To: The Shareholders of Atlantic Navigation Holdings (Singapore) Limited

Dear Sir/Madam

RENEWAL OF SHARE PURCHASE MANDATE**1. INTRODUCTION**

- 1.1** We refer to the notice of the 2016 AGM dated 12 April 2016 ("**Notice**") accompanying the Annual Report convening the 2016 AGM to be held on 28 April 2016 and Resolution 8 under the heading "Special Business" set out in the Notice. The purpose of this Appendix is to provide Shareholders with information relating to, and to seek their approval for, the proposed renewal of the Share Purchase Mandate.
- 1.2** At the 2015 AGM, Shareholders had approved the renewal of the Share Purchase Mandate to enable the Company to purchase or otherwise acquire the Shares. The Share Purchase Mandate will expire on the date of the forthcoming 2016 AGM, being 28 April 2016. Accordingly, the Directors propose that the Share Purchase Mandate be renewed at the forthcoming 2016 AGM, to take effect until the conclusion of the next following AGM or such date as the next AGM is required by law to be held, unless prior thereto, the Share Purchase is carried out to the full extent mandated or the Share Purchase Mandate is revoked or varied by the Company in a general meeting.
- 1.3** The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Appendix.

2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE**2.1 Rationale for the Share Purchase Mandate**

The rationale for the Company to undertake the purchase or acquisition of its Shares, as previously stated in Clause 2.2 of the Company's appendix to Shareholders dated 14 April 2015 is as follows:

- (a) the Board constantly seeks to increase Shareholders' value and to improve, *inter alia*, the return on equity of the Company. The proposed renewal of the Share Purchase Mandate would allow the Company to have the flexibility to undertake purchases of its issued Shares at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force. Purchases of Shares at the appropriate price level is one of the ways through which the return on equity of the Company may be enhanced;

LETTER TO SHAREHOLDERS

- (b) the Share Purchase Mandate will also facilitate the return to the Shareholders by the Company of surplus cash (if any) which is in excess of the Group's financial needs and/or ordinary capital requirements in an expedient and cost-effective manner;
- (c) the Share Purchase Mandate will allow the Company to have greater flexibility over the Company's share capital structure with a view to enhancing the EPS and/or NTA value per Share; and
- (d) the Board believes that Share Purchases by the Company may help to mitigate short-term market volatility in the Company's share price, off-set the effects of short-term share price speculation and bolster Shareholders' confidence and employees' morale.

In addition, subject to the Act, the Share Purchase Mandate may be used to purchase existing Shares which may then be held as treasury shares. Such treasury shares may consequently be transferred for the purposes of or pursuant to the options or awards granted in relation to the Company's employee share option scheme known as the Atlantic 2008 Employee Share Option Scheme and the Atlantic 2015 Employee Share Option Scheme, the performance share plan known as the Atlantic 2015 Performance Share Plan and/or the restricted share plan known as the Atlantic 2015 Restricted Share Plan. The Atlantic 2008 Employee Share Option Scheme has been terminated on 29 April 2015. For avoidance of doubt, the termination of the Atlantic 2008 Employee Share Option Scheme shall not affect the outstanding options which have been granted and accepted but remain unexercised (whether fully or partially) at the said termination.

The Board will decide (i) whether to effect the Share Purchases via Market Purchases or Off-Market Purchases (each defined in section 2.2.3 below); and (ii) whether the Shares purchased should be held as treasury shares or cancelled, after taking into account the amount of surplus cash (if any) available, the prevailing market conditions and the most cost-effective and efficient approach. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate will only be made when the Board believes that such purchases or acquisitions would be made in circumstances which would not have a material adverse effect on the financial position of the Company and the Group and when the Board believes that such purchases or acquisitions would benefit the Company, the Group and its Shareholders.

2.2 Authority and Limits of the Share Purchase Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Share Purchase Mandate, if renewed at the 2016 AGM, are the same as previously approved at the 2015 AGM and are summarised below:

2.2.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate shall not exceed 10% of the total number of issued Shares of the Company as at the date of the AGM on which the resolution authorising the renewal of the Share Purchase Mandate is passed, unless the Company has, at any time during the Relevant Period, reduced its share capital by a special resolution under Section 78C of the Act, or the court has, at any time during the Relevant Period, made an order under Section 78I of the Act confirming the reduction of share capital of the Company, in which event the total number of Shares shall be taken to be the total number of Shares as altered by the special resolution of the Company or the order of the court, as the case may be. For purposes of calculating the percentage of issued Shares referred to above, any of the Shares which are held as treasury shares will be disregarded.

