1. INTRODUCTION

1.1 Pre-Conditional Offer

Phillip Securities Pte Ltd (“**Phillip Securities**”) wishes to announce, for and on behalf of Nordic Flow Control Pte. Ltd. (the “**Offeror**”), that, subject to and contingent upon the satisfaction or waiver of the Pre-Condition (as defined in Section 2.1 below), the Offeror intends to make a voluntary conditional offer (the “**Offer**”) to acquire all the issued and paid-up ordinary shares (the “**Shares**”) (excluding any Shares held in treasury) in the capital of Starburst Holdings Limited (the “**Company**”), other than those already owned, controlled or agreed to be acquired by the Offeror as at the date of the Offer in accordance with Rule 15 of the Singapore Code on Take-overs and Mergers (the “**Code**”).

The Offeror is a wholly-owned subsidiary of Nordic Group Limited (“**NGL**”), a company incorporated in Singapore and listed on the Main Board of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”). Further information on the Offeror and NGL is set out in Section 4 below.

The Offer will not be made unless and until the Pre-Condition has been satisfied or waived on or before 10 February 2022 (or such other date as the Offeror may determine in consultation with the Securities Industry Council (the “SIC”)) (the “Long-Stop Date”). Accordingly, all references to the Offer in this Announcement refer to the possible Offer which will only be made if and when such Pre-Condition is satisfied or waived.

Shareholders of the Company (the “Shareholders”) should exercise caution and seek appropriate independent advice when dealing in the Shares.

1.2 No Holding

As at the date of this Announcement, the Offeror does not own or control, directly or indirectly, any Shares.

2. PRE-CONDITION TO THE MAKING OF THE OFFER

2.1 Pre-Condition

Based on the relative figures computed on the basis of Rule 1006 of the Listing Manual of the SGX-ST (the “**Listing Manual**”), the Offer, if made, will constitute a “major transaction” under Chapter 10 of the Listing Manual from the perspective of NGL (please refer to the announcement made by NGL on the same day as the date of this Announcement, for further details). Accordingly, the making of the Offer and the posting of the formal offer document containing the terms and conditions of the Offer (the “**Offer Document**”) to the Shareholders will be subject to and contingent upon, and will only take place following the satisfaction or waiver of the following condition on or before the Long-Stop Date:

All resolution(s) as may be necessary or incidental to approve and undertake the Offer and the acquisition of any Shares pursuant to or in connection with the Offer or otherwise having been passed at a general meeting of NGL (or any adjournment thereof) (the “**Pre-Condition**”).

2.2 Formal Offer Announcement

If and when the Pre-Condition is satisfied or waived, Phillip Securities, for and on behalf of the Offeror, will announce the firm intention on the part of the Offeror to make the Offer (the “**Formal Offer Announcement**”). The Offer Document and the relevant form(s) of acceptance will thereafter be despatched to the Shareholders not earlier than 14 days and not later than 21 days from the date of the Formal Offer Announcement. **However, in the event that the Pre-Condition is not satisfied or waived on or before the Long-Stop Date, the Offer will not be made and Phillip Securities will issue an announcement, for and on behalf of the Offeror, confirming that fact as soon as reasonably practicable.**

3. THE OFFER

3.1 Principal Terms of the Offer

Subject to and contingent upon the satisfaction or waiver of the Pre-Condition and the terms and conditions to be set out in the Offer Document, the Offeror will make the Offer for all the Shares (excluding any Shares held in treasury), other than those already owned, controlled or agreed to be acquired by the Offeror as at the date of the Offer (the “**Offer Shares**”) in accordance with Rule 15 of the Code on the following basis:

