Media Release

IPS Securex receives S\$3.6 million maintenance order

SINGAPORE, 5 December 2019 – IPS Securex Holdings Limited (“IPS Securex” or the “Company” and, together with its subsidiaries, the “Group”), a leading provider of security products and integrated security solutions with an established regional presence in the Asia Pacific, is pleased to announce that its wholly-owned subsidiary, IPS Securex Pte. Ltd. (“IPSPL”), has received and acknowledged a notice (“Notice”) from a government agency in Southeast Asia (the “Agency”) to exercise an option, in relation to the receipt of a variation agreement (the “Variation Agreement”) as announced by the Company on 13 June 2017.

Under the notice, the Agency has exercised the option for the Group to provide maintenance support services for certain integrated security solutions for one year beginning from 12 December 2019 to 11 December 2020, and provide other system support services for certain system integrated security solutions for a total price of approximately of S\$3.6 million (the “Consideration”).

Commenting on the notice, Mr Kelvin Lim (“林青宋”), Executive Director and Group Chief Executive Officer of IPS Securex said, ***“Increasingly, our customers strive to maintain a high level of operational readiness. To allocate their resources effectively, their preference is therefore to outsource non-core activities such as maintenance services, and allow us to professionally manage them. IPS Securex has been addressing this trend recently, we note high levels of customer satisfaction towards our maintenance services, we therefore expect our Maintenance and Leasing Business to grow progressively.”***

The Notice is expected to have a material financial effect on the earnings per share and net asset value per share of the Group for the financial year ending 30 June 2020.

Assuming that the services under the Notice were provided by the Group over the financial year ended 30 June 2019 (“FY2019”) and the Consideration were recognised as revenue over FY2019, the Consideration would have represented approximately 39.7% of the Group’s revenue of approximately S\$9.0 million for FY2019.

None of the Directors or substantial shareholders of the Company have any interest, directly or indirectly, in the Notice, save for their respective shareholdings in the Company.

End.
