3. PURPOSE, ELIGIBLE PARTICIPANTS AND OFFERS TO GRANT OPTIONS

(A) The purpose of the Scheme is to enable the Board to grant Options to Eligible Participants as incentives or rewards for their contribution or potential contribution to the success of the Group’s operations.

- (B) The eligibility of any of the Eligible Participants shall be determined by the Board from time to time on the basis of the Board's opinion as to the Eligible Participant's contribution to the success of the Group's operations. In assessing whether Options are to be granted to any Eligible Participant, the Board shall take into account various factors, including but not limited to the nature and extent of contributions provided by such Eligible Participant to the Group, the special skills or technical knowledge possessed by them which is beneficial to the continuing development of the Group, the positive impact which such Eligible Participant has brought to the Group's operations and whether granting the Options to such Eligible Participant is an appropriate incentive to such Eligible Participant to continue to contribute towards the Group's operations.
- (C) Subject to these Rules, the Board may, at any time and from time to time during the Scheme Period on a business day, at its absolute discretion and on and subject to such terms, conditions, restrictions or limitations as it may think fit in writing offer to grant Options, which may be accepted at a total consideration of HK\$10.00 or such other amount as the Board may determine, to Eligible Participants to subscribe at the Option Price for such numbers of Shares as the Board may determine, provided that the Company may not grant any Options after inside information has come to its knowledge until (and including) the business day after it has announced the information. In particular, the Company may not grant any Option during the period commencing one (1) month immediately before the earlier of:
- (1) the date of the Board meeting (as such date is first notified to the Hong Kong Stock Exchange under the Hong Kong Listing Rules) for approving the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Hong Kong Listing Rules); and
 - (2) the deadline for the Company to announce its results for any year or half-year under the Hong Kong Listing Rules, or quarterly or any other interim period (whether or not required under the Hong Kong Listing Rules),
- and ending on the date of the results announcement. No Option may be granted during any period of delay in publishing a results announcement. No Option may be granted to any Director during the periods or times in which such Director is prohibited from dealing in the Shares pursuant to the Model Code.
- (D) Any offer to grant an Option shall be made in writing and shall specify the Option Price, the number of Shares covered by such Option and any terms and conditions, restrictions and/or limitations applicable to the Option and the Option Period and shall include a statement to the effect that any acceptance thereof shall render the Eligible Participant to whom the offer is made bound by the provisions of the Scheme.
- (E) As soon as possible upon the granting by the Company of an Option under the Scheme, the Company shall publish an announcement setting out the details in Rules 17.06A, 17.06B and 17.06C of the Hong Kong Listing Rules and/or other rule requirements specified under the Hong Kong Listing Rules from time to time.

4. NUMBER OF SHARES FOR WHICH OPTIONS MAY BE GRANTED

- (A) Subject to Rules 4(B) and 4(C), the total number of Shares which may be issued in respect of all options and awards to be granted under the Scheme and any other share schemes of the Company (excluding, for this purpose, those Shares underlying all Options or awards which have lapsed in accordance with the terms of the Scheme and any other share schemes of the Company (as the case may be)) must not in aggregate exceed 10% of the Shares in issue as at the Adoption Date (the “**Scheme Mandate Limit**”).

The options or awards granted under the Scheme or any other share schemes of the Company which have been cancelled (not being options and awards which have lapsed in accordance with the terms of the Scheme or (as the case may be) any other share schemes of the Company) will be regarded as having utilized for the purpose of calculating the Scheme Mandate Limit. For the avoidance of doubt, where the Company cancels options or awards (including Options under the Scheme) granted to an Eligible Participant, and makes a new grant to the same Eligible Participant, such new grant may only be made with available Scheme Mandate Limit approved by the Shareholders.

- (B) The Scheme Mandate Limit may be refreshed at any time by obtaining approval of the Shareholders in general meeting after three (3) years from the Adoption Date (or, as the case may be, the last refreshment of such limit) provided that the new Scheme Mandate Limit as refreshed (the “**New Scheme Mandate Limit**”) must not exceed 10% of the Shares in issue at the date of the Shareholders’ approval of such New Scheme Mandate Limit. Options previously granted under the Scheme or any other share schemes of the Company (including those exercised, outstanding, cancelled or lapsed in accordance with the terms of this Scheme or any other share schemes of the Company) will not be counted for the purpose of calculating the total number of Shares subject to the New Scheme Mandate Limit. The Company must send a circular to the Shareholders containing the number of Options and awards that were already granted under the existing scheme mandate limit, and the reason for the refreshment.
- (C) Any refreshment of the Scheme Mandate Limit within any three-year period must be approved by the Shareholders, where any Controlling Shareholders and their associates (or if there is no Controlling Shareholder, Directors (excluding independent non-executive Directors) and the chief executive of Company and their respective associates) must abstain from voting in favour of the relevant resolution at the general meeting and in accordance with the requirements under the Hong Kong Listing Rules.
- (D) The Company may also, by obtaining separate approval of the Shareholders in general meeting, grant Options beyond the Scheme Mandate Limit provided the Options in excess of the Scheme Mandate Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. The Company must send a circular to the Shareholders containing the name of each specified Eligible Participant who may be granted such Options, the number and terms of the Options to be granted to each specified Eligible Participant, and the purpose of granting Options to the specified Eligible Participants with an explanation as to how the terms of the Options serve such purpose. The number and terms of Options to be granted to such specified Eligible Participants must be fixed before Shareholders’ approval. In respect of any Options to be granted under this Rule 4(D), the date of the Board meeting for proposing

