JOINT ANNOUNCEMENT

PROPOSED VOLUNTARY DELISTING OF MEMORIES GROUP LIMITED

1. **INTRODUCTION**

- 1.1 Memories Group Limited ("**MGL**" or the "**Company**") and Memories (2022) Pte. Limited (the "**Offeror**") wish to jointly announce that the Offeror has presented to the board of directors of MGL (the "**Directors**") a formal proposal to seek the voluntary delisting of MGL (the "**Delisting**") (the "**Delisting Proposal**") from the Catalist of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") pursuant to Rules 1307 and 1308 of the SGX-ST Listing Manual Section B: Rules of Catalist (the "**Catalist Rules**").
- 1.2 Under the Delisting Proposal, SAC Capital Private Limited ("**SAC Capital**") will make, for and on behalf of the Offeror, an exit offer (the "**Exit Offer**") in cash or new ordinary shares in the Offeror, conditional on the obtaining of the Shareholders' Approval (as defined in paragraph 2.1 below), to acquire all the issued ordinary shares in the capital of MGL ("**Shares**")¹ (which shall, for the avoidance of doubt, include any Shares issued pursuant to the exercise of instruments convertible into, rights to subscribe for, and options in respect of, Shares, convertible securities or which carry voting rights during the offer period), as at the date of the Exit Offer.
- 1.3 Based on the latest information available to the Offeror and save as disclosed at paragraphs 3.23 to 3.26 and 6.2 below, there are no outstanding instruments convertible into, rights to subscribe for, nor options (whether pursuant to an employee share option scheme or otherwise) in respect of, securities which carry voting rights of the Company (collectively, "**Options**") as at the date of this Joint Announcement (the "**Joint Announcement Date**"). In view of the foregoing and the ruling of the Securities Industry Council ("**SIC**") set out in paragraph 3.26, the Offeror will not make an offer to acquire any Options.
- 1.4 The Directors have reviewed the Delisting Proposal and have resolved to (a) apply to the SGX-ST for the Delisting; and (b) subject to the approval of the SGX-ST, convene an extraordinary general meeting of MGL ("**EGM**") to seek the approval of the shareholders of MGL (the "**Shareholders**") for the Delisting pursuant to Rules 1307 and 1308 of the Catalist Rules.

¹ In this Joint Announcement, unless otherwise stated, all references to the total number of issued Shares shall be to 502,170,955 Shares. MGL does not have any treasury shares as at the Joint Announcement date. For reference only, the maximum potential issued share capital of MGL will comprise 506,061,595 Shares assuming that the Second Tranche Shares (as defined in paragraph 6.2(ii) below) have been allotted and issued, but excluding the Conversion Shares (as defined in paragraph 3.24 below).

2. CATALIST RULES PROVISIONS PERTAINING TO THE DELISTING

2.1 Under Rule 1307 of the Catalist Rules, the SGX-ST may agree to an application by MGL to delist from the Catalist if:

- (i) MGL convenes an EGM to obtain approval of the Shareholders for the Delisting; and
- (ii) the resolution to approve the Delisting (the "**Delisting Resolution**") has been approved by a majority of at least seventy-five per cent (75%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings) held by the Shareholders present and voting, on a poll, either in person or by proxy at the EGM. The Offeror and parties acting in concert with it (collectively, the "**Offeror Concert Party Group**") must abstain from voting on the Delisting Resolution,

(collectively, the "**Shareholders' Approval**").

2.2 In addition, under Rule 1308 of the Catalist Rules, if MGL is seeking to delist from the SGX-ST:

- (i) an Exit Offer must be made to the Shareholders and holders of any other classes of listed securities to be delisted. The Exit Offer must: (i) be fair and reasonable; and (ii) include a cash alternative as the default alternative; and
- (ii) MGL must appoint an independent financial adviser to advise on the Exit Offer and the independent financial adviser must opine that the Exit Offer is fair and reasonable.

3. THE DELISTING PROPOSAL

3.1 The Exit Offer is extended to all Shareholders holding Offer Shares (as defined in paragraph 3.2 below) as at the date of the Exit Offer.

Exit Offer Consideration

3.2 The consideration for the Exit Offer (the "**Exit Offer Consideration**") payable by the Offeror for all the Shares other than those held as treasury shares and those held, directly or indirectly, by the Offeror as at the date of the Exit Offer ("**Offer Shares**") will be, at the election of the Shareholders:

For each Offer Share : EITHER

S\$0.047 in cash (the "Cash Consideration**");**

OR

in lieu of the Cash Consideration, one (1) new ordinary share in the capital of the Offeror (the "New Offeror Share**") at the price of S\$0.047 ("**Issue Price**") per New Offeror Share (the "**Share Consideration**")**

It is not currently contemplated that the New Offeror Shares will be listed on any securities exchange.