- (a) **Offer Price.** The consideration for each Offer Share will be as follows:
- For each Offer Share: S\$0.238 in cash (the “Offer Price”)**
- (b) **No Encumbrances.** The Offer Shares are to be acquired fully paid and free from all claims, charges, equities, liens, pledges and other encumbrances and together with all rights, interests, benefits, entitlements and advantages attached thereto as at the date of this Announcement and hereafter attaching thereto, including the right to all dividends, rights and other distributions (collectively, the “Distributions”) (if any), the Record Date for which falls on or after the date of this Announcement. For the purpose of this Announcement, “**Record Date**” means, in relation to any Distributions, the date on which Shareholders must be registered with the Company or with The Central Depository (Pte) Limited (“**CDP**”), as the case may be, in order to participate in such Distributions.
- (c) **Adjustments for Distributions.** Without prejudice to the generality of the foregoing, the Offer Price has been determined on the basis that the Offer Shares will be acquired with the right to receive any Distributions, the Record Date for which falls on or after the date of this Announcement. In the event of any such Distribution, the Offer Price payable to a Shareholder who validly accepts or has validly accepted the Offer (if made) shall be reduced by an amount which is equal to the amount of such Distribution as follows, depending on when the settlement date in respect of the Offer Shares tendered in acceptance by Shareholders pursuant to the Offer (if made) (the “**Offer Settlement Date**”) falls:
- (i) if the Offer Settlement Date falls on or before the Record Date, the Offeror will pay the relevant accepting Shareholders the unadjusted Offer Price of S\$0.238 in cash for each Offer Share, as the Offeror will receive the Distribution in respect of such Offer Shares from the Company; and
 - (ii) if the Offer Settlement Date falls after the Record Date, the Offer Price payable for such Offer Shares tendered in acceptance shall be reduced by an amount which is equal to the Distribution in respect of such Offer Shares, as the Offeror will not receive such Distribution from the Company.
- (d) **Minimum Acceptance Condition.** The Offer, if and when made, will be conditional upon the Offeror having received, by the close of the Offer, valid acceptances in respect of such number of Offer Shares which, when taken together with the Shares owned, controlled or agreed to be acquired by the Offeror and parties acting in concert with it (either before or during the Offer and pursuant to the Offer or otherwise), will result in the Offeror and parties acting in concert with it holding such number of Shares carrying more than 50% of the voting rights attributable to the issued Shares (excluding Shares held in treasury) as at the close of the Offer (the “**Minimum Acceptance Condition**”). Pursuant to the Irrevocable Undertakings (as defined below), the Offer, if and when made, will become unconditional as to acceptances upon the Undertaking Shareholders tendering their Shares (representing approximately 69.7% of the total number of issued Shares (excluding Shares held in treasury) of the Company) in acceptance of the Offer.
- (e) **Revision of Terms of the Offer.** The Offeror reserves the right to revise the terms of the Offer in accordance with the Code.

3.2 No Options or Awards Proposal

Based on the latest information available to the Offeror, there are no outstanding options to subscribe for new Shares (“**Options**”) and no outstanding awards for new Shares (“**Awards**”) granted under any employee share scheme of the Company as at the date of this Announcement. In view of the foregoing, the Offeror will not make an offer to acquire any Options or Awards. For the avoidance of doubt, the Offer will be extended to all new Shares unconditionally issued or to be issued pursuant to the valid exercise of Options (if any) or pursuant to the valid vesting or release of Awards (if any), prior to the close of the Offer.

5. INFORMATION ON THE COMPANY

Information relating to the Company has been extracted from publicly available sources.

The Company was listed on the Catalist Board of the SGX-ST on 10 July 2014. The Company and its subsidiaries (the “**Starburst Group**”) are an engineering group specialising in the design and engineering of training facilities, with an established track record and experience of more than 20 years in this niche industry. The Company is one of the few companies operating primarily in Southeast Asia and the Middle East that provides in-house integrated solutions in the design, fabrication, installation and maintenance of anti-ricochet ballistic protection systems for shooting ranges and tactical training mock-ups. These solutions are provided to law enforcement, military and security agencies as well as civil authorities in Southeast Asia and the Middle East. The Starburst Group’s key business areas include the following:

(a) Shooting Ranges

The Starburst Group designs, fabricates and installs anti-ricochet ballistic protection systems at live-firing ranges to prevent fire rounds from ricocheting. This involves the installation of proprietary “Searls” anti-ricochet panels, rubber lining panels and floor and ceiling baffles at indoor, outdoor and modular live-firing ranges, close quarter battle houses and method of entry training facilities.

