## 6. RESTRUCTURING PLAN

### The Lenders

6.1 **Principal terms.** Each Lender's Approved Claim shall be restructured under the Scheme as follows:

- (a) Each Lender may, in accordance with Clause 6.2 below, elect to take delivery of or instruct the Company to procure the sale of all or some of its Secured Assets;
- (b) Each Lender who has elected to take delivery of or instructed the Company to procure the sale of all of its Secured Assets shall be allocated and issued Scheme Shares for the whole of its Approved Claim in accordance with Clause 6.1(e) below (the "**Allocated Shares**");
- (c) With respect to each Lender who elects to take delivery of its Secured Asset(s), the Company shall procure that each Lender's Secured Assets are delivered and/or transferred to the Lender by no later than the date falling 6 months after the Effective Date on such terms as may be agreed upon in writing between the Company and the relevant Lender (each party acting reasonably). All costs and expenses incurred in connection with the delivery and/or transfer of a Secured Asset shall be borne by the Lender. Upon election in accordance with Clause 6.2 below, the Lender shall be solely responsible for all costs and expenses in connection with the Secured Asset and the Group shall have no further obligations to pay any such costs and expenses.

With respect to each Lender who elects to instruct the Company to procure the sale of all or some of its Secured Assets, the Company shall assist the Lender in procuring a purchaser for the Secured Asset(s) and shall endeavour to find a purchaser willing to pay the full sale proceeds in respect of the Secured Asset(s) into and held in an escrow account pending completion of the sale. Pending completion of the sale of the Secured Asset(s) on terms to be approved by the Lender, the Group shall continue to manage the Secured Asset(s) and all costs and expenses in connection with the Secured Asset(s) incurred up till the completion of sale shall be debited from any earnings generated by the Secured Assets.

- (d) All Secured Assets shall be sold or disposed of by the Lender who has elected to take delivery of or instruct the Company to procure the sale of all of its Secured Assets by no later than the Disposal Date and the net proceeds of sale from the Lender's Secured Assets shall be applied towards reducing the Lender's Approved Claim. If a Lender fails to sell or dispose of any of its Secured Assets by the Disposal Date, any portion of the Lender's Approved Claim which remains unsatisfied shall automatically be deemed to

have been settled in full and the Lender shall not be entitled to receive any Allocated Shares;

- (e) With respect to any Lender who has elected to take delivery of or instructed the Company to procure the sale of all of its Secured Assets and who has sold or disposed of all of its Secured Assets by no later than the Disposal Date, the Company shall issue the Allocated Shares to that Lender within 2 weeks after the Disposal Date in full and final settlement of such portion of the Lender's Approved Claim which remains unsatisfied pursuant to the sale or disposal of the Secured Assets as at the Disposal Date. Any Allocated Shares which are not issued to a Lender shall be distributed in accordance with Clause 6.6 below;
- (f) With respect to any Lender who has not elected to take delivery of or instruct the Company to procure the sale of all of its Secured Assets, any portion of the Approved Claim of the Lender which remains unsatisfied pursuant to the sale or disposal of the Secured Assets as at the Disposal Date shall be settled in accordance with Clause 6.3 below.

**6.2 Election for delivery of or instruction to procure sale of Secured Assets.** Within 7 days after the Effective Date, each Lender shall submit a written notice to the Company identifying which of its Secured Assets it wishes to take delivery of or instruct the Company to procure the sale of. If a Lender does not submit a written notice in accordance with this Clause 6.2, the Lender shall be deemed to have elected to take delivery of all its Secured Assets.

**6.3 Remaining Secured Assets.** With respect to any Lender who has not elected to take delivery of or instructed the Company to procure the sale of all of its Secured Assets, the Company shall make payment to the Lender in respect of its Approved Claim in accordance with Clauses 6.3(a) to 6.3(p) below. For the avoidance of doubt, Clauses 6.3(a) to 6.3(p) below do not apply to a Lender who has elected to take delivery of or instructed the Company to procure the sale of all of its Secured Assets or to any Secured Assets which has been transferred or delivered to a Lender pursuant to Clause 6.1 above:

- (a) Cross-collateralisation and further security. The securities held by a Lender in respect of the Lender's Approved Claim shall be cross-collateralised (if not already done) at the option of the relevant Lender over securities granted in its favour to secure the Lender's Approved Claim. All costs and expenses to be incurred in connection with the cross-collateralisation exercise shall be borne by the Lender. For the avoidance of doubt, a Lender's securities will not be cross-collateralised with the securities held by another Lender.
- (b) Where the Secured Asset(s) which the Lender has elected not to take delivery of or instruct the Company to procure the sale of in accordance with Clause 6.2 above comprise Vessels, the Company shall procure the establishment of a Designated Account for the Lender (if one has not already been established) and shall execute or procure the execution of (as may be applicable) a charge over the Designated Account established in favour of the Lender.

