Dear Sir / Madam,

Sub.: Rolta Announcement under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 – Second Restructuring Support Agreement Reached With Ad Hoc Committee of Noteholders

Rolta India Limited and certain of its international subsidiaries (the “**Group**”) is pleased to announce that as of 17 July 2018, it has entered into an agreement to implement a revised restructuring of its US\$300,000,000 8.875% Senior Notes Due 2019 and US\$200,000,000 10.75% Senior Notes due 2018 (together the “**Senior Notes**”) with an ad hoc committee (“**Ad Hoc Committee**”) of holders of its Senior Notes (“**Noteholders**”). The Ad Hoc Committee has signed a Second Restructuring Support Agreement (“**Second RSA**”). The Second RSA contains the material terms of the consensual restructuring (the “**Restructuring**”) that is expected to strengthen the Group’s capital structure and enable its day-to-day business operations to continue without disruption.

“We are very pleased to secure support from the Ad Hoc Committee, whose members represent several of the largest holders of our existing Senior Notes. This is the result of hard work and compromise from all parties. The agreement, when implemented, will reduce the Group’s annual interest expenses by more than 50%. This is a very positive step for Rolta. The Restructuring, which is expected to close in the second half of 2018, will significantly strengthen the Group’s capital structure” said Mr. KK Singh, Executive Chairman of the Group.

The Group and the Ad Hoc Committee entered into a Restructuring Support Agreement on 12 February 2018, which was amended and restated on 2 April 2018 (the “**Initial RSA**”). Due to a delay in the funding of an escrow required under the Initial RSA, the Ad Hoc Committee terminated the Initial RSA. The Group obtained the necessary funds and negotiated the Second RSA with the Ad Hoc Committee. The terms of the Second RSA are substantially similar to the terms of the Initial RSA, but with improved recoveries for Noteholders.

Consummation of the Restructuring (the implementation of which will proceed in accordance with the Second RSA entered into with the Ad Hoc Committee and to which any other Noteholder may accede) will be subject to the execution of other definitive documentation, receipt of all necessary governmental and court approvals under applicable laws, and fulfillment of certain conditions precedent. It is anticipated that the Restructuring will be implemented through a pre-packaged Chapter 11 plan (the “**Plan**”), the solicitation process for which is expected to commence on or before 6 August 2018 (the “**Solicitation Process**”). The purpose of the Restructuring is solely to restructure the Group’s Senior Notes. The Group intends to otherwise continue operating its businesses as usual and continue to fulfill customer, supplier, employee, and other contractual obligations as and when due.

The material terms of the Restructuring are as follows:

- The outstanding amounts under the Senior Notes (including principal and interest) shall be restructured and exchanged for:

ROLTA INDIA LIMITED

- US\$53.0 million of upfront cash (a US\$3.0 million improvement over the Initial RSA), less applicable professional fees of the legal and financial advisers to the Ad Hoc Committee, approximately US\$4.2 million of work fees payable to the Ad Hoc Committee members, and forbearance fees and consent fees payable to the holders of the Senior Notes who sign the Second RSA and vote in favor of the Plan (the “**Initial Cash Payment**”).
- US\$270 million of new 4% PIK unsecured notes due 2019 (“**1-Year Notes**”) that can be redeemed in full prior to maturity for US\$107.5 million (a \$7.5 million improvement over the Initial RSA), and
- US\$230 million of new 4% unsecured notes due 2023 (“**5-Year Notes**”) that can be redeemed in full prior to 1 year for US\$113 million or within 2 years for US\$156 million (excluding unpaid interest which needs to be repaid at par);
- Interest on the 1-Year Notes and 5-Year Notes shall begin accruing from 30 April 2018 and be capitalized or paid in quarterly intervals thereafter.
- In addition to the one and two year redemption rights set forth above, the Group has the right to redeem the 1-Year Notes and 5-Year Notes in full via payment of an additional US\$152 million (a US\$1.5 million improvement over the Initial RSA) within 90 days of the effective date of the Restructuring.
- Forbearance and/or consent fees will be paid to holders of the Senior Notes that accede to the Second RSA and/or vote in favor of the Restructuring. Details of the work fees, forbearance fee and consent fee, and the circumstances in which they shall be payable to holders of Senior Notes, are set out more fully in the Second RSA.

Forbearance Fee and Consent Fee

Subject to certain limitations set forth in the Second RSA, if the Group receives votes in favor of the Plan by more than 50.0% in number and 66-2/3% in dollar amount of the Senior Notes claims held on the date three days prior to the commencement of the Solicitation Process (the “**Record Date**”) by Noteholders voting in respect of the Plan, then each Noteholder who is a party to the Second RSA on the Record Date (“**Consenting Noteholder**”) shall be entitled to receive a forbearance fee (the “**Forbearance Fee**”) equal to one per cent (1.0%) of the aggregate amount of the Senior Notes claims held by that Consenting Noteholder on the Record Date, which shall be paid not later than ten business days after the deadline for voting on the Plan, as provided for under the Second RSA.

In addition, if the Group receives votes in favor of the Plan of more than 50.0% in number and 66 2/3% in dollar amount of Senior Notes claims held on the Record Date by Noteholders voting in respect of the Plan, then each Noteholder who has returned a duly-executed ballot, in accordance with the procedures of the Solicitation Process, pursuant to which such Noteholder either certifies that it is not an accredited investor or votes all of its Senior Notes claims over which it has voting control on the Record Date in favor of the Plan (each, an “**Eligible Noteholder**”) shall be entitled to receive a consent fee (the “**Consent Fee**”), which shall be paid on the Consent Fee Payment Due Date, as provided for under the Second RSA. Subject to certain limitations set forth in the Second RSA, the Consent Fee to which an Eligible Noteholder is entitled under the Second RSA shall be

ROLTA INDIA LIMITED

calculated as an amount equal to: (a) the amount of the “Consent Fee Pool” as shall be determined by reference to and in accordance with the Term Sheet; multiplied by (b) the amount of Senior Notes claims held by such Eligible Noteholder on the Record Date expressed as a percentage of the sum of (i) the aggregate amount of Senior Notes claims held on the Record Date by all Noteholders voting in respect of the Plan and (ii) the aggregate amount of Senior Notes claims held on the Record Date by all Noteholders certifying they are not accredited investors.

Any Noteholder may accede to the Second RSA and, therefore, be eligible to receive the Forbearance Fee. Furthermore, Noteholders, whether they accede to the Second RSA or not, may be eligible to receive the Consent Fee, provided the terms of the Second RSA or Plan (as applicable) are satisfied.

Holders of the Senior Notes are encouraged to request a copy of the Second RSA from the financial advisers listed below to obtain full details relating to the eligibility for, and payment of, the Forbearance Fee and Consent Fee.

The Group is represented by Latham & Watkins as legal counsel and Moelis & Company as financial adviser. The Ad Hoc Committee is represented by Ropes & Gray as legal counsel and Houlihan Lokey as financial adviser.