- 3.3 The Offer Shares to be acquired will be (a) fully paid; (b) free from all liens, equities, mortgages, charges, encumbrances, rights of pre-emption and other third party rights and interests of any nature whatsoever ("**Encumbrances**"); and (c) together with all rights, benefits and entitlements attached thereto as at the Joint Announcement Date and thereafter attaching thereto (including the right to receive and retain all dividends, rights and other distributions ("**Distributions**"), if any, which may be announced, declared, paid or made thereon by MGL, on or after the Joint Announcement Date).
- 3.4 Without prejudice to the foregoing, the Exit Offer Consideration has been determined on the basis that the Offer Shares will be acquired with the right to receive any Distribution that may be declared, paid or made by MGL on or after the Joint Announcement Date. In the event any Distribution is or has been declared, paid or made by MGL on or after the Joint Announcement Date to a Shareholder who validly accepts or has validly accepted the Exit Offer, the Exit Offer Consideration payable to such accepting Shareholder shall be reduced by an amount which is equal to the amount of such Distribution depending on when the settlement date in respect of the Offer Shares tendered in acceptance by such accepting Shareholder pursuant to the Exit Offer falls, as follows:
- (i) if such settlement date for the Offer Shares falls on or before the books closure date for the determination of entitlements to the Distribution (the "**Books Closure Date**"), the Offeror shall pay the relevant accepting Shareholders the unadjusted Exit Offer Consideration for each Offer Share, as the Offeror will receive the Distribution in respect of such Offer Shares from MGL; or
 - (ii) if such settlement date for the Offer Shares falls after the Books Closure Date, the Exit Offer Consideration shall be reduced by an amount which is equal to the amount of the Distribution in respect of each Offer Share, as the Offeror will not receive the Distribution in respect of such Offer Shares from MGL. In the case of Shareholders electing for the Share Consideration, the Issue Price of the New Offeror Shares will be reduced accordingly.
- 3.5 **Shareholders who accept the Exit Offer shall have in relation to all their Offer Shares tendered in acceptance of the Exit Offer, the right to elect to receive either the Share Consideration or the Cash Consideration, but not both.** In the event that any Shareholder who has tendered their Offer Shares in acceptance of the Exit Offer does not elect between the Cash Consideration or the Share Consideration, whether due to an absence or failure of a valid election, **such Shareholder will be deemed to have elected to receive the Cash Consideration for all of its Offer Shares tendered in acceptance of the Exit Offer.**
- 3.6 In addition, any Shareholder electing to receive the Share Consideration will be required by the Offeror to comply with and provide particulars and supporting documents as may be required to satisfy such anti-money laundering and counter terrorism financing checks or due diligence as required by applicable laws and regulations, failing which such Shareholder will be deemed to have elected to receive the Cash Consideration for all of its Offer Shares tendered in acceptance of the Exit Offer.
- 3.7 The actual number of New Offeror Shares which a Shareholder who accepts the Exit Offer and who elects to receive the Share Consideration will receive, will be rounded down to the nearest whole number and calculated such that any resultant fraction of any New Offeror Share will be disregarded, and accordingly no fraction of any New Offeror Share will be issued to any such Shareholder. By way of illustration, a Shareholder who accepts the Exit Offer and who elects to receive the Share Consideration will receive, for every 100,000 Offer Shares tendered in acceptance of the Exit Offer, 100,000 New Offeror Shares, and a Shareholder who accepts the

Exit Offer and who elects to receive the Cash Consideration will receive, for every 100,000 Offer Shares tendered in acceptance of the Exit Offer, S\$4,700 in cash.

3.8 The New Offeror Shares shall, when issued, (a) be credited as fully paid, (b) be free from any Encumbrances, (c) rank *pari passu* in all respects with one another as well as with all other issued ordinary shares in the Offeror as at the date of issue of the New Offeror Shares, and (d) have the same rights, privileges and entitlements as all other issued ordinary shares in the Offeror as at the date of issue of the New Offeror Shares.

3.9 The New Offeror Shares will be subject to the terms of the Constitution of the Offeror ("**Offeror Constitution**"). A summary of the key terms of the Offeror Constitution is set out below:

(a) Article 103 of the Offeror Constitution:

(b) Article 115 of the Offeror Constitution:

Appointment of Directors. The right to appoint directors shall be determined based on percentage shareholding, with each block of twelve per cent (12%) shareholding entitling the shareholder to appoint one (1) director, and (for the avoidance of doubt) in the case of a shareholder with at least twenty-four per cent (24%) shareholding in the Offeror, it shall have the right to appoint two (2) directors. All the remaining shareholders shall also have the right to appoint up to two (2) directors subject to approval by such shareholders who represent a majority of the total voting rights of such remaining shareholders. The board of directors of the Offeror ("**Offeror Board**") may unanimously agree to appoint such number of independent and non-executive directors as it deems appropriate.

