APPLICATION FOR WAIVER FROM SUSTAINABILITY REPORTING REQUIREMENT

The Company would like to announce that it would be applying for a waiver from compliance with Rules 711A and 711B of the Listing Manual in relation to the issuance of a sustainability report.

The waiver is sought as the Company is presently under judicial management and has no operating assets, having divested its business units in 2015 and 2016. It would not be meaningful for the Company to prepare and issue a sustainability report in such circumstances. Further information on the application and its outcome will be announced in due course.
