APPENDIX

THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

1 INTRODUCTION

1.1 We refer to:

- (a) the notice of annual general meeting of the Company dated 6 April 2017 (the “**Notice**”), accompanying the FY2016 Annual Report, convening the 50th annual general meeting of the Company to be held on 28 April 2017 (the “**2017 AGM**”); and
- (b) Ordinary Resolution No. 9 relating to the proposed renewal of the Share Purchase Mandate (as proposed in the Notice).

1.2 It is a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares has to obtain the approval of its shareholders at a general meeting of the company. The Company proposes to seek the approval of the Shareholders at the forthcoming 2017 AGM for the renewal of the Share Purchase Mandate to authorise the Directors to buy back issued and fully paid Shares in accordance with the terms set out in this Appendix as well as the rules and regulations set forth in the Companies Act and the Listing Manual.

1.3 The purpose of this Appendix is to provide Shareholders with information relating to the proposed renewal of the Share Purchase Mandate.

2 RATIONALE FOR THE SHARE PURCHASE MANDATE

2.1 The Share Purchase Mandate will give the Company the flexibility to undertake Share Purchases at any time, subject to market conditions, during its validity period. The Directors believe that the Share Purchase Mandate will provide the Company with a mechanism to facilitate the return of any surplus cash in excess of the Group’s working capital requirements in an expedient and cost-efficient manner. The Directors further believe that Share Purchases may also buffer short-term share price volatility and offset the effects of share price speculation. Where Shares are purchased by the Company and are held as treasury shares, it will also enable the Company to transfer the treasury shares for the purposes of the Company’s employees’ share option scheme.

2.2 If and when circumstances permit, the Directors will decide whether to effect the Share Purchases via On-Market Share Purchases or Off-Market Share Purchases, after taking into account the amount of surplus cash available, the then prevailing market conditions and the most cost effective and efficient approach.

2.3 The Share Purchases would be made only as and when the Directors consider it to be in the best interests of the Company and in appropriate circumstances which the Directors believe will not result in any material adverse effect on the liquidity and the orderly trading of the Shares, as well as the financial condition of the Group.

3 AUTHORITY AND LIMITS ON THE SHARE PURCHASE MANDATE

The authority and limits placed on the Share Purchases under the Share Purchase Mandate are set out below:-

3.1 Maximum number of Shares

- (a) Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. In accordance with Rule 882 of the Listing Manual, the total number of Shares which may be purchased or acquired pursuant to the Share Purchase Mandate shall not exceed 10% of the total number of issued Shares (excluding treasury shares) as at the date of the 2017 AGM at which approval for the proposed renewal of the Share Purchase Mandate is being sought (the “**Approval Date**”). Under the Companies Act, any Shares which are held as treasury shares will be disregarded for the purpose of computing the 10% limit.
- (b) For illustrative purposes only, on the basis of 836,667,121 issued Shares as at the Latest Practicable Date, and assuming that no further Shares are issued prior to the 2017 AGM, not more than 83,666,712 Shares (representing 10% of the total number of issued Shares as at that date) may be purchased by the Company pursuant to the proposed Share Purchase Mandate during the duration referred to in paragraph 3.2(a) below.

3.2 Duration of Authority

- (a) Share Purchases may be made, at any time and from time to time, on and from the Approval Date up to:-
 - (i) the date on which the next annual general meeting of the Company is held or required by law to be held;
 - (ii) the date on which the Share Purchases are carried out to the full extent mandated; or
 - (iii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.
- (b) The authority conferred on the Board by the Share Purchase Mandate to purchase Shares may be renewed at the next annual general meeting of the Company or at an extraordinary general meeting of the Company to be convened immediately after the conclusion or adjournment of the next annual general meeting.

APPENDIX

3.3 Manner of Share Purchases

- (a) Share Purchases may be made by way of:-
 - (i) an On-Market Share Purchase; and/or
 - (ii) an Off-Market Share Purchase.