(c) Article 134C of the Offeror Constitution:

(g) Article 53 of the Offeror Constitution:

Issuance of new shares to shareholders. Unless otherwise determined by the Offeror in general meeting, any new shares shall, before issue, be offered in the first instance to all the then holders of any class of shares in proportion as nearly as may be to the number of existing shares to which they are entitled. In offering such shares in the first instance to all the then holders of any class of shares the offer shall be made by notice specifying the number of shares offered and limiting the time within which the offer if not accepted will

be deemed to be declined and after the expiration of that time or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Offeror Board may dispose of those shares in such manner as they think most beneficial to the Offeror and the Offeror Board may dispose of or not issue any such shares which by reason of the proportion borne by them to the number of holders entitled to any such offer or by reason of any other difficulty in apportioning the same cannot, in the opinion of the directors, be conveniently offered under this regulation.

(h) Article 41B of the Offeror Constitution:

Other Restriction on Transfers. A shareholder (not being FMI (as defined in paragraph 3.14 below)) which proposes to sell or otherwise dispose of its shares in the capital of the Offeror requires the written consent of the other non-transferring shareholders holding at least thirty per cent (30%) interest in the Offeror. None of the shareholders shall transfer its shares in the Offeror to persons on the sanctions list.

(i) Article 41C of the Offeror Constitution:

Drag Along rights. In the event that any one or more shareholders holding more than thirty per cent (30%) of the Offeror's shares proposes to sell all their shares in the Offeror at a price that is not less than the valuation of the Company's business at which the offer is made to a bona fide buyer, they shall have the right to require the other shareholders (if required by the buyer) to sell some or all of their shares in the Offeror as part of such sale at the same price and terms. This drag along right shall only apply after the third anniversary of the closing date of the Exit Offer ("**Closing Date**").

(j) Article 41D of the Offeror Constitution:

Founder's Obligations. FMI (as defined in paragraph 3.14 below) shall not sell, dispose of or transfer any of its shares in the Offeror or any interest therein, and will procure that none of its affiliates or associated companies will sell, dispose of or transfer their shareholding interest in the Offeror (whether direct or indirect), for a period of three (3) years from Closing Date; and thereafter, if it proposes to sell any shares, the other shareholders shall have the right to participate in such sale on a pro rata basis.

(k) Article 134D of the Offeror Constitution:

Information Rights. The Offeror shall, upon request of a director, provide to the Offeror Board monthly management accounts of the Offeror and each subsidiary or associated company, no later than twenty (20) days after the end of the relevant month.

3.10 Further details on the Exit Offer will be set out in the exit offer letter (the "**Exit Offer Letter**") to be issued by the Offeror to the Shareholders containing, *inter alia*, the terms of the Exit Offer and the relevant acceptance form(s) in due course.

3.11 MGL will make an application to the SGX-ST for the Delisting in due course, and subject to the approval of the SGX-ST, will convene an EGM to seek the Shareholders' Approval for the Delisting pursuant to Rules 1307 and 1308 of the Catalist Rules.

