
**PROFIT GUIDANCE FOR THE UNAUDITED FINANCIAL RESULTS
FOR THE FULL YEAR ENDED 31 DECEMBER 2024**

The Board of Directors (the “**Board**”) of International Cement Group Ltd. (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to announce that based on a preliminary review of the Group’s unaudited financial results for the full year ended 31 December 2024 (“**FY2024**”), its profitability has been adversely affected by both unrealised foreign exchange losses and operating asset impairment.

The Kazakhstani Tenge (Kazakhstan being the Group’s principal market) during the second half of FY 2024 steeply depreciated against the United States Dollar and the Chinese Yuan, which our liabilities are mainly denominated in. Besides this, the carrying value of certain operating assets were impaired due to lower demand for its finished product.

The Group will be announcing its FY2024 financial results by the end of February 2025. Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. When in doubt, shareholders and potential investors are advised to seek independent advice from their stockbrokers, bankers, solicitors, accountants or other professional advisers before trading or making any investment decision on the Company’s shares.