- (b) The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. However, an Off-Market Share Purchase effected in accordance with an equal access scheme must satisfy all the following conditions:-
 - (i) offers under the scheme are to be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
 - (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
 - (iii) the terms of all the offers shall be the same, except that there shall be disregarded:-
 - (1) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (2) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

- (c) In addition, the Listing Manual provides that, in making an Off-Market Share Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:-
 - (i) the terms and conditions of the offer;
 - (ii) the period and procedures for acceptance;
 - (iii) the reasons for the proposed Share Purchase;
 - (iv) the consequences, if any, of Share Purchases that will arise under the Take-over Code or other applicable take-over rules;
 - (v) whether the Share Purchase, if made, could affect the listing of the Shares on the SGX-ST;

- (vi) details of any Share Purchases made by the Company during the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases; and
- (vii) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

3.4 Maximum Purchase Price

- (a) The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors.
- (b) However, the purchase price to be paid for the Shares pursuant to the Share Purchase Mandate must not exceed:–
 - (i) in the case of an On-Market Share Purchase, 105% of the Average Closing Price (as defined below) of the Shares; and
 - (ii) in the case of an Off-Market Share Purchase, 120% of the Average Closing Price of the Shares,
 (the “**Maximum Price**”).
- (c) For the above purposes, “**Average Closing Price**” means the average of the closing market prices of a Share over the last 5 Market Days, on which transactions in the Shares were recorded, before the day on which the On-Market Share Purchase was made or, as the case may be, before the date of making an announcement by the Company of an offer for an Off-Market Share Purchase and deemed to be adjusted for any corporate action that occurs after the relevant 5 Market Days.

4 STATUS OF PURCHASED SHARES UNDER THE SHARE PURCHASE MANDATE

- 4.1** Under Section 76B of the Companies Act, any Share which is purchased shall, unless held as a treasury share, be deemed cancelled immediately on purchase, and all rights and privileges attached to that Share will expire on cancellation. All Shares purchased by the Company, unless held as treasury shares, will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

APPENDIX

4.2 Some of the provisions on treasury shares under the Companies Act are summarised below:-

4.2.1 Maximum Holdings

The number of Shares held as treasury shares shall not at any time exceed 10% of the total number of issued Shares; and the Company shall be entered in the Register of Members or the Depository Register, as the case may be, as the member holding those Shares.

4.2.2 Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings; and for the purposes of the Companies Act, the Company shall be treated as having no right to vote in respect of treasury shares and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of the treasury shares. However, the allotment of Shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share into treasury shares of a greater or smaller number, as the case may be, is allowed so long as the total value of the treasury shares after the sub-division or consolidation is the same as before.

4.2.3 Disposal and Cancellation

Where Shares purchased or acquired by the Company are held as treasury shares, the Company may at any time:-

- (a) sell the treasury shares (or any of them) for cash;
- (b) transfer the treasury shares (or any of them) for the purposes of or pursuant to any share scheme, whether for the Company's employees, directors or other persons;
- (c) transfer the treasury shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares (or any of them); or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

The Shares purchased under the Share Purchase Mandate will be held as treasury shares or cancelled by the Company taking into consideration the then prevailing circumstances and requirements of the Company at the relevant time.

In addition, under the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares, stating the following:

- (i) date of the sale, transfer, cancellation and/or use;
- (ii) purpose of such sale, transfer, cancellation and/or use;
- (iii) number of treasury shares sold, transferred, cancelled and/or used;
- (iv) number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (v) percentage of the number of treasury shares against the total number of Shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (vi) value of the treasury shares if they are used for a sale or transfer, or cancelled.

5 REPORTING REQUIREMENTS

- 5.1** Within 30 days of the passing of a Shareholders' resolution to approve or renew the Share Purchase Mandate, as the case may be, the Company shall lodge a copy of such resolution with the Registrar.
- 5.2** The Company shall lodge with the Registrar a notice of Share Purchase within 30 days of such Share Purchase. Such notification shall include the date of the purchases, the number of Shares purchased by the Company, the number of Shares cancelled, the number of treasury shares held, the Company's issued share capital before and after the purchases, the amount of consideration paid by the Company for the purchases, whether the Shares were purchased out of the profits or the capital of the Company and such other particulars as may be required in the prescribed form.
- 5.3** Within 30 days of the cancellation or disposal of treasury shares in accordance with the Companies Act, the Company shall lodge with the Registrar a notice of the cancellation or disposal of treasury shares with such particulars as may be required in the prescribed form.