Conditions

- 3.12 The Delisting and the Exit Offer will be conditional on the Delisting Resolution being approved by a majority of at least seventy-five per cent (75%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings) held by the Shareholders present and voting, on a poll, either in person or by proxy at the EGM to be convened for the Shareholders to vote on the Delisting Resolution (the Offeror Concert Party Group must abstain from voting on the Delisting Resolution) (the "**Delisting Resolution Approval Condition**").
- 3.13 The Exit Offer will not become or be capable of being declared unconditional as to acceptances until the close of the Exit Offer, unless at any time prior to the close of the Exit Offer, the Offeror has received valid acceptances (which have not been withdrawn) in respect of such number of Offer Shares which, when taken together with Shares owned, controlled or agreed to be acquired by or on behalf of the Offeror Concert Party Group (either before or during the Exit Offer and pursuant to the Exit Offer or otherwise), will result in the Offeror and parties acting in concert with it holding such number of Shares carrying more than fifty per cent (50%) of the voting rights attributable to the issued share capital of MGL. Such acceptance condition will be met when the Undertaking Shareholders (as defined in paragraph 3.19 below) tender their acceptances for the Exit Offer in accordance with the Irrevocable Undertakings (as defined in paragraph 3.19 below).
- 3.14 Under Rule 1307(2) of the Catalist Rules, the Offeror Concert Party Group must abstain from voting on the Delisting Resolution. However, the SIC has ruled that subject to the submission to the SIC of the relevant confirmations, the Undertaking Shareholders (other than (i) Mr. U Theim Wai @ Serge Pun ("**Serge Pun**"), (ii) First Myanmar Investment Public Co., Ltd. ("**FMI**"), (iii) Yoma Strategic Investments Ltd. ("**YSIL**") (a wholly-owned subsidiary of Yoma Strategic Holdings Ltd. ("**YSH**")) and (iv) ACE Venture Opportunities ("**ACE**") who are deemed members of the Offeror Concert Party Group) and Oakfame Investment Limited ("**Oakfame**" or the "**Bondholder**"), and their respective concert parties (the "**Excluded Undertaking Entities**") will not be regarded as parties acting in concert with the Offeror for the purposes of the Exit Offer solely by virtue of the Irrevocable Undertakings or the Bondholder Undertaking (as the case may be) executed by them.
- 3.15 Accordingly, the Excluded Undertaking Entities are entitled to vote on the Delisting Resolution, and Samena and SHC (both as defined in paragraph 3.19 below) have given the undertakings to do so pursuant to their respective Irrevocable Undertakings (as defined in paragraph 3.19 below). Further details of the Irrevocable Undertakings are set out in paragraphs 3.19 to 3.22 and 7.4(i) of this Joint Announcement, and further details of the Bondholder Undertaking are set out in paragraphs 3.23 to 3.26 and 7.4(ii) of this Joint Announcement.

Duration

- 3.16 It is intended that the Exit Offer Letter and the relevant acceptance form(s) will be despatched to Shareholders on the same day as the circular to be issued by MGL in connection with the Delisting (the "**Delisting Circular**") containing, *inter alia*, further information on the Delisting Proposal and the terms and conditions of the Exit Offer. The Exit Offer will be open for acceptance by Shareholders from the date of the despatch of the Delisting Circular and Exit Offer Letter and will remain open for a period of at least fourteen (14) days after the date of the announcement of the fulfilment of the Delisting Resolution Approval Condition. If the Delisting Resolution is not approved at the EGM, the Delisting Resolution Approval Condition will not be fulfilled and the Exit Offer will lapse.

Acceptances

- 3.17 Shareholders may choose to accept the Exit Offer in respect of all or part of their holdings of Offer Shares. Shareholders may choose to accept the Exit Offer before the EGM. However, such acceptances would be conditional and if the Delisting Resolution is not approved at the EGM, the Delisting Resolution Approval Condition will not be fulfilled and the Exit Offer will lapse.

Warranty

- 3.18 Acceptance of the Exit Offer by a Shareholder will be deemed to constitute an unconditional and irrevocable warranty by that Shareholder that each Offer Share accepted is sold by him as, or on behalf of, the beneficial owner(s) thereof, are (a) fully paid; (b) free from all Encumbrances; and (c) together with all rights, benefits and entitlements attached thereto as at the Joint Announcement Date and thereafter attaching thereto (including the right to receive and retain all Distributions, if any, which may be announced, declared, paid or made thereon by MGL on or after the Joint Announcement Date).

Irrevocable Undertakings

- 3.19 The Offeror has obtained irrevocable undertakings (the "**Irrevocable Undertakings**") from:

- (i) Mr. Serge Pun;
- (ii) FMI;
- (iii) YSIL;
- (iv) ACE;
- (v) Samena Mandalay Holdings ("**Samena**"); and
- (vi) SHC Capital Holdings Pte Ltd ("**SHC**"),

(collectively, the "**Undertaking Shareholders**"), pursuant to which they have each undertaken and/or agreed, *inter alia*, to vote all their Shares in favour of the Delisting Resolution, accept the Exit Offer and elect to receive the Share Consideration in respect of all their Shares, further details of which are set out in paragraph 7.4(i) below.

Notwithstanding the foregoing, Mr. Serge Pun, FMI, YSIL and ACE, who are members or presumed to be members of the Offeror Concert Party Group, would not be permitted to vote on the Delisting Resolution. While the Excluded Undertaking Entities, comprising Samena, SHC and the Bondholder, would be permitted to vote on the Delisting Resolution, only Samena and SHC holds Shares as at the Joint Announcement Date. While ACE is a member of the Offeror Concert Party Group, it is not a related corporation of the Offeror. The respective shareholdings of the Excluded Undertaking Entities in MGL are set out in paragraphs 7.4(i) and (ii) of this Joint Announcement.

