Serial Achieva secures MYR17.8 million contract to provide co-location data centre space and related facilities

Singapore, 25 June 2026 – Serial Achieva Limited (“Serial Achieva”, and together with its subsidiaries, the “Group”), a specialist in the distribution of consumer and enterprise IT products and solutions in the region, wishes to announce that its indirect wholly-owned subsidiary, Achieva Cloud Services Sdn. Bhd. (“ACSSB”), has entered into a co-location services agreement with a regional cloud services provider to provide data centre capacity and related facilities in Malaysia. The contract value is approximately MYR17.8 million (equivalent to approximately US\$4.3 million) over an initial term of three years commencing from October 2026.

The Group secured its first co-location services contract in September 2025, establishing its initial foothold in the market and demonstrating its capabilities in delivering data centre infrastructure solutions.

Commenting on the second contract win, **Ms Victoria Goh, Chief Executive Officer of Serial Achieva**, said: *“Building on the momentum of our first contract, this second win further validates our capabilities in this market segment and our ability to scale and enhance our service offerings. It reinforces our confidence in the growth potential of this business as we steadily strengthen our presence to capture long-term growth opportunities arising from the continued digitalisation of enterprises and increasing demand for data centre capacity, cloud services and AI-driven workloads in the region.”*