6 SOURCE OF FUNDS

- 6.1** The Company may only apply funds for the Share Purchases in accordance with the applicable laws in Singapore. The Company may not purchase its Shares for a consideration other than in cash and in the case of an On-Market Share Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.
- 6.2** The Company intends to use internal sources of funds or external borrowings, or a combination of both, to finance its Share Purchases.

APPENDIX

- 6.3** The Companies Act stipulates that any purchases of Shares may be made out of the Company's capital and/or profits so long as the Company is solvent. Where the consideration paid by the Company for the Share Purchases is made out of profits, such consideration will correspondingly reduce the amount of profits available for the distribution of cash dividends by the Company. However, where the consideration paid by the Company for the Share Purchases is made out of capital, the amount of profits available for the distribution of cash dividends by the Company will not be reduced. The Companies Act further stipulates that a payment for such purchase of shares shall include any expenses (including brokerage or commission) incurred directly in the purchase.

7 FINANCIAL EFFECTS

- 7.1** The financial effects on the Company and the Group arising from the Share Purchases will depend on, *inter alia*, whether the Share Purchases are made by way of On-Market Share Purchases or Off-Market Share Purchases, the price paid for such Shares and whether the Shares are held in treasury or cancelled.

- 7.2** **For illustrative purposes only**, the financial effects on the Company and the Group arising from the Share Purchases, based on the audited financial statements of the Company and the Group for FY2016, are prepared assuming the following:–

- (a) the Share Purchases comprised 83,666,712 Shares (representing the maximum 10% allowed under the Share Purchase Mandate of the 836,667,121 issued Shares excluding treasury shares, as at the Latest Practicable Date);
- (b) in the case of On-Market Share Purchases, the Maximum Price was S\$0.297 (being 5% above the Average Closing Price prior to the Latest Practicable Date) and accordingly, the maximum amount of funds (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) required for effecting such On-Market Share Purchases would amount to approximately S\$24.8 million;
- (c) in the case of Off-Market Share Purchases, the Maximum Price was S\$0.340 (being 20% above the Average Closing Price prior to the Latest Practicable Date) and accordingly, the maximum amount of funds (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) required for effecting such Off-Market Share Purchases would amount to approximately S\$28.4 million;
- (d) the Share Purchases were made out of the Company's capital and profits as the Company has decided that any Share Purchases made under the Share Purchase Mandate will be made out of capital and profits;
- (e) the Share Purchases took place on 1 January 2017 and the Shares purchased were (i) cancelled; or (ii) held as treasury shares; and
- (f) the Share Purchases were financed by a combination of internal source of funds and external short-term bank borrowings.

The financial effects set out above are purely for illustrative purposes only. Although the Share Purchase Mandate would authorise the Company to buy back up to 10% of the total number of issued Shares (excluding treasury shares) as at the date that the Share Purchase Mandate is renewed, the Company may not necessarily buy back or be able to buy back 10% of the total number of issued Shares (excluding treasury shares) in full.

8 TAX IMPLICATIONS ARISING FROM SHARE PURCHASES

Shareholders who are in doubt as to their respective tax positions or any tax implications of Share Purchases by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