such grant should be taken as the Date of Grant for the purpose of determining the Option Price.

- (E) Where any grant of Options to an Eligible Participant would result in the Shares issued and to be issued in respect of all options and awards granted to such Eligible Participant (excluding any options and awards lapsed in accordance with the terms of the share schemes of the Company) in the 12-month period up to and including the date of such grant representing in aggregate over 1% of the Shares in issue (the “**1% individual limit**”), such grant must be separately approved by Shareholders in general meeting with such Eligible Participant and his/her close associates (or associates if the Eligible Participant is a connected person) abstaining from voting. The identity of the Eligible Participant, number and terms of the Options to be granted shall be fixed before Shareholders’ approval and the Company shall send a circular to the Shareholders which shall contain the information required by the Hong Kong Listing Rules. In respect of any Options to be granted under this Rule 4(E), the date of the Board meeting for proposing such further grant should be taken as the Date of Grant for the purpose of determining the Option Price.
- (F) If the Company conducts a share consolidation or subdivision after the Scheme Mandate Limit has been approved in general meeting, the maximum number of Shares that may be issued in respect of all options or awards (including Options granted under the New Share Option Scheme) to be granted under all of the share schemes of the Company under the Scheme Mandate Limit as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same, rounded to the nearest whole Share.
- (G) Each grant of an Option to a Director, chief executive or Substantial Shareholder of the Company (or any of their respective associates) must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Option).
- (H) If a grant of Options to a Substantial Shareholder of the Company or an independent non-executive Director (or any of their respective associates) would result in the Shares issued and to be issued in respect of all Options and awards granted (excluding any Options and awards lapsed in accordance with the terms of the Scheme) to such person in the 12-month period up to and including the date of such grant representing in aggregate over 0.1% of the Shares in issue, such further grant of Options is required to be approved by Shareholders at a general meeting. The grantee, his/her associates and all core connected persons of the Company shall abstain from voting in favour at such general meeting. The number and terms of the Options to be granted shall be fixed before Shareholders’ approval and the Company shall send a circular to Shareholders which shall contain the information and the independent non-executive Directors’ views required by the Hong Kong Listing Rules.
- (I) Any change in the terms of an Option granted to a Director, chief executive or Substantial Shareholder of the Company or (any of their respective associates) must be approved by Shareholders in the manner as set out in Rule 17.04(4) of the Hong Kong Listing Rules if the initial grant of the Option requires such approval (except where the changes take effect automatically under the existing terms of the Scheme).

5. ACCEPTANCE OF OFFERS, GRANT OF OPTIONS AND VESTING PERIOD

- (A) Offers to grant an Option shall be open for acceptance in writing, which must be received by the Secretary within a period of twenty one (21) days (subject to any determination otherwise by the Board) inclusive of, and from, the Offer Date provided that:

- (G) An Option shall be personal to the Option Holder and shall not be transferable or assignable and no Option Holder shall in any way sell, transfer, charge, mortgage, encumber or create any interest in favour of any third party over or in relation to any Option. Any breach of the foregoing shall entitle the Company to cancel any outstanding Option or part thereof granted to such Option Holder.

- (A) Subject to Rule 5(D) and any vesting period as specified in the offer of the grant of an Option, if an Option Holder who at the time of grant of an Option to him was an Eligible Participant ceases to be such an Eligible Participant:
- (i) by reason of ill health or injury or disability (all evidenced to the satisfaction of the Board) or death, then he or (as the case may be) his personal representative(s) may exercise his outstanding Option within six (6) months after he so ceases or up to the expiration of the Option Period, whichever is earlier, and such Option to the extent not so exercised shall lapse and determine at the end of the said period of six (6) months or at the expiration of the Option Period, whichever is earlier; or