- 3.20 As at the Joint Announcement Date, the Undertaking Shareholders collectively hold an aggregate of 426,928,353 Shares representing approximately 85.02% of the total number of issued Shares (based on an issued and paid up share capital of 502,170,955 Shares as at the date hereof, excluding treasury shares), further details of which are set out in paragraph 7.4(i) below.

- 3.21 The Irrevocable Undertakings shall terminate, lapse and cease to have any effect on the earlier of: (a) the effective date of the Delisting; or (b) in the event the Delisting lapses or is terminated in accordance with its terms without the Delisting becoming effective for any reason other than a breach by the relevant Undertaking Shareholder of any of the obligations in the Irrevocable Undertaking, the date of lapsing or termination of the Exit Offer.
- 3.22 Save as disclosed in paragraphs 3.23 to 3.26 and 7.4(ii) of this Joint Announcement, none of the Offeror Concert Party Group received any irrevocable undertaking from any party to accept or reject the Exit Offer as at the Joint Announcement Date.

Bondholder Undertaking

- 3.23 On 15 May 2019, MGL issued to the Bondholder unlisted convertible bonds (in denominations of US\$319,000) in the principal amount of US\$3,190,000 at the coupon rate of five per cent (5%) per annum ("**Convertible Bonds**"), in accordance with the terms of the conditional convertible bond subscription agreement entered into between MGL and the Bondholder.
- 3.24 The Offeror has obtained an irrevocable undertaking from the Bondholder (the "**Bondholder Undertaking**"), pursuant to which the Bondholder has undertaken and/or agreed, *inter alia*, not to transfer or assign all or any part of the Convertible Bonds to any third party, not to convert all or any of the Convertible Bonds into shares in MGL ("**Conversion Shares**"), not to exercise any of its rights to redeem all or any of the Convertible Bonds, not to accept any other offer from any other party for all or any of the Convertible Bonds, and that it will reject and waive its rights to receive a comparable offer for the Convertible Bonds under Rule 19 of the Singapore Code on Take-Overs and Mergers (the "**Code**"), further details of which are set out in paragraph 7.4(ii) below.
- 3.25 The Bondholder Undertaking shall terminate, lapse and cease to have any effect on the earlier of: (a) the effective date of the Delisting; or (b) in the event the Delisting lapses or is terminated in accordance with its terms without the Delisting becoming effective for any reason other than a breach by the Bondholder of any of the obligations in the Bondholder Undertaken, the date of lapsing or termination of the Exit Offer.
- 3.26 In view of the Bondholder Undertaking and the Bondholder's agreement to reject and waive its rights to receive a comparable offer for its Convertible Bonds under Rule 19 of the Code, the SIC has ruled that the Offeror will not be required to make an appropriate offer or proposal to the Bondholder in respect of the Convertible Bonds.

Financial Adviser to the Offeror

- 3.27 SAC Capital has been appointed as financial adviser to the Offeror in respect of the Delisting and Exit Offer.

4. RATIONALE FOR THE DELISTING AND EXIT OFFER

4.1 Significant changes in market conditions necessitate greater management flexibility

Despite a successful listing on the Catalist of the SGX-ST in early 2018, the Company and its subsidiaries' (collectively, the "**Group**") businesses have been directly and significantly impacted by the ongoing COVID-19 pandemic since March 2020. While the healthcare crisis has mostly subsided, the effect on global travel, and particularly, arrivals to Myanmar, persists to this day with flight connection and capacity at a fraction of pre-pandemic levels. The impact on the Group's businesses was further exacerbated when Myanmar's military announced a State of Emergency in February 2021. The effect of this is exemplified by the current status that governments of several countries have issued advisories against non-essential travel to Myanmar. Being in the tourism industry, the Company has been especially disadvantaged by these black swan events, which resulted in significant impairment loss recognised in the Company's results for the financial years ended 30 September 2020 and 30 September 2021. There is no assurance that hindrance to travel in Myanmar will be fully lifted and/or political uncertainties will be resolved in the near-term. With a highly uncertain future ahead, the Offeror is of the view that delisting of the Company will provide the Company with greater management flexibility in utilising and deploying its available resources, and facilitate the implementation of strategic, long-term turnaround initiatives and/or operational changes for the Company to protect the long-term competitiveness of the business.