(b) Tactical Training Mock-Ups

The Starburst Group designs, fabricates and installs tactical training mock-ups to suit each desired training scenario such as rescue and evacuation operations, aviation and maritime operations, sniper operations and other counter terrorism operations. Its mock-ups provide simulations which are as close to real scenarios as possible and thus each element of the desired mock-up is examined to ensure that the details are replicated. The Starburst Group installs tactical training mock-ups for live-fire-arms-training and non-live-fire-arms-training.

(c) Maintenance Services and Other Activities

The Starburst Group offers complete service and maintenance programmes for completed shooting ranges and tactical training mock-ups. As its customers’ training activities typically involve live-firearms and/or the use of pyrotechnics, it is critical that the facilities are monitored continually to ensure that they are kept in optimal condition and that international safety standards are met and updated, if necessary. This ensures that customers’ training facilities are maximised, downtime is minimised and safety is not compromised.

Additional information on the Company can be found on its website at <http://www.starburst.net.sg>.

Based on a search conducted at the Accounting and Corporate Regulatory Authority of Singapore on 10 November 2021, the Company has an issued and paid-up share capital

- (b) Mr Yap Tin Foo (Managing and Executive Director);
- (c) Mr Martin Muller (Non-Executive Director);

- (f) Mr Tan Teng Wee (Independent Director).

6. IRREVOCABLE UNDERTAKINGS

6.1 Irrevocable Undertakings

As at the date of this Announcement, the Offeror has received irrevocable undertakings (the “**Irrevocable Undertakings**”) from Mr Edward Lim Chin Wah and Mr Yap Tin Foo (collectively, the “**Undertaking Shareholders**”) pursuant to which each of the Undertaking Shareholders has, amongst other things, unconditionally and irrevocably undertaken to the Offeror to accept, or procure the acceptance of, the Offer in respect of all the Shares held by him, whether directly or indirectly, as at the date of the Irrevocable Undertakings, as well as any further Shares which he may acquire after such date.

The names of the Undertaking Shareholders and the number of Shares owned by them as at the date of this Announcement are as follows:-

No.	Name of Undertaking Shareholder	No. of Shares which are the subject of the Irrevocable Undertaking	Percentage of issued Shares (%) ⁽¹⁾
1.	Edward Lim Chin Wah ⁽²⁾	88,931,900	35.8%
2.	Yap Tin Foo ⁽²⁾	84,099,500	33.9%
	Total	173,031,400	69.7%

Notes:

- (1) Based on a total number of 248,300,050 Shares (excluding 11,189,500 treasury Shares) as at the date of this Announcement.
- (2) Each of Mr Edward Lim Chin Wah and Mr Yap Tin Foo is a director of the Company as at the date of this Announcement.

6.2 Termination of Irrevocable Undertakings

Each of the Irrevocable Undertakings shall lapse and cease to have any effect:

- (a) if the Pre-Condition has not been satisfied or waived on or before the Long-Stop Date; or
- (b) on the date on which the Offer lapses or is withdrawn without having become unconditional in all respects in accordance with its terms, for any reason other than a breach of the obligations of the Undertaking Shareholders under the Irrevocable Undertakings,

whichever is the earlier.

6.3 No Other Undertakings

Save for the Irrevocable Undertakings, as at the date of this Announcement, neither the Offeror nor any Relevant Person (as defined below) has received any other undertakings from any other party to accept or reject the Offer.

