will pay for each US\$1,000 in principal amount of the Notes validly tendered and accepted for purchase pursuant to the Offer will be determined pursuant to a modified Dutch auction procedure (the “**Modified Dutch Auction Procedure**”).

Under the Modified Dutch Auction Procedure, the Company will determine, in its sole discretion, following expiration of the Offer (a) the Acceptance Amount and (b) the Purchase Price (expressed as the amount payable for each US\$1,000 in principal amount of the Notes validly tendered), taking into account the aggregate principal amount of the Notes so tendered and the prices at which such Notes are so tendered.

The Purchase Price will not be less than US\$990 per US\$1,000 (the “**Minimum Purchase Price**”) of the principal amount of the Notes that are validly tendered by the Expiration Deadline and accepted by the Company for purchase pursuant to the Offer. There is no maximum purchase price at which a Holder can validly tender their Notes for purchase pursuant to the Offer. The Company may, in their sole discretion, amend the Minimum Purchase Price.

Following the Expiration Deadline, and subject to the foregoing, the Company will determine the Purchase Price in their sole discretion. The Company will not accept for purchase any Notes tendered at prices greater than the Purchase Price so determined in accordance with the Modified Dutch Auction Procedure.

Electronic Instructions must be submitted in a minimum denomination of US\$200,000 and in integral multiples of US\$1,000 in excess thereof. Electronic Instructions will, once submitted, be irrevocable except in the limited circumstances described in the Offer to Purchase. Electronic Instructions may be submitted in the form of either a Non-Competitive Offer or a Competitive Offer, as described in the Offer to Purchase.

A separate Electronic Instruction must be submitted on behalf of each beneficial owner due to potential pro-rata.

The Company has the sole discretion to determine the aggregate principal amount of the Notes validly tendered it will accept for purchase and the Company may elect not to purchase any Notes.