*Cash Management Principles Under The Cash Waterfall*

- (c) Vessel Income: All Vessel Income shall first be credited into the Group's Bank Mandiri Account. Within T+3 business days of receipt of any Vessel Income attributable to the Lender's Vessels into the Group's Bank Mandiri Account (where "T" is the date of receipt of such Vessel Income in the Group's Bank Mandiri Account), the Group shall issue letter(s) of instruction to Bank Mandiri for all such Vessel Income to be transferred to the relevant Designated Account established by the Group for the Lender.
- (d) Cash Waterfall: The Vessel Income shall be applied in the following manner:
  - (i) First, payment of Vopex for the Lender's Vessels in accordance with L1;

- (ii) Second, payment of the Lender's Interest in accordance with L2;
- (iii) Third, payment of Administrative Overheads in accordance with L3;
- (iv) Fourth, payment of the Remaining Margin (subject to Reserve) in accordance with L4; and
- (v) Fifth, repayment of Principal in accordance with L5.

For the avoidance of doubt, any and all Vessel Income from a Lender's Vessels shall only be applied for the benefit of that Lender.

- (e) L1 (Vopex): The Vopex for a given month shall be debited from the Total Vessel Income every month based on the Vopex Budget agreed with the Lender or the actual Vopex incurred, whichever is lower. If the actual Vopex incurred exceeds the Vopex Budget, the Group must obtain the prior written consent from the Lender before debiting any amount exceeding the Vopex Budget from the Total Vessel Income for the settlement of the additional Vopex incurred.
- (f) L2 (Lender's Interest): Any surplus funds in a Designated Account after compliance with L1 shall be applied towards payment of the following:
  - (i) Lender's COF; and
  - (ii) 0.25% Margin

Contractual interest and default interest shall continue to accrue on the Principal, but shall not be compounded and shall be paid in accordance with the Cash Waterfall.

Subject to the completion of the Scheme in accordance with Clause 9.1 below and without prejudice to Clause 6.3(n) below, upon the expiry of the Scheme Period, the Lender agrees to, in good faith, consider waiving, releasing and discharging (be it in whole or in part) the Company from any and all claims for any default interest payable to the Lender which remains outstanding at the end of the Scheme Period, but for the avoidance of doubt is not bound to do so.

Any available funds in a Designated Account (after taking into account any deductions allowed by the Lender under L1) shall be applied towards payment of the Lender's Interest on a monthly basis.

- (g) L3 (Administrative Overheads): The Lender agrees to bear the Administrative Overheads.

Subject to Clause 6.3(m)(ii), the Lender's contribution to the Administrative Overheads shall be debited from its Designated Account. The maximum amount of Administrative Overheads which may be debited from the Designated Account shall be the Administrative Overheads Budget agreed with the Lender or the actual Administrative Overheads incurred, whichever is lower.

If the actual Administrative Overheads incurred exceeds the Administrative Overheads Budget, the Group will have to obtain the Lenders' prior written consent before debiting any amount exceeding the Administrative Overheads Budget from the Designated Account for the settlement of the excess Administrative Overheads incurred.

- (h) L4 (Remaining Margin subject to Reserve): Any available funds in a Designated Account (after taking into account any deductions under L1 to L3) shall be applied towards payment of the Remaining Margin subject to there being sufficient funds in the Designated Account to satisfy the Reserve.

In the event there are insufficient funds in the Designated Account to pay the Remaining Margin, any shortfall in the payment of the Remaining Margin shall be paid in subsequent months when there is a surplus in the Designated Account after settling the Remaining Margin payable to the Lender for a given month.

- (i) L5 (Principal repayment): Starting from the second year of the Scheme Period, any available funds in a Designated Account (after taking into account any deductions under L1 to L4) shall be applied towards payment of the Principal due and owing to the Lender under the Lender's Facilities subject to there being sufficient funds in the Designated Account to satisfy the Reserve.
- (j) Distributions to a Lender: The Company shall make such distributions to a Lender as follows:
  - (i) If, for any single month, any Lender does not receive at least 50% of the distributions projected in the Worst Case Scenario, the Company shall pay, by the next following month or within such later time period as may be proposed by the Company and agreed by that Lender, 100% of the distributions as are projected in the Likely Case Scenario, in addition to the Company's other obligations under the Scheme; and
  - (ii) If, for any four months in any six-monthly period, any Lender does not receive at least 50% of the distributions as are projected in the Worst Case Scenario, that Lender may require the Company by notice in writing to sell or dispose of any of that Lender's Secured Assets for a price to be determined by the relevant Lender in its sole discretion within 6 months. Any proceeds from such sale or disposal shall be applied in the order of priority set out in Clause 6.3(l) below save that, with respect to Clause 6.3(l)(i), the reference to expenses incurred in relation to and/or payable for the purpose of giving effect to the sale or scrap of the Non-Performing Vessel shall be deemed to be a reference to expenses incurred in relation to and/or payable for the purpose of giving effect to any disposal pursuant to this Clause 6.3(j)(ii). For the avoidance of doubt, this clause is without prejudice to Clauses 6.3(l) and 6.3(m) below.

