Dear Sir/Madam

### THE PROPOSED ADOPTION OF THE SHARE PURCHASE MANDATE

---

#### 1. INTRODUCTION

The Directors are convening an SGM to be held on 29 April 2021 at 2.30 p.m. (or at such time immediately following the conclusion or adjournment of the AGM of the Company to be held at 2.00 p.m. on the same day) via electronic means to seek Shareholders' approval for the proposed adoption of the Share Purchase Mandate, the rationale for which is set out in further detail in the sections below.

The purpose of this Circular is to provide Shareholders with information relating to the proposed adoption of the Share Purchase Mandate to be tabled at the SGM and to seek Shareholders' approval for the resolution in respect thereof to be tabled at the SGM. The Notice of SGM is set out at pages N-1 to N-3 of this Circular.

**The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Circular. If a Shareholder is in any doubt as to the course of action he should take, he should consult his stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.**

#### 2. THE PROPOSED ADOPTION OF THE SHARE PURCHASE MANDATE

##### 2.1 Background

As a Bermuda-incorporated company which is listed on the Mainboard of the SGX-ST, any purchase or acquisition of Shares by the Company would have to be made in accordance with and in the manner prescribed by the Companies Act, the Listing Manual, the Take-over Code, the Memorandum, the Bye-Laws and such other laws and regulations as may from time to time be applicable.

The Bye-Laws provide that for so long as the Shares of the Company are listed on a Designated Stock Exchange (defined in the Bye-Laws to include the SGX-ST), if the Company wishes to purchase or otherwise acquire its own Shares, it should obtain the prior approval of the Shareholders. Accordingly, approval is being sought from Shareholders at the SGM for a general mandate (the "**Share Purchase Mandate**") to be given for the purchase or acquisition by the Company of its issued Shares. A resolution will be proposed as an ordinary resolution pursuant to which the Share Purchase Mandate will be given to the Directors to exercise all powers of the Company to purchase or otherwise acquire its issued Shares on the terms of the Share Purchase Mandate.

If approved by Shareholders at the SGM, the authority conferred by the Share Purchase Mandate will continue in force until the conclusion of the next AGM of the Company or the date by which such AGM is required by law to be held or the date on which purchases or acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated or when the authority conferred is revoked

or varied in any general meeting of the Company, whichever is the earliest. The Share Purchase Mandate may be renewed by the Shareholders in any general meeting.

### 2.2 Rationale for Share Purchase Mandate

The rationale for the Company to undertake the purchase or acquisition of its issued Shares is as follows:

- (a) In managing the business of the Group, the management will strive to increase Shareholders' value by improving, *amongst others*, the return on equity of the Company. In addition to growth and expansion of the business, Share Purchases may be considered as one of the ways through which the return on equity of the Company may be enhanced.
- (b) In line with international practice, the Share Purchase Mandate will provide the Company with greater flexibility in managing its capital and maximising returns to its Shareholders. To the extent that the Company has capital and surplus funds, which are in excess of its financial needs, taking into account its growth and expansion plans, the Share Purchase Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner.
- (c) The Share Purchase Mandate will provide the Company the flexibility to undertake share repurchases at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force.
- (d) Share Purchases may help mitigate short-term market volatility, offset the effects of short-term speculation and bolster shareholder confidence.

While the Share Purchase Mandate would authorise a purchase or acquisition of Shares up to the said 10% limit as described in paragraph 2.3.1 (*Maximum Number of Shares*) during the duration referred to in paragraph 2.3.2 (*Duration of Authority*) below, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full 10% limit as authorised. The Directors do not propose to carry out Share Purchases to an extent that would, or in circumstances that might, result in a material adverse effect on the liquidity and/or the orderly trading of the Shares and/or the financial position of the Group, taking into account the working capital requirements of the Company or the gearing levels, which in the opinion of the Directors, are from time to time appropriate for the Company. The Directors will act judiciously and will only purchase or acquire Shares pursuant to the Share Purchase Mandate as and when the circumstances permit and only if the Directors are of the view that such purchases are in the best interests of the Company and the Shareholders.

