GKE Stays Vigilant in Keeping Employees Safe

- The Group does not expect disruption to overall warehousing and logistics operations in Singapore and no material impact to current financial year performance

For Immediate Release

SINGAPORE, 07 May 2021 – GKE Corporation Limited 锦佳集团 (“GKE” and together with its subsidiaries, the “**Group**”), a leading integrated warehousing and logistics solutions provider with strategic investments in infrastructural materials and services business in China, wishes to update shareholders that one of our employees, a trailer truck driver at the port terminals of PSA Singapore, has tested positive for Covid-19.

The Group has taken all appropriate measures in respect of other employees that have come in contact with the infected employee. The Group will continue to practise stringent precautionary and safe management measures including physical distancing and sanitizing workplaces regularly, to provide a safe working environment and minimise risks of COVID-19 transmission.

Mr Neo Cheow Hui (梁鹏飞), CEO and Executive Director of GKE said, “**The health and safety of our employees are of utmost priority. Our Safe Management Officers will remain vigilant and continue to ensure that all employees adhere to prevailing safe management measures at all times at the workplace. We would like to assure our stakeholders that our warehousing and logistics business in Singapore continues to function normally. We will continue to maintain strict operational protocols to safeguard the health and safety of our employees and stakeholders.**”

The Group does not expect any material impact on its financial performance for the current financial year ending 31 May 2021. The Group will make further announcements as and when appropriate.

About GKE Corporation Limited

(Stock Codes – SGX: 595 | Bloomberg: GKEC SP | Thomson Reuters: GKEC.SI)

GKE Corporation Limited (锦佳集团) (“**GKE**” or the “**Company**” and together with its subsidiaries or the “**Group**”) is a leading integrated warehousing and logistics solutions provider offering one-stop, end-to-end multi-modal supply chain management solutions and services. The business activities of GKE can be classified into two broad categories: (i) warehousing & logistics, and (ii) strategic investments.

The Group’s facilities host one of the best material handling systems, with the most up-to-date safety and security features. It leverages information technology to increase order visibility, maximise operational efficiency, effective inventory management, and reduce overall supply chain costs for its customers.

The Group provides total integrated and comprehensive warehousing & logistics solutions and services that include general cargo storage, dangerous cargo storage (Class 2, 3, 4, 5.1, 6.1, 8 and 9), bonded and license warehousing services, conventional transportation, container trucking, project logistics, international multi-modal sea and air freight forwarding services, marine logistics and chemical warehousing. The Group has also established its support services at the port operations to further enhance the logistics value chain.

The Group’s strategic investment focuses on infrastructural materials and services business in China. The strategic investments are broadened through its wholly-owned subsidiary, Wuzhou Xing Jian Readymix Co., Ltd. (梧州市星建混凝土) (“**Wuzhou Xing Jian**”), which is primarily engaged in the manufacturing and supplying of ready-mix concrete products to the infrastructural and construction sector in Wuzhou City since June 2016. The ongoing urbanisation plans in China spurred the Group to expand its automated ready-mix concrete manufacturing business in Cenxi City. Through Wuzhou Xing Jian, the Group has also extended its participation into (i) construction material waste recycling in Cenxi City, and (ii) mining and production of limestone products in Cangwu County, where Wuzhou Xing Jian holds the mining rights of a limestone mine.
