**PROFIT GUIDANCE FOR THE SIX MONTHS AND  
FULL YEAR ENDED 31 DECEMBER 2025**

---

The Board of Directors (the "**Board**") of HGH Holdings Ltd. (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to announce that following a preliminary assessment of the Group's unaudited consolidated financial statements for the six months ("**2H2025**") and full year ended 31 December 2025 ("**FY2025**"), the Group expects to report a significant improvement in net profit for 2H2025 and FY2025 as compared to the corresponding period for the previous financial period and year.

The improvement is mainly attributed to the stronger operating performance of the Group's business after the commencement of the newly completed ready-mixed plant in first quarter of the year and larger production capacity in the 2H2025 as well as the recommencement of certain projects from the provision of underground cable installations and road reinstatement segment.

The Group is in the process of finalising its unaudited consolidated financial results for 2H2025 and FY2025. Further details of the Group's financial performance will be disclosed when the Company announces the unaudited consolidated financial results for 2H2025 and FY2025, which will be released on or around 27 February 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company. If in doubt as to the action that they should take, they should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers or other professional advisers before trading in or making any investment decision regarding the Company's securities.