LETTER TO SHAREHOLDERS

For illustrative purposes only, based on the existing issued and paid-up share capital of the Company as at the Latest Practicable Date comprising 260,593,750 Shares and assuming no further Shares are issued on or prior to the 2016 AGM, no more than 26,059,375 Shares, representing 10% of the issued share capital of the Company as at that date, may be purchased or acquired by the Company pursuant to the Share Purchase Mandate.

2.2.2 Duration of Authority

Purchases or acquisitions of Shares may be made during the Relevant Period, which is at any time and from time to time, on and from the 2016 AGM at which the renewal of the Share Purchase Mandate is approved, up to the earliest of:

- (a) the date on which the next AGM is held or required by law to be held;
- (b) the date on which the purchases or acquisitions of Shares by the Company pursuant to the Share Purchase Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by Shareholders in a general meeting.

The Share Purchase Mandate may be renewed at each AGM or other general meetings of the Company.

2.2.3 Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchase(s) ("**Market Purchase**"), transacted on Catalist through the ready market, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (b) off-market purchase(s) ("**Off-Market Purchase**") effected pursuant to an equal access scheme in accordance with Section 76C of the Companies Act and the Catalist Rules.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Catalist Rules and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (aa) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (bb) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - (cc) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

LETTER TO SHAREHOLDERS

In addition, the Catalist Rules provide that if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it must issue an offer document to all Shareholders containing at least the following information:

- (1) the terms and conditions of the offer;
- (2) the period and procedures for acceptances;
- (3) the reasons for the proposed Share Purchases;
- (4) the consequences, if any, of Share Purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (5) whether the Share Purchases, if made, would have any effect on the listing of the Shares on Catalist;
- (6) details of any Share Purchases made by the Company in the previous 12 months (whether through Market Purchases or Off-Market Share Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the Share Purchases, where relevant, and the total consideration paid for the Share Purchases; and
- (7) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

2.2.4 Maximum Purchase Price

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors. The purchase price to be paid for the Shares as determined by the Directors must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined below) of the Shares; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price (as defined below) of the Shares,

in each case, excluding related expenses of the purchase or acquisition (the “**Maximum Price**”).

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days on which the Shares are transacted on Catalist immediately preceding the date of the Market Purchase by the Company or, as the case may be, the Offer Date pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the Catalist Rules, for any corporate action that occurs after the relevant five-day period;

“**Offer Date**” means the date on which the Company announces its intention to make an offer for the purchase or acquisition of the Shares to holders of the Shares, stating the purchase price (which shall not be more than the Maximum Price determined on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

LETTER TO SHAREHOLDERS

2.3 Status of Purchased Shares

Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation) unless such Shares are held by the Company as treasury shares in accordance with the Act.

The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

Any Shares purchased or acquired by the Company and cancelled will be automatically delisted by the SGX-ST. Certificates in respect of purchased or acquired Shares that are cancelled by the Company will be cancelled by the Company as soon as reasonably practicable following settlement of any purchase or acquisition of such Shares.

At the time of each purchase of Shares by the Company, the Directors will decide whether the Shares purchased will be cancelled or kept as treasury shares, or partly cancelled and partly kept as treasury shares, depending on the needs of the Company and as the Directors deem fit in the interests of the Company at that time.

2.4 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

2.4.1 Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares. Any Shares in excess of this limit shall be disposed of or cancelled in accordance with Section 76K of the Act within six (6) months or such further periods as ACRA may allow.

2.4.2 Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares and any purported exercise of such right is void. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision of any treasury shares into treasury shares of a larger amount, or a consolidation of any treasury shares into treasury shares of a smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

2.4.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time (but subject always to the Take-over Code):

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;

LETTER TO SHAREHOLDERS

- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

In addition, under the Catalist Rules, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed before and after such sale, transfer, cancellation and/or use and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.5 Source of Funds

The Company may not purchase or acquire its Shares on Catalist for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Any Share Purchases may be made only if the Company is solvent, and out of the Company's capital or profits. It is an offence for a Director or manager of the Company to approve or authorise the Share Purchases, knowing that the Company is not solvent. For this purpose, a company is solvent if at the date of the payment referred to in Section 76F(1) of the Companies Act:

- (a) there is no ground on which the company could be found to be unable to pay its debts;
- (b) if –
 - (i) it is intended to commence winding up of the company within the period of 12 months immediately after the date of the payment, the company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities), having regard to its most recent financial statements and all other circumstances that its directors or managers know or ought to know affect or may affect such values, and will not, after the proposed purchase, acquisition, variation or release (as the case may be), become less than the value of its liabilities (including contingent liabilities).

The Company intends to use internal sources of funds, external borrowings or a combination of both to finance the purchases or acquisition of the Shares. The Directors will principally consider the availability of internal resources. In considering the option of external financing, the Directors will consider particularly the prevailing gearing level of the Company and the Group. The Directors do not propose to exercise the Share Purchase Mandate in such a manner and to such an extent that the liquidity and capital adequacy position of the Company and the Group would be materially adversely affected.

