Valuetronics Receives Above & Beyond Award from Delphi

HONG KONG, 25 May 2017 – Valuetronics Holdings Limited (“Valuetronics”) today received a 2016 Above & Beyond - Pinnacle Award for Supplier Excellence from Delphi. The award recognized Valuetronics’ efforts that surpassed commercial requirements and enabled Delphi to exceed customer expectations.

“We are honored to receive the 2016 *Above & Beyond* - Pinnacle Award for Supplier Excellence after being part of the Delphi supply chain for two years. We are motivated to further enhance our value to the Delphi supply chain in terms of pro-activeness, productivity, and flexibility and look forward to a long-term mutually beneficial working relationship with Delphi.” commented Mr Ricky Tse, Chairman and Managing Director of Valuetronics.

“Having an agile supply chain can be invaluable in today’s evolving and challenging environment,” said Sidney Johnson, senior vice president, Delphi supply chain management. “We appreciate companies like Valuetronics that help us reach operational excellence - insulating Delphi’s supply chain from unplanned events and circumstances.”

Delphi recognized nine suppliers with its 2016 *Above & Beyond* award.