### 2.3 Terms of the Share Purchase Mandate

The authority and limitations placed on Share Purchases or acquisitions of Shares by the Company under the proposed Share Purchase Mandate are summarised below:

#### 2.3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares which may be purchased or acquired pursuant to the Share Purchase Mandate during the Relevant Period or within any one financial year of the Company, whichever is the earlier, is limited to that number of Shares representing not more than 10% of the issued ordinary share capital of the Company as at the date of the forthcoming SGM at which the Share Purchase Mandate is approved, unless the Company has effected a reduction of its share capital in accordance with the applicable provisions under the Act, at any time during the Relevant Period, in which event the issued ordinary share capital of the Company shall be taken to be the amount of the issued ordinary share capital of the Company as altered, excluding any treasury shares and subsidiary holdings that may be held by the Company from time to time.

**For illustrative purposes only**, on the basis of 17,205,438 issued and paid-up Shares (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date and

---

## LETTER TO SHAREHOLDERS

---

assuming no further Shares are issued on or prior to the SGM, not more than 1,720,543 Shares (representing not more than 10% of the total number of issued Shares as at that date) may be purchased or acquired by the Company pursuant to the proposed Share Purchase Mandate during the duration referred to in paragraph 2.3.2 (*Duration of Authority*) below.

### 2.3.2 Duration of Authority

Purchases or acquisitions of Shares pursuant to the proposed Share Purchase Mandate may be made, at any time and from time to time, on and from the date of the forthcoming SGM, at which the adoption of the Share Purchase Mandate is approved, up to the earlier of:

- (a) the date on which the next AGM of the Company is held or required by law to be held;
- (b) the date on which the purchases or acquisitions of Shares pursuant to the proposed Share Purchase Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Shareholders in a general meeting.

The authority conferred on the Directors by the Share Purchase Mandate to purchase Shares may be renewed by the Shareholders in a general meeting of the Company, such as at the next AGM or at a special general meeting to be convened immediately after the conclusion or adjournment of the next AGM.

### 2.3.3 Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchase(s) ("**Market Purchase**"), transacted through the SGX-ST's ready market or, as the case may be, any other securities exchange on which the Shares may for the time being, be listed and quoted, through one or more duly licensed stock brokers appointed by the Company for the purpose; and/or
- (b) off-market purchase(s) ("**Off-Market Purchase**") effected pursuant to an equal access scheme.

The Directors may impose such terms and conditions which are consistent with the Share Purchase Mandate, the Listing Manual, the Companies Act, the Memorandum and the Bye-Laws and/or any other applicable laws and regulations, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme(s). An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of issued Shares shall be made to every person who holds issued Shares to purchase or acquire the same percentage of their issued Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:-
  - (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
  - (2) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and

---

## LETTER TO SHAREHOLDERS

---

- (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

Pursuant to the Listing Manual, if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, the Company must issue an offer document to all Shareholders containing at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed purchase or acquisition of Shares;
- (iv) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (v) whether the purchases or acquisitions of Shares, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (vi) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases of Shares, where relevant, and the total consideration paid for the purchases; and
- (vii) whether the Shares purchased by the Company will be cancelled or held as treasury shares.

### 2.3.4 Maximum Purchase Price

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors provided such purchase price does not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter) of the Shares; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price of the Shares,

(the "**Maximum Price**") in either case, excluding related expenses of the Share Purchase.

For the above purposes:

"**Average Closing Price**" means the average of the closing market prices of a Share over the last five Market Days on which transactions in the Shares were recorded, immediately preceding the day of the Market Purchase or, as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action which occurs during the relevant five Market Days period and the day on which the purchases are made.

"**day of the making of the offer**" means the day on which the Company announces its intention to make an offer for an Off-Market Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

### 2.4 Status of Purchased Shares

Under Bermuda law, a share purchased or acquired by a Bermuda company is treated as cancelled immediately on purchase or acquisition (and all rights and privileges attached to that share will expire on such cancellation) unless the company is authorised by its memorandum of association or bye-laws to purchase or acquire its own shares to be held as treasury shares and such shares are purchased to be held as treasury shares. If the purchased or acquired shares are cancelled, the amount of the company's issued share capital, but not its authorised share capital, shall be diminished by the nominal value of those shares.