4.2 No need for access to public capital markets

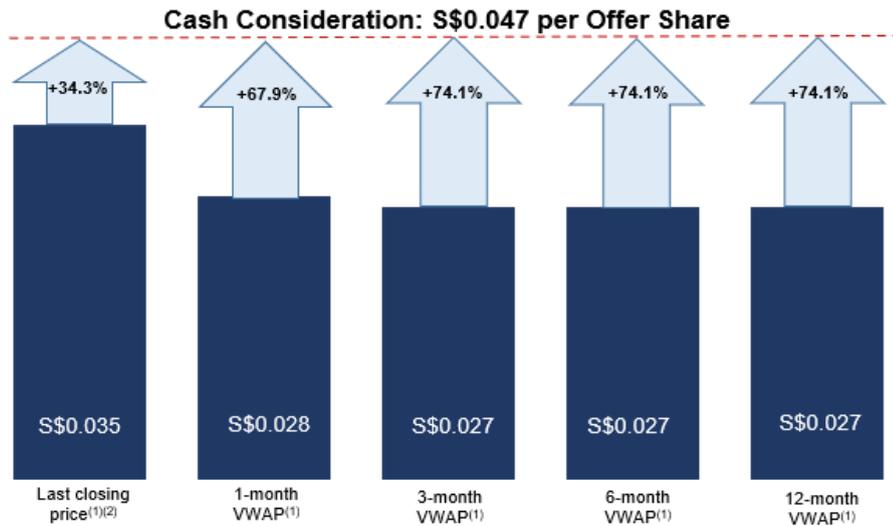

Despite the management's efforts, the business and growth of the Group have been impacted by the challenging macroeconomic and operating environment as explained in paragraph 4.1 above. The Offeror believes that in order to turnaround the business, the Company will require time and continuing investment of funds to meet its ongoing financial commitments, to weather the severe disruption to the tourism sector and to pursue its growth objectives that may have minimal near-term payoff.

It is in this context that the Offeror believes that the delisting of the Company will provide the Offeror with greater control and flexibility to allow the Company to focus on the execution of its long-term turnaround business plans. This differs from the demand of the public capital markets which generally remains more short-term in nature. As the Company seeks additional financing, the Offeror believes that the Company is unlikely to undertake any meaningful access to the Singapore public capital markets in the foreseeable future as raising funds via the public capital markets is highly dependent on valuations and market conditions. Therefore, the Offeror believes that the listing status of the Company brings minimal benefits to the Company and its shareholders, unlike initially envisaged.

4.3 Opportunity for Shareholders to realise their investment in the Shares at a premium to the historical traded prices (for the relevant periods prior to and including the Holding Announcement Date (as defined below))

In view of the challenging and uncertain macroeconomic and operating environment due to, *inter alia*, the COVID-19 pandemic, political uncertainties in Myanmar, and adverse global economic outlook stemming from rising inflation rates, the Offeror is of the opinion that the Cash Consideration represents an attractive exit opportunity for Shareholders to exit their entire investment with price certainty at a premium to historical traded prices (for the relevant periods prior to and including the Holding Announcement Date (as defined below)) without incurring brokerage and other trading costs.

- (a) The Cash Consideration is at a premium above the historical traded prices (for the relevant periods prior to and including the Holding Announcement Date (as defined below))

Notes:

- (1) The historical traded prices and the corresponding premium are computed based on data extracted from Bloomberg L.P.
- (2) Last closing price per Share on the Last Undisturbed Trading Day (as defined below).

