Statement of Profit or Loss and Other Comprehensive Income

The Group's revenue increased by US$0.1 million from US$3.4 million for Q2 2014 to US$3.5 million for Q2 2015. The increase was mainly attributable to the increase in rental income and the revenue generated from the close protection service.

Cost of sales decreased by US$0.7 million from US$2.9 million for Q2 2014 to US$2.2 million for Q2 2015. The decrease was mainly attributable to the lower contracted manpower costs in the Vigers operations.

The Group recorded a gross profit of US$1.3 million for Q2 2015 as compared to US$0.5 million for Q2 2014, an increase of US$0.8 million as explained in the preceding paragraphs.

The Group had other net loss of US$25.6 million for Q2 2015 as compared to US$2.6 million for Q2 2014, an increase of US$23.0 million. In Q2 2015, the other net loss comprised mainly the reversal of the previously recognised additional compensation of US$25.8 million on disposal of the Panyu property as more fully described in the Company's announcement dated 26 May 2015, the three-month extension fee of US$1.3 million paid to the Singapore Land Authority for the investment property and the net foreign currency gain of US$1.5 million arising from translating the monetary items denominated in foreign currencies. In Q2 2014, the other net loss comprised mainly the six-month extension fee of US$2.3 million paid to the Singapore Land Authority for the investment property, the realised loss of US$0.7 million on a partial disposal of the investment property, the net foreign currency gain of US$0.2 million arising from translating the monetary items denominated in foreign currencies and the interest income of US$0.2 million.

Administrative costs decreased by US$0.3 million from US$2.9 million for Q2 2014 to US$2.6 million for Q2 2015. The decrease was mainly attributable to the decrease in improvement works performed on the investment property (Residences at Emerald Hill, Singapore) and legal and professional fees.

As a result of the above, the Group's net loss for Q2 2015 was US$27.3 million, as compared to US$5.3 million for Q2 2014, an increase of US$22.0 million, as explained in the preceding paragraphs.

Other comprehensive income of US$19 thousand was recognised in Q2 2015 on currency translation differences arising on consolidation of foreign subsidiaries compared to US$327 thousand in Q2 2014.

As a result of the above, the Group's total comprehensive loss for Q2 2015 was US$27.2 million as compared to US$4.9 million for Q2 2014, an increased loss of US$22.3 million as explained in the preceding paragraphs.

Statement of Financial Position

Property, plant and equipment decreased by US$0.3 million from US$6.0 million as at 31 December 2014 to US$5.7 million as at 30 June 2015. The decrease was mainly due to the translation adjustment of US$0.1 million arising from translating a property denominated in foreign currency and the depreciation charged to profit or loss of US$0.2 million during the current financial period.

Investment property decreased by US$1.6 million from US$79.9 million as at 31 December 2014 to US$78.3 million as at 30 June 2015. The decrease was attributable to the translation adjustment arising from translating the investment property denominated in foreign currency.

Trade and other receivables decreased by US$21.2 million from US$35.5 million as at 31 December 2014 to US$14.3 million as at 30 June 2015. The decrease was mainly due to the reversal of the receivable balance in respect of the previously recognised additional compensation on disposal of the Panyu property and the partial settlement of other receivables during the current financial period.

Trade and other payables increased by US$9.1 million from US$4.1 million as at 31 December 2014 to US$13.2 million as at 30 June 2015. The increase was mainly due to an outstanding obligation of US$5.0 million repayable to the purchaser of the Panyu property as disclosed in the Company's announcement dated 30 June 2015 and a deposit of US$4.1 million received on the proposed disposal of the entire shares of a wholly-owned subsidiary, Lafe (Emerald Hill) Development Pte. Ltd. (the "**LEHD Disposal**"), as disclosed in the Company's announcement dated 22 June, 2015.

Non-trade payable to a related company decreased by US$0.5 million from US$2.3 million as at 31 December 2014 to US$1.8 million as at 30 June 2015. The decrease was due to the partial repayments made during the current financial period. This short-term borrowing is unsecured and bears interest at 5.25% per annum.

Bank loans under "Current liabilities" and "Non-current liabilities" decreased in total by US$3.0 million from US$23.8 million as at 31 December 2014 to US$20.8 million as at 30 June 2015. The decrease was mainly due to the partial repayments made during the current financial period. The bank loans on the investment property amounting to US$18.4 million will be repayable in full upon completion of the LEHD Disposal as disclosed in the Company's announcement dated 22 June 2015.

The movement in cash and cash equivalents from US$4.4 million as at 31 December 2014 to US$0.9 million as at 30 June 2015, a decrease of US$3.5 million, is explained in the statement of cash flows below.

Statement of Cash Flows

During Q2 2015, the Group's net cash used in operating activities was US$0.6 million as compared to net cash generated from operating activities of US$1.6 million in Q2 2014. The cash movement in Q2 2015 was mainly attributable to the refundable additional compensation in relation to the Panyu property, the deposit received on the LEHD Disposal and the short-term borrowing from the interested party as mentioned in the statement of financial position above and the currency translation adjustments arising from translating assets and liabilities denominated in foreign currency. The net cash used in financing activities in Q2 2015 of US$0.3 million was attributable to the partial bank loan repayments.

9 Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results.

Not applicable.

10 A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.

The Company has on 19 June 2015 entered into a conditional sale and purchase agreement with Madam Yu Lo Si, Rosy, the spouse of Mr. Christopher Ho Wing-On, a director of the Company, for the disposal by the Company of its entire shares in LEHD which in-turn owns the Residences

at Emerald Hill. The completion of the proposed disposal will be subject to the approval of the Company's independent shareholders at a special general meeting in accordance with the SGX rules.

The Group will continue to look for acquisition opportunities for future development and investment.

The Vigers Group, which provides property agency, appraisal and consultancy services, continues to make a positive contribution to the Group's operating results. In view of the economic growth in the PRC and Macau, the Vigers Group has been actively cultivating its business in these territories in order to expand its service income. The Group has also continued to develop into close protection services which the Board considers promising given the Group's long establishment in the security service sector.