Under the Company's Bye-Laws, the Company is permitted to hold purchased Shares as treasury shares.

At the time of each Share Purchase, the Company may decide whether the Share purchase will be (a) cancelled, (b) held as treasury shares in accordance with the Companies Act, or (c) partly cancelled and partly held as treasury shares, depending on the needs of the Company and as the Directors deem fit in the interest of the Company at that time.

Any Shares purchased or acquired by the Company (and not held as treasury shares by the Company) and cancelled will automatically be delisted by the SGX-ST and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase.

### 2.5 Treasury Shares

Under the Companies Act, a company may purchase its own shares if authorised by its memorandum of association or bye-laws. Some provisions on treasury shares under the Companies Act and the Listing Manual are summarised below:

#### 2.5.1 Maximum Holdings

Under the Act, a company may, if authorised by its memorandum of association or bye-laws, purchase its own shares to be held as treasury shares. Any or all of the shares so purchased may be cancelled (in which event, the company's issued, but not its authorised, capital will be diminished accordingly by the nominal value of those shares) or may be held as treasury shares or may be disposed or transferred by the company for cash or other consideration. Under the laws of Bermuda, if a company holds shares as treasury shares, the company shall be entered in the register of members as the member holding the shares but the company is not permitted to exercise any rights in respect of those shares (including any right to attend and vote at meetings), and any purported exercise of such right is void.

No acquisition by a company of its own shares regardless whether to be held as treasury shares or to be cancelled may be effected if, on the date on which the acquisition is to be effected, there are reasonable grounds for believing that the company is, or after the acquisition would be, unable to pay its liabilities as they become due.

Additionally, a company may not acquire its own shares to be held as treasury shares if, as a result of the acquisition, all of the company's issued shares, other than the shares to be held as treasury, would be non-voting shares.

#### 2.5.2 Voting and Other Rights

A company cannot exercise any right in respect of treasury shares including any right to attend and vote at meetings and any purported exercise of such a right is void.

In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the company's assets (including any distributions of assets to members on a winding up) may be made, to the company in respect of treasury shares. However, the making of an allotment of shares as fully paid bonus shares in respect of treasury shares is allowed and any such bonus

---

## LETTER TO SHAREHOLDERS

---

shares shall be treated for the purposes of the Companies Act as if they had been acquired by the company at the time they were allotted.

### 2.5.3 Disposal and Cancellation

Where shares are held as treasury shares, a company may, *inter alia*, at any time:

- (a) continue to hold all or any of the treasury shares;
- (b) dispose of or transfer all or any of the treasury shares for cash or other consideration; or
- (c) cancel all or any of the treasury shares.

Pursuant to Rule 704(28) of the Listing Manual, the Company must immediately announce any sale, transfer, cancellation and/or use of treasury shares, stating the following:

- (i) date of the sale, transfer, cancellation and/or use;
- (ii) purpose of such sale, transfer, cancellation and/or use;
- (iii) number of treasury shares sold, transferred, cancelled and/or used;
- (iv) number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (v) percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (vi) value of the treasury shares if they are used for a sale or transfer, or cancellation.

### 2.6 **Reporting Requirements**

The Listing Manual specifies that a listed company shall notify the SGX-ST of all purchases or acquisitions of its shares not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day on which the Market Purchase was made, and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptance of the offer for the Off-Market Purchase.

However, Bye-Law 3(2) requires an announcement to be made on the Market Day following the day of all purchases or acquisitions of its shares.

The notification of such purchases or acquisition of Shares to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion the necessary information which will enable the Company to make the notifications to the SGX-ST.

Under the Listing Manual, immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, the "**usage**"). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares comprised in the usage, the number of treasury shares before and after the usage, the percentage of the number of treasury shares comprised in the usage against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after the usage, and the value of the treasury shares if they are used for the usage.

