PROFIT GUIDANCE

The Board of Directors (the “Board”) of Santak Holdings Limited (the “Company”) considers it appropriate to issue a profit guidance, ahead of the announcement of the financial results of the Company and its subsidiaries (the “Group”) for the six months period ended 31 December 2024 (“1HY2025”).

Barring any unforeseen circumstances and to the best knowledge of the Board, following a preliminary assessment of the financial results for 1HY2025, the Group is expected to report a lower revenue compared to the revenue in the previous corresponding period (“1HY2024”). Nevertheless, on a sequential basis, the Group is expected to report a higher revenue compared to the revenue in the immediately preceding six months period ended 30 June 2024 (“2HY2024”).

Despite the decrease in turnover, the Group is expected to report a lower loss before tax for 1HY2025 versus the loss before tax in 1HY2024. This was mainly the result of a lower gross loss recorded and a decrease in the selling, administrative and other expenses as well as finance cost in 1HY2025 compared to the prior corresponding period.

Further details of the Group’s results will be made available when the Company announces its unaudited consolidated financial results for 1HY2025, which is expected to be before mid-February 2025. In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company’s securities. When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company’s securities.
