### PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED HALF YEAR FINANCIAL RESULTS FOR THE SIX MONTH PERIOD ENDED 31 DECEMBER 2025

---

The Board of Directors (the “**Board**”) of CFM Holdings Limited (the “**Company**”, and together with its subsidiaries, collectively the “**Group**”) wishes to issue a profit guidance for the Group’s financial results for the six-month period ended 31 December 2025 (“**HY2026**”).

Based on the preliminary figures of its unaudited consolidated financial results for HY2026, the Group expects to report a loss after tax for HY2026 as compared to the net profit after tax for the six-month period ended 31 December 2024 (“**HY2025**”). This was largely attributable to lower revenue across the metal stamping, tooling, and cleanroom product segments, arising from customer overstocking, end-of-life product transitions, the maturation of customer contracts, and the effects of U.S. tariff policies.

Despite lower operational and finance costs, the Company is expected to record a loss after tax for HY2026, compared to a net profit after tax in HY2025.

The Company is still in the process of finalising its unaudited results for HY2026 and further details of the Group’s performance will be disclosed when the Company announces its unaudited financial results for HY2026 on or before 14 February 2026.

**In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company's shares. When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisers before trading or making any investment decision on the Company's securities.**
