  - (a) any significant factors that affected the turnover, costs, and earnings of the group for the current financial period reported on, including (where applicable) seasonal or cyclical factors; and

As reported in the full 18 months' result announcement for the period ended 30 June 2016, despite the fact that on 27 May 2015, the Company increased its shareholding in the Rich Circles Group from 49% to 54.46% or 6,100 shares out of an expanded total number of 11,200 shares, the Company's management has re-visited the issue of "control" as a result of the default in the prompt repayment of the RMB 180 million SME Bond by Xuzhou Zhongwei (which was issued before Xuzhou Zhongwei was acquired by the Rich Circles Group) on 28 March 2016 and has come to the conclusion that it is more appropriate to treat the Rich Circles Group as the Company's associated company instead of a subsidiary, thereby adopting the

## UNAUDITED SECOND QUARTER FINANCIAL STATEMENT AND DIVIDEND ANNOUNCEMENT FOR THE SIX MONTHS ENDED 31 DECEMBER 2016 ("2Q2017")

"equity" instead of "full consolidation" basis of accounting for the Rich Circles Group's financial performance, for the following main reasons :

- With effect from 28 March 2016, the date of default of repayment of the RMB 180 million SME Bond to the respective bondholders (in aggregate, the "bondholders"), the bondholders have been in a position to take whatever proper legal action(s) in Xuzhou against Zhongwei for the recovery of their bonds. Despite being in a position to take legal action against Xuzhou Zhongwei, the bondholders are willing to enter into negotiation with the Xuzhou Zhongwei local management and Ms. Li Ya Xin as Rich Circles Group's major shareholder, in search for a mutually agreeable and acceptable solution. The bondholders have not filed any legal action against the Rich Circles Group as the Rich Circles Group is neither a borrower under any financial facilities with the bondholders nor a guarantor of the SME Bonds. The Company has been informed by the local management of Xuzhou Zhongwei that the daily operations of Xuzhou Zhongwei have been under observation by a major bondholder (whose identity is not disclosed due to confidentiality terms under the SME Bond) while in the negotiation, by the stationing of representatives on the premises of the factory of Xuzhou Zhongwei, until an ultimate solution or agreement has been reached by both Xuzhou Zhongwei and the bondholders. The Company's auditors have provided full disclosure of their audit findings on the SME Bonds, and the default in repayment thereof, in the Company's Annual Report 2016 (under pages 55 – 60);
- 2) Ms. Li Ya Xin, the other major shareholder of the Rich Circles Group who has owned the remaining 45.54% of its shareholding with effect from 27 May 2015, had on 8 August 2014 granted an irrevocable Power of Attorney ("POA") to Mr. Yuan Li Min (the then Non-executive Director of the Company) authorizing Mr. Yuan to represent her in all operational and control aspects of the Rich Circles Group for a period of 20 months. Such POA expired on 8 April 2016 and extension or renewal was not been granted by Ms. Li Ya Xin to Mr. Yuan Li Min or other legal representative of the Company. It is therefore apparent that the Company does not have any direct or indirect control through Ms. Li Ya Xin's shareholdings in Rich Circles Group;

Subsequently, we have been informed by Ms. Li Ya Xin that she has granted a new irrevocable POA to her brother-in-law, a Mr. Wong who is a person unrelated to but having a very strong and friendly business relationship with the bondholders and who shall work very closely with the bondholders in the currently on-going negotiation about reaching a solution or agreement with the bondholders as direct representative of Ms. Li Ya Xin. It is evidenced that Ms. Li Ya Xin will cooperate with the bondholders under the proper legal framework in China. Whereas the Company effectively had 100% control of the Rich Circles Group through its 54.46% shareholding combined with the POA granted by Ms. Li Ya Win to Mr. Yuan Li Min over, *inter alia*, her 45.54% shareholding in the Rich Circles Group, Ms. Li Ya Xin's non-renewal / non-extension of such POA granted to M. Yuan Li Min has weakened the control possessed by the Company over the Rich Circles Group;

- 3) Due to the current financial incapability of the Company and Ms. Li Ya Xin, it was obvious that the current shareholders of the Rich Circles Group will not be able to raise cash funds of as much as RMB 180 million for injection into Zhongwei to enable Zhongwei to repay the SME Bonds in the near foreseeable future. Accordingly, the local management including but not limited to Mr. Huo Wei Sheng, who is a current executive director of the Company and the legal representative of Xuzhou Zhongwei, has strong tendency to work closely with the bondholders in all aspects of daily normal operations of Zhongwei to avoid the bondholders taking legal actions against them; and
- 4) The Company does not have substantive rights that provide the Company with the ability to exercise that right and to direct relevant activities in Zhongwei.