LETTER TO SHAREHOLDERS

2.6 Financial Effects

The financial effects arising from a purchase or acquisition of Shares pursuant to the Share Purchase Mandate on the Group and the Company will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company or the Group, the number of Shares purchased or acquired, the consideration paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effect on the audited financial statements of the Group and the Company will depend, *inter alia*, on the factors set out below:

2.6.1 Purchase or Acquisition out of Profits and/or Capital

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding brokerage, stamp duties commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, such consideration will correspondingly reduce the share capital of the Company but the amount available for the distribution of cash dividends by the Company will not be reduced.

2.6.2 Number of Shares Acquired or Purchased

Based on the 260,593,750 issued Shares as at the Latest Practicable Date and assuming no further Shares are issued on or prior to the 2016 AGM, the exercise in full of the Share Purchase Mandate would result in the purchase or acquisition of 26,059,375 Shares, representing 10% of 260,593,750 issued Shares.

2.6.3 Maximum Price Paid for Shares Acquired or Purchased

Assuming that the Company purchases or acquires 26,059,375 Shares at the Maximum Price, the maximum amount of funds required (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) will be as follows:

- (i) in the case of Market Purchases, approximately US\$7,237,000* (equivalent to approximately S\$9,823,000) based on the Maximum Price of US\$0.278* per share (equivalent to S\$0.377 per Share, being 105% of the Average Closing Price of a Share immediately preceding the Latest Practicable Date); and
- (ii) in the case of Off-Market Purchases, approximately US\$8,271,000* (equivalent to approximately S\$11,226,000) based on the Maximum Price of US\$0.317* per share (equivalent to S\$0.431 per Share, being 120% of the Average Closing Price of a Share immediately preceding the Latest Practicable Date).

*Note: Based on the exchange rate of US\$1:S\$1.3574, as quoted by Bloomberg L.P. on the Latest Practicable Date.

LETTER TO SHAREHOLDERS

2.6.4 Illustrative Financial Effects

For illustrative purposes only, based on the basis of the assumptions set out in sections 2.6.1 to 2.6.3 of this Appendix, and assuming the purchase or acquisition of Shares are entirely funded by the Group's existing cash and cash equivalents, as well as long-term borrowings of US\$5,000,000, the financial effects of:

- (i) the purchase or acquisition of 26,059,375 Shares by the Company pursuant to the Share Purchase Mandate by way of Market Purchases made entirely out of capital and cancelled or held in treasury; and
- (ii) the purchase or acquisition of 26,059,375 Shares by the Company pursuant to the Share Purchase Mandate by way of Off-Market Purchases made entirely out of capital and cancelled or held in treasury,

on the audited financial statements of the Company and the Group for financial year ended 31 December 2015 are set out below:

LETTER TO SHAREHOLDERS

Notes:

- (1) Total Shareholders' funds exclude minority interests. There are no minority interests in the Group.
- (2) NTA refers to net assets less intangible assets and minority interests. There are no minority interests in the Group.
- (3) NTA per Share is computed based on the NTA (i.e. net assets less intangible assets and minority interests) divided by the number of Shares issued (exclude treasury shares). There are no minority interests in the Group.
- (4) Gearing ratio equals to total borrowings divided by total Shareholders' funds.
- (5) Current ratio equals to current assets divided by current liabilities.
- (6) The Company's current assets of US\$28.4 million as at 31 December 2015 comprise cash and cash equivalents of US\$0.8 million, prepayments of approximately US\$27,000, and an amount due from a subsidiary, Atlantic Maritime Group FZE ("AMG"), of US\$27.5 million. AMG holds cash and cash equivalents totalling US\$3.5 million as at 31 December 2015. For illustrative purposes, in computing the financial effects of the Share Purchase, the Company assumes that the long-term borrowings of US\$5.0 million would be taken up by AMG and AMG would repay its amount due to the Company.
- (7) Notwithstanding the negative working capital, the Group has sufficient standby credit facilities to meet its working capital requirements.

Shareholders should note that the financial effects, based on the respective aforementioned assumptions, are for illustrative purposes only. In particular, it is important to note that it is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions that may be made pursuant to the Share Purchase Mandate on the NTA per Share and EPS as the resultant effect would depend on the factors such as the aggregate number of Shares purchased, the purchase price paid at the relevant time, and the amount (if any) borrowed by the Company to fund the purchases or acquisitions. The above analysis is based on historical numbers as at 31 December 2015, and is not necessarily representative of future financial performance of the Company and the Group.

