Conflict of interests (including any competing business)

Mr Wee Joo Yeow is an Independent Director of Mapletree Industrial Trust Management Ltd., which is the manager of Mapletree Industrial Trust ("MIT"). MIT is a Singapore-focused Real Estate Investment Trust ("REIT") listed on the Main Board of Singapore Exchange, with a large and diversified portfolio of industrial properties. MIT's property portfolio as at 31 March 2013, comprises industrial properties located across Singapore including flatted factories, business park buildings, stack-up/ramp-up buildings, light industrial buildings and a warehouse.

Mr Wee holds a non-executive position in Mapletree Industrial Trust Management Ltd. and is not involved in its day to day management. In addition, any potential conflicts of interests will be mitigated as follows by the Company:

- i. under the Companies Act, every Director who is in any way, whether directly or indirectly, interested in a transaction or proposed transaction with the Company is required to disclose their interests as soon as practicable at a meeting of the Directors after the relevant facts have come to his knowledge. In addition, every Director who holds any office or possesses any property whereby whether directly or indirectly duties or interests might be created in conflict with his duties or interests as director shall declare at a meeting of the Director the fact and the nature, character and extent of the conflict. Upon such disclosure, such Directors will not participate in any proceedings of the Board of Directors of the Company, and shall in any event abstain from voting in respect of any such contract, arrangement, proposal, transaction or matter in which the conflict of interest arises, unless and until the Audit Committee has determined that no such conflict of interest exists;
- ii. the Audit Committee will review any actual or potential conflicts of interest that may involve the Directors as disclosed by them to the Board and the exercise of the Directors' fiduciary duties in this respect. Upon disclosure of an actual or potential conflict of interest by a Director, the Audit Committee will consider whether a conflict of interest does in fact exist. A Director who is a member of the Audit Committee will not participate in any proceedings of the Audit Committee in relation to the review of a conflict of interest relating to him. The review will include an examination of the nature of the conflict and such relevant supporting data, as the Audit Committee may deem reasonably necessary. Where a conflict of interest does exist, the Audit Committee will resolve or propose, where appropriate, the relevant measures for the management of such conflicts; and
- iii. the Directors owe fiduciary duties to the Company, including the duty to act in good faith and in the Company's best interests. In addition, a Director may only disclose information (not otherwise available to him) which he has obtained in his capacity as a director, when certain conditions stipulated in Section 158 of the Companies Act are met.

Information required pursuant to Listing Rule 704(7)(H)

On his appointment to the board of a company listed on the Singapore Exchange Securities Trading Limited on 2 January 2014, Mr Wee had notified (the “**Initial Notice**”) that listed company of his interest in shares in that listed company. Due to an inadvertent oversight, his direct interest in a further 10,000 shares in that listed company, which were purchased prior to his appointment to the board of that listed company, was omitted from the Initial Notice. Upon realising the omission on 14 January 2014, he immediately notified that listed company. As disclosure was not made in respect of all his interest in shares in that listed company within the prescribed time period, the Monetary Authority of Singapore on 6 February 2014 issued a supervisory warning to Mr Wee to comply with section 133 of the Securities and Futures Act (Chapter 289 of Singapore) and other applicable laws and regulations at all times.
