<https://ienova.gcs-web.com/es/event-and-presentation>

Additionally, effective first quarter 2020, IEnova reorganized its prior reporting segments. The change does not affect the accounting policies nor the preparation basis of the financial information. This change aligns how the management will evaluate and review the performance of the business. The information is uniformly disclosed according to the new segments for 2020.

The new reporting segments are Gas, Storage and Power.
