

CapitaLand Retail China Trust Financial Results for 2Q 2015

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other developments or companies, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management on future events.

The information contained in this presentation has not been independently verified. No representation or warranty expressed or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Neither CapitaLand Retail China Trust Management Limited (the "Manager") or any of its affiliates, advisers or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising, whether directly or indirectly, from any use, reliance or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

The past performance of CapitaLand Retail China Trust ("CRCT") is not indicative of the future performance of CRCT. Similarly, the past performance of the Manager is not indicative of the future performance of the Manager.

The value of units in CRCT ("Units") and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors should note that they will have no right to request that the Manager redeem or purchase their Units for as long as the Units are listed on the Singapore Exchange Securities Trading Limited ("SGX-ST"). It is intended that holders of Units (Unitholders) may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for Units.

Distribution Reinvestment Plan (DRP)

- Established on 21 Mar 2013 to provide Unitholders with an option to elect to receive distributions in units in lieu of cash amount of any distributions declared
- Participation is optional and Unitholders can increase their holdings in CRCT without incurring brokerage fees, stamp duties and other related costs
- Discount of 2%* is offered to encourage Unitholders to participate
- Rationale for DRP:
 - ✓ Economical for Unitholders to increase unitholding
 - ✓ Attractive current trading price
 - ✓ Strengthen working capital
 - ✓ Enlarge CRCT's capital base

^{2%} discount relates to the volume-weighted average trade price per unit of 10 market days up to the Books Closure Date on 6 August 2015.
