PROFIT GUIDANCE FOR THE HALF YEAR ENDED 31 DECEMBER 2025

Singapore, 23 January 2026 – Lion Asiapac Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to issue a profit guidance on the unaudited financial results of the Group for the financial period ended 31 December 2025 (“**Financial Period**”).

Based on a preliminary review, the Group expects to incur a loss for the half year ended 31 December 2025, primarily attributable to the one-off realisation of the foreign currency translation reserve arising from the de-consolidation of Compact Energy Sdn Bhd (“**CESB**”), following the completion of the disposal of CESB, which was disclosed in the first quarter ended 30 September 2025.

Further details on the Group’s performance will be disclosed when the Company announces its financial results for the Financial Period.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. In case of any doubt, they should consult their stockbrokers, bank managers, solicitors or other professional advisers.