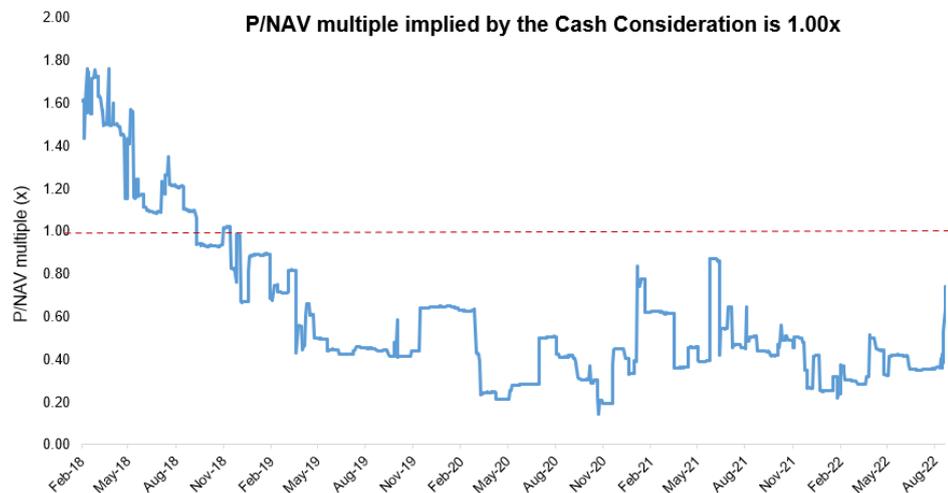

As set out in the chart above, the Cash Consideration of S\$0.047 per Offer Share represents a premium of approximately 67.9%, 74.1%, 74.1% and 74.1% above the volume-weighted average price (“**VWAP**”) per Share for the 1-month, 3-month, 6-month and 12-month periods respectively up to and including 30 August 2022 (the “**Last Undisturbed Trading Day**”), being the last full market day immediately before the Company released the announcement (the “**Holding Announcement**”) in respect of discussions of possible proposals and opportunities involving the Shares on 30 August 2022 in response to an increase in the share price and volume in the trading of the Shares prior to 30 August 2022 (the “**Holding Announcement Date**”). The Cash Consideration also represents a premium of 34.3% above the last closing price per Share of S\$0.035 on the Last Undisturbed Trading Day.

Historical closing prices of the Shares

As illustrated in the price chart above, the Shares have traded below the Cash Consideration for the preceding 1-year period up to and including the Last Undisturbed Trading Day.

- (b) The Company's Price-to-net asset value ("P/NAV") multiple of 1.00x implied by the Cash Consideration exceeds its historical averages over the last 3 years prior to the Holding Announcement Date

The P/NAV multiple as implied by the Cash Consideration is 1.00x, calculated based on the Company's unaudited net asset value ("**NAV**") per Share of S\$0.047² as at 30 June 2022. This represents a premium of 163.2% and 132.6% above the average P/NAV multiples of 0.38x³ and 0.43x³ for the 1-year and 3-year periods up to and including the Last Undisturbed Trading Day respectively.

Based on the chart above and for periods prior to the Holding Announcement Date, the Shares have never closed at or above a P/NAV multiple of 1.00x since 23 November 2018.

- (c) Share prices and volume activity after the Company's Holding Announcement

The Company made the Holding Announcement in response to an increase in the share price and volume in the trading of the Shares prior to the Last Undisturbed Trading Day, and reference was made in the Holding Announcement to a possible general offer for all the Shares. At the time of the Holding Announcement, the Delisting Proposal had not been presented to the Board nor was there any certainty that it would be presented. Save as disclosed in the Holding Announcement, the Company did not, during the period between the Last Undisturbed Trading Day and 9 September 2022, announce any other corporate action or transaction and/or any other material development which could explain the increase in the price and volume of the Shares traded during that period.

Although the Cash Consideration of S\$0.047 per Offer Share represents a discount of approximately 49.5% to the last closing price per Share of S\$0.093 on 9 September 2022, being the last full market day prior to the receipt of the Delisting Proposal, the Board is of the view that it would be more appropriate to benchmark the Cash Consideration against the historical traded prices for the relevant periods disclosed above prior to and including the Last Undisturbed Trading Day, as the traded prices and volume of the Shares during the period between the Last Undisturbed Trading Day and 9 September 2022, may have factored in or taken into consideration Company's disclosures in the Holding Announcement.

² Based on the closing exchange rate of US\$1:S\$1.391 as at 30 June 2022 as extracted from Bloomberg L.P, rounded to the nearest 3 decimal places

³ The historical average P/NAV multiples are computed based on the daily closing prices up to and including the Last Undisturbed Trading Day and reflect the market capitalisation of the Shares at the end of each trading day divided by the net assets of the Group for the last reported financial period.

4.4 Opportunity for Shareholders to exit their entire investment in the Company, which may otherwise be difficult due to the low trading liquidity of the Shares

Historically, the trading volume of the Shares has been low, with an average daily trading volume of approximately 618,686 Shares, 218,103 Shares, 123,734 Shares and 66,752 Shares during the 1-month, 3-month, 6-month and 12-month periods respectively up to and including the Last Undisturbed Trading Day. Each of these trading volumes represents less than 0.13%⁴ of the total number of issued Shares as at the end of the aforementioned relevant periods.

The Cash Consideration therefore provides Shareholders who might otherwise find it difficult to exit their investment in the Company as a result of the low trading volume in the Shares with an opportunity to realise their entire investment in the Shares in cash and at a premium above the historical traded prices (for the relevant periods prior to and including the Holding Announcement Date).

In view of the generally low trading liquidity during the periods prior to and including the Last Undisturbed Trading Day, the Offeror believes that the Cash Consideration represents an opportunity for Shareholders to realise their investments in the Shares by way of a clean cash exit, at a price (without incurring any brokerage and other trading costs) which may not otherwise be readily available due to the low trading liquidity and low free float of the Shares during the aforementioned relevant periods.

4.5 Compliance costs of maintaining listing

If delisted, the Company will be able to dispense with compliance costs associated with maintenance of a listed status and other regulatory requirements, and channel such expenses towards its business operations.

