(Incorporated in Peru)

(the “**Company**”)

UPDATES TO NOTEHOLDERS

The Company refers to its announcement dated 12 July 2021 (“**12 July Announcement**”). Unless otherwise expressly stated, defined terms used in this announcement shall bear the meaning given in the 12 July Announcement.

Update on the Applications (HC/OS 665/2021; HC/SUM 3111/2021)

As set out in the 12 July Announcement, the Plan Administrator and CFG Peru had filed the Applications so as to facilitate the implementation of the Chapter 11 Plan. The Applications were originally fixed to be heard by the Singapore Court on 10 August 2021.

The Company wishes to announce that the Applications were not heard on 10 August 2021.

Instead, the Singapore Court has appointed a Young *Amicus Curiae* (“**YAC**”) to assist the Singapore Court in addressing certain points of law arising out of the Applications, and the Singapore Court has also made the following directions in respect of the Applications:

- (a) The YAC shall submit to the Singapore Court its written submissions and bundle of authorities, if any, by 8 September 2021, 4.00pm;
- (b) The Applicants shall file their written responsive submissions and bundle of authorities by 14 September 2021, 4.00pm; and
- (c) The hearing of the Applications is re-fixed for a full-day hearing on 21 September 2021 at 10.00am.

A copy of the Court’s letter to the Applicants’ solicitors, BlackOak LLC, dated 19 August 2021 is enclosed with this announcement.

Soft copies of the cause papers filed by the Plan Administrator and CFG Peru in respect of the Applications will be made available, by email, upon request to holders of the Notes with sufficient proof of holdings being provided. Please contact Dennis Cavero at dcavero@copeinca.com.pe for more information and to address any queries.

The Company will continue to provide regular updates and will make the appropriate announcements as and when there are any material updates or developments. Holders of the Notes who are in doubt as to the action they should take, should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisors.