Subject thereto, all Options then outstanding shall lapse and determine on the commencement of the winding-up.
- (D) If under the Companies Act a compromise or arrangement (not being a scheme of arrangement referred to under Rule 7(B)) between the Company and Shareholders or the Company's creditors is proposed for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies, the Company shall give notice thereof to all Option Holders on the same date as it despatches the notice which is sent to each Shareholder or creditor of the Company summoning the meeting to consider such a compromise or arrangement, and thereupon each Option Holder (or where permitted his personal representative(s)) may forthwith and until the expiry of the period commencing with such date and ending with the earlier of the date falling two (2) calendar months thereafter and the date on which such compromise or arrangement is sanctioned by the court of the Cayman Islands be entitled to exercise his Option, but the exercise of an Option as aforesaid shall be conditional upon such compromise or arrangement being sanctioned by the court of the Cayman Islands and becoming effective. Upon such compromise or arrangement becoming effective, all Options for the time being outstanding shall lapse except insofar as previously exercised under this Rule. The Company may thereafter require each Option Holder to transfer or otherwise deal with the Shares issued as a result of the exercise of Options in these circumstances so as to place the Option Holder in the same position as nearly as would have been the case had such Shares been subject to such compromise or arrangement.

8. PERFORMANCE TARGET AND CLAWBACK MECHANISM

- (A) There is no performance target that is generally applicable to the Options, subject to the Board's determination to impose such performance target on a case-by-case basis. - (A) Save for the vesting period as specified in the offer of the grant of an Option and save as provided in Rules 5(D), 6 and 7, Options for the time being outstanding may be exercised in whole or in part at any time during the Option Period. In order for the exercise of an Option to be effective, the Option Holders shall have to use the platform provided by the relevant securities house(s) as specified by the Company (the “**Platform**”) or by such other methods as prescribed by the Company from time to time. The Subscription Price shall have to be paid in full through such platform at the time of the exercise. - (i) a written notice from the Option Holder (to be given in any one of the manners set forth in Rule 5(B) exercising the Option, signed by or (in case of a corporation) on behalf of the Option Holder and specifying the number of Shares in respect of which the Option is being exercised; and
 - (ii) payment in full of the Subscription Price.

Unless otherwise agreed between the Company and the Option Holder, within thirty (30) days of the date upon which the exercise of an Option becomes effective (being the date of receipt of acceptance of the offer), the Shares in respect of which such Option has been exercised shall be allotted and issued and a share certificate in respect of the Shares so allotted shall be issued to the Option Holder.

- (B) The Option shall be capable of exercise in part as long as the Platform allows such exercise. The Option may be capable of exercise in part (other than to the full extent outstanding) except that the Board shall have the right and discretion to request such partial exercise of the Option to be in such amount or number of Shares as shall represent the board lot in which Shares are for the time being traded on the Hong Kong Stock Exchange or an integral multiple thereof.
- (C) Subject to the terms of the Scheme, an Option may be exercised in whole or in part at any time during the period to be determined and identified by the Board to each grantee at the time of making an offer for the grant of an Option, but in any event no later than ten (10) years from the Date of Grant.
- (D) The Shares to be allotted upon the exercise of an Option will be subject to all the provisions of the articles of associations of the Company for the time being in force and will rank pari passu in all respects with the fully paid Shares in issue on the date on which such Shares are allotted and, accordingly, will entitle the holders of such Shares to participate in all dividends or other distributions paid or made on or after the date on which such Shares are allotted, other than any dividends or other distributions previously declared or recommended or resolved to be paid or made with respect to a record date which shall be before the date of allotment. A Share allotted and issued upon

the exercise of an Option shall not carry voting rights until the name of the grantee has been duly entered on the register of members of the Company as the holder thereof.

- (E) All grants of Options and/or allotments and issuances of Shares hereunder will be subject to any necessary consents to be obtained by the relevant Option Holder under any relevant enactments or regulations for the time being in force in the Cayman Islands or elsewhere and it shall be the responsibility of the Option Holder to comply with any requirements to be fulfilled in order to obtain or obviate the necessity for any such consent and the Company shall not be liable for any failure on the part of the Option Holder to make such compliance or for any tax or other liability to which an Option Holder may become subject as a result of his participation in the Scheme.
- (F) If the Option is exercised in part, the balance shall be reflected on the Platform accordingly. For the avoidance of doubt, in the absence of manifest mistake or error, information as shown on the Platform shall be deemed as final and conclusive.
- (G) If, at the time of issue of Shares pursuant to the exercise of an outstanding Option, Shares already in issue are listed on the Hong Kong Stock Exchange, then forthwith after such exercise the Company shall, if the Shares to be issued upon the exercise of such Option have not been granted listing on and permission to deal in the Hong Kong Stock Exchange, use all reasonable endeavours to procure that the Shares to be issued upon the exercise of such Option shall, upon the issue thereof (or as soon thereafter as reasonably practicable), become listed on the Hong Kong Stock Exchange and that permission to deal in such Shares be granted by the Hong Kong Stock Exchange.