For this clause:

- (1) The first monthly projection under the Likely Case Scenario and Worst Case Scenario shall refer to the first month after the Effective Date; and
- (2) Every yearly projection under the Likely Case Scenario and Worst Case Scenario shall consist of 12 discrete monthly projections, each with 1/12th the value of such yearly projection.

#### *Sale of Non-Performing Vessels*

- (k) Sale of Non-Performing Vessels: The Lender shall have the right to sell and/or request that the Company use all reasonable endeavours to procure the sale or scrapping of a Vessel if the utilisation of the Vessel for a 9-month rolling period starting from the Effective Date is less than 30% ("**Non-Performing Vessel**"), on terms to be agreed between the Company and the Lender (each, acting reasonably). The Lender shall use all reasonable endeavours to procure that any Existing Security in respect of the Non-Performing Vessel shall be discharged in order to facilitate any such sale.
- (l) Application of proceeds: Any proceeds from the sale or scrap of any Non-Performing Vessel shall be applied in the following order of priority:

- (i) First, towards payment of any expenses incurred in relation to and/or payable for the purpose of giving effect to the sale or scrap of the Non-Performing Vessel (e.g. shipyard dues and government tariffs etc.);
  - (ii) Second, towards payment of the Principal due and owing to the relevant Lender;
  - (iii) Third, towards payment of any remaining balance of the relevant Lender's Approved Claim (including interest);
  - (v) Fourth, to the Company.
- (m) **Disposal of other Secured Assets.** Without prejudice to Clause 6.3(k) above:
- (i) Subject to Clause 6.3(m)(ii), during the Scheme Period, the Company may with the prior written consent of the relevant Lender dispose of any Secured Asset. Any proceeds from such disposal shall be applied in the order of priority set out in Clause 6.3(l) above save that, with respect to Clause 6.3(l)(i), the reference to expenses incurred in relation to and/or payable for the purpose of giving effect to the sale or scrap of the Non-Performing Vessel shall be deemed to be a reference to expenses incurred in relation to and/or payable for the purpose of giving effect to any disposal pursuant to this Clause 6.3(m)(i). The Lender shall use all reasonable endeavours to procure that any Existing Security in respect of the Secured Asset shall be discharged in order to facilitate any such sale.
  - (ii) The Company shall have the right to deal with, sell or scrap a Non-Performing Vessel as it deems fit if the Company has provided the relevant Lender with a request in writing to dispose of the Non-Performing Vessel pursuant to Clause 6.3(m)(i), and such Lender fails to respond within 3 weeks of the date of such written request. In the event the Lender informs the Company of its refusal to consent to the Company's request to dispose of a Non-Performing Vessel (such notice of refusal to be given in writing by Lender no later than 3 weeks from the date of the written request by the Company), starting from the date of the Lender's notice of refusal, the Lender shall bear all Administrative Overheads in respect of such Non-Performing Vessel even if the actual Administrative Overheads incurred exceeds the Administrative Overheads Budget, and shall continue to do so until the earlier of such time as the Vessel is no longer a Non-Performing Vessel or the Vessel is sold, scrapped or otherwise disposed of.
- (n) If a Lender's Approved Claim has not been settled in full at the end of the Scheme Period, the outstanding balance of the Lender's Approved Claim shall be sustained post-Scheme Period. Within three (3) months after the last day of the Scheme Period (or such other date as may be agreed upon in writing between the Company and the Lender), the Company shall either refinance the amount of Approved Claim sustained post-Scheme Period or the Company and the Lender shall renegotiate in good faith and enter into a new agreement governing the repayment of the amount of Approved Claim sustained post-Scheme Period, failing which the Lender shall be entitled to enforce all its rights under the Lender's Facilities.

*Reporting requirements*

- (o) At every monthly interval following the Effective Date, the Company shall:
  - (i) provide a monthly fund movement report prepared by the Company to the Lender and the Scheme Manager setting out the Vessel Income and Vopex for the

preceding month in respect of all Vessels which remain mortgaged to the Lender as at the date of the report (the “**MVF Report**”);

- (ii) provide a report prepared by the Group to the Lender and the Scheme Manager setting out an update on the deployment and charter status for the preceding month of all Vessels which remain mortgaged to the Lender as at the date of the report (the “**D&C Status Report**”).
- (p) The Scheme Manager shall at every 3-month interval following the Effective Date prepare and provide a monitoring report to the Lender based on the MVF Report, the D&C Status Report and any and all other information that the Scheme Manager may require and request from the Company as the Scheme Manager may in his sole and absolute discretion deem appropriate.
