## **POSITIVE PROFIT GUIDANCE FOR THE HALF YEAR ENDED 28 FEBRUARY 2023**

---

The Board of Directors of Second Chance Properties Ltd (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to announce that, based on the information currently available and the management’s preliminary review of the unaudited consolidated financial statements of the Group for the half year ended 28 February 2023 ( “**1H2023**”), it is expected that the Group’s net profit attributable to shareholders of the Company for 1H2023 will increase significantly when compared to the net profit after tax of \$4,601,550 for the financial period ended 28 February 2022.

The expected increase in the Group’s net profit for 1H2023 is mainly attributable to the gain on disposal of few investment properties.

Additionally, there is a realized gain of \$9.46 million upon cash acquisition as well as disposal of few equity instruments held by the Group and classified as financial assets, at fair value through other comprehensive income. This gain however, is taken directly to equity through retained earnings.

The Group is still in the process of finalising the results for 1H2023. The information contained in this announcement is only a preliminary assessment based on the consolidated management accounts of the Group which has not been reviewed by the Audit Committee of the Company or confirmed by the auditors of the Company, and may be subject to adjustments. The Board expects the announcement of the unaudited financial statements of the Group for half year ended 28 February 2023 to be released on or around 29 March 2023.