(Company Registration No. 41195) (Incorporated in Bermuda)

## UNAUDITED SECOND QUARTER FINANCIAL STATEMENT AND DIVIDEND ANNOUNCEMENT FOR THE SIX MONTHS ENDED 31 DECEMBER 2016 ("2Q2017")

Accordingly, the management reached a consensus that it is more apporpriate from the practical point of view and the current operational position that the Company will treat the Rich Circles Group as our associated company and adopt the "equity" accounting basis for recording Rich Circles Group's financial performance for the 18 months' period from 1 January 2015 to 30 June 2016 and thereafter, which is in fact consistent with the Company's accounting treatment of the Rich Circles Group for the financial year ended 31 December 2014. While the Rich Circles Group is exempt from audit under the Ordinace laws of Hong Kong, the Company's auditors have performed all necessary audit reviews and tests on the books and accounts of Rich Circles Enterprise Limited ("RCEL") (an invesment holding company ultimately owning the other companies in the Rich Circles Group) and China Construction Material (Hong Kong) Limited ("CCMH") for the financial period ended 30 June 2016 and concurred with the management's view and decision. RCEL and CCMH are 2 out of the 4 companies that constitute the Rich Circles Group, the other 2 being Zhongchuang (Xuzhou) Construction Material Co. Ltd. and Xuzhou Zhongwei.

The Rich Circles Group is owned by the Company (54.46%) and Ms. Li Ya Xin (45.54%) as mentioned above. The Rich Circles Group is operating and a going concern. Its current directors are Mr. Mak Tin Sang (as representative of the Company), Ms. Li Ya Xin (representing herself) and Mr. Yuan Li Min (as independent director). Mr. Yuan Li Lim is a former non-executive chairman of the Company (until his resignation on 27 October 2015). Save for Mr. Mak Tin Sang, the directors of the Company have no relationship with the Rich Circles Group except through the Company's shareholding therein.

Xuzhou Zongwei's reported net asset value of RMB 193,233K as at 30 June 2016 is sufficient to repay the total loan from shareholders to the Rich Circles Group of RMB112 million comprising RMB61 million owed to the Company and RMB51 million owed to Ms. Li Ya Xin. As Xuzhou Zhongwei has defaulted in its repayment of the SME Bond (due on 28 March 2016) to the bondholders, the management is closely monitoring the progress of the abovementioned negotiations between Xuzhou Zhongwei and the bondholders to determine whether there will be any significant impact of the recovery of the Company's RMB61 million loan from the Rich Circles Group.

As the abovementioned negotiations between Xuzhou Zhongwei and the bondholders are ongoing, the details thereof are sensitive and not disclosable by the Company. Nonetheless, the Company will provide updates to shareholders on any material developments.

For detailed information on the matters in this Section 8(a), shareholders may wish to refer to pages 8-11 of the Company's response to the queries of the Singaore Exchange Securities Trading Limited as released by the Company on 24 November 2016, and pages 3-5 of the Company's response to the queries of the Singapore Exchange Securities Trading Limited as released by the Company on 13 September 2016.

The financial performance of our associated company Xuzhou Zhongwei's new material business for this second quarter has been continuously weak for the same reasons explained in past quarters' commentary.

As stated in last quarter's commentary, the Group has incorporated two wholly owned subsidiaries, namely Asia Entertainment Limited and Asia Entertainment (Hong Kong) Limited (collectively referred to as Asia Entertainment Group ("AEG")) to start up our new media and entertainment business initially in the Greater China region. Since inception, AEG has already secured cooperation with a few well known Hong Kong-based industry players on entertainment-related projects such as live shows and movies shooting. On 5 November 2016 and 17 January 2017, we have respectively organised and presented the W-inds' Concert and the E1 World Championship Boxing Show in Hong Kong with our partners with great success.

Through AEG as the main operating entity, the Group will continue to explore business potentials and strategic partnerships to provide promising growth opportunities to our new business initiative. The Board will provide prompt updates on the development status of this new business initiative to our shareholders from time to time.