4.6 Shareholders have the option to elect the Share Consideration

If the Delisting is approved by Shareholders, under the terms of the Exit Offer, Shareholders will be given the option to elect either the Cash Consideration or the Share Consideration, but not a combination of both. Shareholders with a longer-term view of the business prospects of the Group under the control of the Offeror can elect for the Share Consideration instead of the Cash Consideration, which will be in the form of the New Offeror Shares. However, as the New Offeror Shares are in a private unlisted company (unless it is converted into a public company for the reasons set out in paragraph 7.1 below), Shareholders should carefully consider the risk factors and restrictions of holding the New Offeror Shares should they wish to elect to receive the Share Consideration. Details of the above will be set out in the Delisting Circular and Exit Offer Letter to be despatched in due course.

5. OFFEROR'S INTENTIONS IN RELATION TO THE COMPANY

5.1 Delisting Resolution

The Offeror does not intend to maintain or support any action taken or to be taken to maintain the present listing status of the Company and there is no plan in the foreseeable future for the Shares to be re-listed on any securities exchanges.

Shareholders should note that in the event the Delisting Resolution Approval Condition is satisfied, the Company will be delisted from the Official List of the SGX-ST on or after the close of the Exit Offer, irrespective of the number of acceptances received by the Offeror in respect of the Exit Offer.

⁴ Computed based on 502,170,955 Shares, being the total number of issued Shares as at the Joint Announcement Date.

If the Company is delisted from the Official List of the SGX-ST, the Company (as a Singapore incorporated company) will remain subject to the provisions of the Companies Act and may be subject to provisions of the Take-Over Code (if it remains as a public unlisted company) but will no longer be subject to the provisions of the Catalyst Rules. Shareholders at such time may wish to seek their own independent legal advice to familiarise themselves with their rights, *inter alia*, as a shareholder of a Singapore-incorporated company under the Companies Act.

5.2 Offeror's Future Plans for the Company

Following the close of the Exit Offer, the Offeror will undertake a review of the businesses, organisation and operations of the Company. This review will help the Offeror determine the optimal business strategy for the Company and thereafter, the Offeror may implement changes to the business and operations of the Company to navigate the challenging business environment. Shareholders will have an option to elect for the Share Consideration in the form of the New Offeror Shares.

Save as disclosed above, the Offeror has no current intention to (a) introduce any major changes to the business of the Company, (b) re-deploy the fixed assets of the Company, or (c) discontinue the employment of any of the existing employees of the Group, other than in the ordinary course of business.

Nonetheless, the Offeror retains the flexibility at any time to consider any options or opportunities which may present themselves, and which it regards to be in the interests of the Offeror and/or the Company.

Pursuant to Section 215(1) of the Companies Act, in the event that the Offeror acquires ninety per cent (90%) or more of the Shares (other than those already held by the Offeror, its related corporations and their respective nominees as at the date of the Exit Offer and which, for the avoidance of doubt, excludes any issued and paid-up ordinary shares held by MGL as treasury shares), the Offeror would be entitled to exercise the right to compulsorily acquire all the Shares of Shareholders who have not accepted the Exit Offer ("**Dissenting Shareholders**") at a price equal to the Exit Offer Consideration.

The Offeror intends to make MGL its wholly-owned subsidiary. **Accordingly, if the Offeror receives acceptances pursuant to the Exit Offer in respect of not less than ninety per cent (90%) of the total number of Shares in issue as at the close of the Exit Offer (other than those already held by the Offeror, its related companies and their respective nominees as at the date of the despatch of the Exit Offer Letter), the Offeror intends to exercise its right of compulsory acquisition under Section 215(1) of the Companies Act.**

Mr. Chan Basil, Mr. Robin Lee Chye Beng and Mr. Chan Chun Hung Vincent, being the remaining Directors of the Company, will be considered independent for the purposes of providing a recommendation on the Exit Offer to the Shareholders.

10. CONFIRMATION OF FINANCIAL RESOURCES

Pursuant to the Irrevocable Undertakings, all the Undertaking Shareholders have undertaken, *inter alia*, to elect to receive the Share Consideration pursuant to the Exit Offer, and pursuant to the Bondholder Undertaking, the Bondholder has undertaken, *inter alia*, not to exercise any of its rights to (a) transfer or assign all or any of the Convertible Bonds, (b) convert all or any of the Convertible Bonds into Conversion Shares, or (c) seek early redemption of all or any of the Convertible Bonds, during the Exit Offer period and will further agree to reject and waive its rights to receive a comparable offer for its Convertible Bonds under Rule 19 of the Code.
