NORDIC CLINCHES NEW CONTRACTS WORTH SGD 4.3 MILLION

Nordic Group Limited (“Nordic”) is pleased to announce that its wholly-owned subsidiaries, Nordic Flow Control Pte Ltd (“NFC”) and Austin Energy (Asia) Pte Ltd (“Austin”) have been awarded six contracts with value totaling approximately SGD 4.3 million. Details are as follows:

1. NFC secured three contracts from repeat customers to supply and install a hydraulic valve remote control system, tank gauging system and motorized valve. In addition, NFC has also secured a contract from a new customer for supply and installation of a hydraulic valve remote control system. The contracts are expected to be completed by Q2 2016.
2. Austin secured two contracts to provide labour and materials to perform piping insulation work and architectural installation work for Pfizer OSP Fit-Out Project and Ivar Aasen Project respectively. The initial phases of the contracted works have commenced and will continue up to Q1 2016.

The above contracts are not expected to have material impact on the net tangible assets and earnings per share of Nordic Group Limited for the current financial year.