7. RATIONALE FOR THE OFFER AND THE OFFEROR'S INTENTIONS

7.1 Rationale for the Offer

(a) Business Synergy

The Nordic Group believes that the business and operations of the Starburst Group are a strategic fit and will provide synergistic benefits to the business and operations of the Nordic Group. Some of the synergistic benefits are as follows:

- (i) the engineering competencies, know-how and resources of the Nordic Group and the Starburst Group are complementary, and may be transferred and assimilated to build economies of scale and cost efficiencies and enhance overall productivity;
- (ii) the acquisition of the Starburst Group will add civil and mechanical form structure products and services to the Nordic Group's existing suite of products and services;
- (iii) the acquisition of the Starburst Group will increase the Nordic Group's current market and client base by adding new clients and new sectors and allowing the Nordic Group to tap on the Starburst Group's client network in Southeast Asia and the Middle East; and
- (iv) there is strong potential for cross-selling of the Nordic Group's mechanical, electrical and instrumentation, insulation and scaffolding services to the clients of the Starburst Group.

(b) Potential for Continued Growth

The Nordic Group sees potential for continued growth in the businesses of the Starburst Group. The Starburst Group is one of the few players operating primarily in Southeast Asia and the Middle East that provides design, fabrication and installation of anti-ricochet ballistic protection systems for shooting ranges and tactical training mock-ups for law enforcement, military and security agencies.

(c) Opportunity for Shareholders to Realise their Investments in the Shares

The Offer Price represents a premium of approximately 4.16%, 9.07%, 12.53% and 25.46% over the volume-weighted average price (“**VWAP**”) per Share for the one-month, three-month, six-month and 12-month periods up to and including 9 November 2021, being the last full market day preceding the date of this Announcement on which the Shares were traded on the SGX-ST (the “**Last Trading Day**”).

The Offer Price therefore presents Shareholders with a clean cash exit opportunity to realise their entire investment in the Shares at a premium over the prevailing market prices of the Shares without incurring brokerage and other trading costs.

(d) Low Trading Liquidity

The trading volume of the Shares has been low, with an average daily trading volume of approximately 223,546 Shares, 114,686 Shares, 90,477 Shares and 229,630 Shares during the one-month period, three-month period, six-month period and 12-month period up to and including the Last Trading Day. These represent only 0.09%, 0.05%, 0.04% and 0.09% of the total number of issued Shares (excluding Shares held in treasury) for the aforementioned relevant periods, respectively.

The Offer therefore provides Shareholders with an opportunity to realise their entire investment in the Shares at a premium over the prevailing market prices which may not otherwise be readily available to Shareholders given the low trading liquidity of the Shares.

(e) Costs of Maintaining Listing Status

In maintaining its listed status, the Company incurs compliance and associated costs relating to continuing listing requirements. The Offeror intends to make the Offer with a view to delisting and privatising the Company. In the event that the Company is delisted from the SGX-ST, the Company will be able to save on expenses and costs relating to the maintenance of a listed status and channel such resources to its business operations.

7.2 The Offeror’s Intentions in relation to the Company

Upon completion of the Offer, if and when made, the Offeror may undertake a strategic and operational review of the Company and its subsidiaries with a view to realising synergies, scale, cost efficiencies and growth potential. The Offeror will also consider delisting the Company from the SGX-ST in the event it achieves the requisite acceptances for such

delisting, in order to facilitate management and operational control and leverage over the Company and its subsequent developments.

The Offeror presently has no intention to introduce any major changes to the business of the Company, or to discontinue the employment of any of the existing employees of the Company or re-deploy any of the fixed assets of the Company, other than in the ordinary course of business. The Offeror however retains the flexibility at any time to consider options or opportunities which may present themselves and which it regards to be in the interests of the Offeror and/or the Company.

8. COMPULSORY ACQUISITION AND LISTING STATUS

8.1 Compulsory Acquisition

Pursuant to Section 215(1) of the Companies Act, Chapter 50 of Singapore (the “**Companies Act**”), if the Offeror receives valid acceptances pursuant to the Offer (or otherwise acquires Shares during the period when the Offer is open for acceptance) in respect of not less than 90% of the total number of issued Shares (other than those already held by the Offeror, its related corporations or their respective nominees as at the date of the Offer and excluding any Shares held in treasury), the Offeror would be entitled to exercise the right to compulsorily acquire all the Shares of the Shareholders who have not accepted the Offer (the “**Dissenting Shareholders**”), at a price equal to the Offer Price.