9 LISTING MANUAL RELATING TO SHARE PURCHASES

- 9.1** The Listing Manual specifies that a listed company shall notify the SGX-ST of any On-Market Share Purchases not later than 9.00 a.m. on the Market Day following the day on which the On-Market Share Purchase was made, and of any Off-Market Share Purchases not later than 9.00 a.m. on the second Market Day after the close of acceptance of the offer for the Off-Market Share Purchase. The notification of such Share Purchases to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion the necessary information which will enable the Company to make the notifications to the SGX-ST.
- 9.2** While the Listing Manual does not expressly prohibit purchase of shares by a listed company during any particular time or times, the Company will not undertake Share Purchases after a price sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such time as the price sensitive information has been publicly announced. In particular, the Company will not buy any Shares during the period commencing 2 weeks before the announcement of the Company's results for each of the first, second and third quarters of its financial year, or one month before the announcement of the Company's annual results, as the case may be, and ending on the date of announcement of the relevant results.
- 9.3** The Listing Manual requires a listed company to ensure that at least 10% of the total number of issued Shares excluding treasury shares (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the public. The "public", as defined under the Listing Manual, are persons other than the directors, chief executive officer, substantial shareholders or controlling shareholders of the Company or its subsidiaries, as well as the associates of such persons. Based on the Registers of Directors' Shareholdings maintained by the Company and its subsidiaries and the Register of Substantial Shareholders maintained by the Company and the information received by the Company as at the Latest Practicable Date, there are 400,219,196 Shares held by public Shareholders, representing approximately 47.83% of the total number of issued Shares. Assuming the Company exercises the Share Purchase Mandate in full and purchases 10% of the total number of issued Shares excluding treasury shares through On-Market Share Purchases from the public, the number of Shares in the hands of the public would be reduced to approximately 316,552,484 Shares, representing approximately 42.04% of the total number of issued Shares excluding treasury shares. Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by public Shareholders

APPENDIX

which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST. While the Share Purchase Mandate would authorise Share Purchases up to a maximum of 10% limit, Shareholders should note that Share Purchases may not be carried out up to the full 10% limit as authorised, or at all.

- 9.4** In undertaking any Share Purchases, the Directors will use their best efforts to ensure that, notwithstanding such Share Purchases, a sufficient float held by the public will be maintained so that the Share Purchases will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.

10 TAKE-OVER CODE IMPLICATIONS ARISING FROM SHARE PURCHASES

- 10.1** The resultant increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him, following any Share Purchases, will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code ("**Rule 14**"). Consequently, depending on the number of Shares purchased by the Company and the Company's total number of issued Shares at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate effective control of the Company and could become obliged to make an offer under Rule 14.
- 10.2** Under the Take-over Code, persons acting in concert or concert parties comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company. Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert, namely, (i) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts), and (ii) a company, its parent, subsidiaries and fellow subsidiaries, and their associated companies and companies of which such companies are associated companies, all with one another, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforesaid for the purchase of voting rights. For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.
- 10.3** The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Take-over Code ("**Appendix 2**").
- 10.4** In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such directors and their concert parties would increase to 30% or more, or, in the event that such directors and their concert parties hold between 30% and 50% of the voting rights in the Company, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

- 10.5** Under Appendix 2, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the voting rights in the Company, the voting rights of such Shareholder would increase by more than 1% in any period of 6 months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.
- 10.6** Shareholders and their concert parties will be subject to the provisions of Rule 14 if they acquire any Shares after the Company's Share Purchases. For the purpose of the Take-over Code, an increase in the percentage of voting rights as a result of the Share Purchases will be taken into account in determining whether a Shareholder and persons acting in concert with him have increased their voting rights by more than 1% in any period of 6 months.
- 10.7** If the Company decides to cease the purchase of Shares before it has purchased in full such number of Shares authorised by its Shareholders at the 2017 AGM, the Company will promptly inform its Shareholders of such cessation. This will assist Shareholders to determine if they can buy any more Shares without incurring an obligation under Rule 14.
- 10.8** Based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders, as at the Latest Practicable Date, the shareholdings of the Directors and the Substantial Shareholders before and after the purchase of Shares pursuant to the Share Purchase Mandate, assuming (i) the Company purchases the maximum 10% of the total number of issued Shares (excluding treasury shares), and (ii) there is no change in the number of Shares held by the Directors and the Substantial Shareholders or which they are deemed interested in, are set out in paragraph 12 of this Appendix.
- 10.9** Shareholders are advised to consult their professional advisers and/or the SIC and/or other relevant authorities at the earliest opportunity as to whether an obligation on their part, if any, to make a mandatory take-over offer under the Take-over Code would arise by reason of any Share Purchases by the Company.