It should also be noted that purchases or acquisitions of Shares by the Company pursuant to the Share Purchase Mandate would only be made in circumstances where it is considered to be in the best interests of the Company, and the purchases or acquisitions of Shares may not be carried out to the full 10% as mandated. In addition, the Company may cancel, or hold as treasury shares, all or part of the Shares purchased or otherwise acquired. Further, the Directors would emphasise that they do not propose to carry out Share Purchases to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Company or the Group, or results in the Company being delisted from Catalist. The Company will take into account both financial and non-financial factors (for example, share market conditions and the performance of the Shares) in assessing the relative impact of a Share Purchase before execution.

2.7 Requirements under the Act

Within 30 days of the passing of a Shareholders' ordinary resolution to approve any purchase or acquisition of Shares by the Company, the Company shall lodge a copy of such ordinary resolution with ACRA.

The Company shall notify ACRA within 30 days of a purchase or acquisition of Shares on Catalist or otherwise. Such notification shall include details of the purchase, including the date of the purchase or acquisition, the total number of Shares purchased or otherwise acquired by the Company, the number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued share capital before the purchase or acquisition of Shares, the Company's issued share capital after the purchase or acquisition of Shares, the amount of consideration paid by the Company for the purchase or acquisition, whether the Shares were purchased or acquired out of profits or the capital of the Company and such other particulars as may be required by ACRA.

LETTER TO SHAREHOLDERS

Within 30 days of the cancellation or disposal of treasury shares in accordance with the provisions of the Act, the Directors shall lodge with ACRA the notice of cancellation or disposal of treasury shares in the prescribed form as required by ACRA.

2.8 Requirements under the Catalist Rules

The Catalist Rules specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer for the Off-Market Purchase.

Such announcement (which must be in the form of Appendix 8D to the Catalist Rules) must include, *inter alia*, the details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, and the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and the number of treasury shares held after the purchase.

The Catalist Rules does not expressly prohibit any purchase or acquisition of its own shares by a listed company during any particular time or times. However, as the Company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after a price-sensitive development has occurred or has been the subject of a decision of the Directors until such time as the price-sensitive information has been publicly announced or disseminated in accordance with the requirements of the Catalist Rules.

In particular, the Company would not purchase or acquire any Shares through Market Purchases during the period of one (1) month immediately preceding the announcement of the Company’s full-year results and the period of two (2) weeks before the announcement of the first quarter, second quarter and third quarter results of the financial year.

The Company does not have any individual shareholding limit or foreign shareholding limit. Rule 723 of the Catalist Rules requires a listed company to ensure that at least 10% of any class of its listed securities (excluding treasury shares, preference shares and convertible equity securities) must be held by public shareholders. The term “**public**”, as defined under the Catalist Rules, are persons other than (i) the Directors, chief executive officer, Substantial Shareholders or Controlling Shareholder of the Company and its Subsidiaries; and (ii) Associates of the persons in (i).

Based on the Register of Directors’ Shareholdings and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, approximately 54,119,750 issued Shares were held by the public, representing approximately 20.8% of the total number of issued Shares. Assuming the Company exercises the Share Purchase Mandate in full and purchases 10% of the issued ordinary share capital of the Company through Market Purchases from the public, the public float would be reduced to approximately 28,060,375 issued Shares, representing approximately 12.0% of the issued ordinary share capital of the Company.

In undertaking any Share Purchases, the Directors will use their best efforts to ensure that, notwithstanding such purchases, a sufficient number of Shares remain in public hands so that the Share Purchases will not:

- (a) adversely affect the listing status of the Shares on Catalist;

LETTER TO SHAREHOLDERS

- (b) cause market illiquidity; or
- (c) adversely affect the orderly trading of Shares.

2.9 Take-over Implications

Appendix 2 of the Take-over Code contains the Share Purchase Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

2.9.1 Obligation to Make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of the Take-over Code. If such increase results in the change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code.

2.9.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will be presumed to be acting in concert:

- (a) a company with its parent company, subsidiaries, fellow subsidiaries, any associated companies of the foregoing companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights;
- (b) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts, which is subject to an offer or where the directors have reason to believe a *bona fide* offer for their company may be imminent;
- (g) partners; and

LETTER TO SHAREHOLDERS

- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing persons and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons and/or entities for the purchase of voting rights.

For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

2.9.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its issued Shares, the voting rights of such Directors and the persons acting in concert with them would increase to 30% or more, or in the event that such Directors and the persons acting in concert with them hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and the persons acting in concert with them would increase by more than 1% in any period of six (6) months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder who is not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such a Shareholder need not abstain from voting in respect of the ordinary resolution authorising the Share Purchase Mandate.

The Statements in this Appendix do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders are advised to consult their professional advisers and/or the Securities Industry Council at the earliest opportunity as to whether an obligation to make a takeover offer under the Take-over Code would arise by reason of any Share Purchases by the Company.