In such event, the Offeror intends to exercise its right to compulsorily acquire all the Offer Shares not acquired under the Offer. The Offeror will then proceed to delist the Company from the SGX-ST.

Dissenting Shareholders have the right under and subject to Section 215(3) of the Companies Act, to require the Offeror to acquire their Shares at a price equal to the Offer Price in the event that the Offeror, its related corporations or their respective nominees acquire, pursuant to the Offer, such number of Shares which, together with the Shares held by the Offeror, its related corporations or their respective nominees, comprise 90% or more of the total number of issued Shares (excluding Shares held in treasury). Dissenting Shareholders who wish to exercise such right are advised to seek their own independent legal advice.

8.2 Listing Status

Pursuant to Rule 1104 of the Listing Manual Section B: Rules of Catalist of the SGX-ST (the “**Catalist Rules**”), upon an announcement by the Offeror that acceptances have been received pursuant to the Offer that bring the holdings owned by the Offeror and parties acting in concert with it to above 90% of the total number of issued Shares (excluding Shares held in treasury), the SGX-ST may suspend the trading of the Shares on the SGX-ST until such time it is satisfied that at least 10% of the total number of issued Shares (excluding Shares held in treasury) are held by at least 200 Shareholders who are members of the public. Rule 1303(1) of the Catalist Rules provides that if the Offeror succeeds in garnering acceptances exceeding 90% of the total number of issued Shares (excluding Shares held in treasury), thus causing the percentage of the total number of issued Shares (excluding Shares held in treasury) held in public hands to fall below 10%, the SGX-ST will suspend trading of the Shares only at the close of the Offer.

In addition, under Rule 724(1) of the Catalist Rules, if the percentage of the total number of issued Shares (excluding Shares held in treasury) held in public hands falls below 10%, the Company must, as soon as practicable, notify its sponsor of that fact and announce that fact, and the SGX-ST may suspend the trading of the Shares. Rule 724(2) of the Catalist Rules states that the SGX-ST may allow the Company a period of three months, or such longer period as the SGX-ST may agree, to raise the percentage of Shares in public hands to at least 10%, failing which the Company may be delisted from the SGX-ST.

8.3 The Offeror's Intention

As mentioned above, subject to achieving the requisite acceptances, the Offeror will consider delisting the Company from the SGX-ST. Consistent therewith, the Offeror, when entitled, intends to exercise its rights of compulsory acquisition under Section 215(1) of the Companies Act and does not intend to take steps for any trading suspension of the Shares by the SGX-ST to be lifted in the event that, *inter alia*, less than 10% of the total number of issued Shares (excluding Shares held in treasury) are held in public hands. The Offeror further reserves the right to seek a voluntary delisting of the Company from the SGX-ST pursuant to Rules 1307 and 1309 of the Catalist Rules.

9. FINANCIAL ASPECTS OF THE OFFER

The Offer Price represents:

- (a) a premium of approximately 5.78% over S\$0.2250, being the last transacted price of the Shares on the SGX-ST on 9 November 2021, being the Last Trading Day;
- (b) a premium of approximately 4.16% over S\$0.2285, being the VWAP of the Shares on the SGX-ST over the one-month period prior to and including the Last Trading Day;
- (c) a premium of approximately 9.07% over S\$0.2182, being the VWAP of the Shares on the SGX-ST over the three-month period prior to and including the Last Trading Day;
- (d) a premium of approximately 12.53% over S\$0.2115, being the VWAP of the Shares on the SGX-ST over the six-month period prior to and including the Last Trading Day; and
- (e) a premium of approximately 25.46% over S\$0.1897, being the VWAP of the Shares on the SGX-ST over the 12-month period prior to and including the Last Trading Day.

Note:

The figures set out above in relation to the last transacted price of the Shares on the Last Trading Day and the VWAP of the Shares are based on data extracted from Bloomberg L.P..
