The board of directors (the “**Board**”) of Manufacturing Integration Technology Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) refers to the unaudited full year results announcement for the financial year ended 31 December 2019 (“FY2019”) released on 25 Feb 2020 (“Unaudited Results”). Further reference is made to the audited financial statements of the Group for FY2019 (“Audited Financial Statements”) contained in the Company’s Annual Report for FY2019 which will be released via SGXNET and deliver to the Company’s shareholders in due course.

Pursuant to Rule 704(6) of the Listing Manual of the Singapore Exchange Securities Trading Limited, the Board wishes to highlight that there were certain material reclassifications between the audited financial statements for FY2019 and the Unaudited FY2019 Results following the finalisation of the audit. Details and clarifications of the reclassifications are set out as follows.

	Audited	Unaudited	Differences	Note
	S\$’000	S\$’000	S\$’000	
Consolidated Statement of Profit or Loss and Other Comprehensive Income

Profit (loss) from discontinued operations, net of tax	51,402	(1,108)	52,510	2

Note

1. The other income and gains decreased to S\$1,200,000 from S\$53,711,000. 2. See Note 1.

Following to the above reclassifications, there is no impact to the profit (loss) net of tax.