---

## LETTER TO SHAREHOLDERS

---

### 2.7 Source of Funds

In undertaking Share Purchases, the Company may only apply funds legally available for such purchase in the Bye-Laws and in accordance with the applicable laws in Singapore and Bermuda. The Company may not purchase its Shares for a consideration other than in cash or, in the case of a Market Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST. No purchase or acquisition by the Company of its Shares may be effected if, on the date on which the purchase or acquisition is effected, there are reasonable grounds for believing that the Company is, or after the purchase or acquisition would be, unable to pay its liabilities as they become due.

The Act permits the Company to purchase or acquire its own Shares out of capital paid up on the purchased Shares, or from funds of the Company which would otherwise be available for dividend or distribution, or out of the proceeds of a fresh issue of shares made for the purpose of the purchase. Apart from using its internal sources of funds, the Company may obtain or incur borrowings to finance its purchase or acquisition of Shares.

### 2.8 Financial Effects

It is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions of Shares that may be made pursuant to the Share Purchase Mandate on the NTA and EPS as the resultant effect would depend on, *inter alia*, aggregate number of Shares purchased or acquired, whether the purchase or acquisition is made out of capital or profits, the purchase prices paid for such Shares and the amount (if any) borrowed by the Company to fund the purchases or acquisitions.

The Company's total issued share capital will be diminished by the aggregate nominal value of the Shares purchased by the Company and which are cancelled. The NTA of the Group will be reduced by the aggregate purchase price paid by the Company for the Shares.

Under the Act, purchases of shares may only be effected out of the capital paid up on the purchased shares or out of the funds of the company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of shares made for the purpose of the purchase. Any premium payable on a purchase over the par value of the shares to be purchased must be provided for out of funds of the company otherwise available for dividend or distribution or out of the company's share premium account before the shares are purchased. Any amount due to a shareholder on a purchase by a company of its own shares may (a) be paid in cash; (b) be satisfied by the transfer of any part of the undertaking or property of the company having the same value; or (c) be satisfied partly under (a) and partly under (b). A company may purchase its own shares if authorised to do so by its memorandum of association or bye-laws. Such purchase may not be made if, on the date on which the purchase is to be effected, there are reasonable grounds for believing that the company is, or after the purchase would be, unable to pay its liabilities as they become due.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding related brokerages, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

The Directors do not propose to exercise the Share Purchase Mandate to such an extent that it would have a material adverse effect on the working capital requirements of the Group. The purchase or acquisition of the Shares will only be effected after considering relevant factors such as the working capital requirement, availability of financial resources, the expansion and investment plans of the Group and the prevailing market conditions. The proposed Share Purchase Mandate will be exercised with a view of enhancing the EPS and/or the NTA value per share.

**For illustrative purposes only**, the financial effects of the Share Purchase Mandate on the Company and the Group, based on the audited financial accounts of the Group for FY2020 are based on the assumptions set out below:

## LETTER TO SHAREHOLDERS

- (a) based on 17,205,438 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued on or prior to the SGM, not more than 1,720,543 Shares (representing 10% of the issued share capital as at that date) may be purchased by the Company pursuant to the proposed Share Purchase Mandate;
- (b) in the case of Market Purchases by the Company and assuming that the Company purchases or acquires 1,720,543 Shares at the Maximum Price of S\$0.693 for one Share (being the price equivalent to 5% above the Average Closing Price of the Shares for five Market Days on which transactions in Shares were recorded immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 1,720,543 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately S\$1.2 or RMB 5.8 million<sup>(1)</sup>; and

### 2.9 Take-over Obligations

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

#### 2.9.1 Obligation to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and person acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

#### 2.9.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of the company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert, namely:

- (a) the following companies:

  - (iv) the fellow subsidiaries of (i);

- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to the instructions of that individual, companies controlled by any of the above, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

### 2.9.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring the Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months. In calculating the percentages of voting rights by such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder who is not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company buying back its own Shares, the voting rights of the Shareholder will increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

Further details of the interests of the Directors and Substantial Shareholders of the Company as at the Latest Practicable Date are set out in section 3 of this Circular.

### 2.9.4 Application of the Take-over Code

Based on the shareholdings of the Directors in the Company as at the Latest Practicable Date, none of the Directors will become obligated to make a mandatory offer by reason only of the buying back of 10% of the Shares by the Company pursuant to the Share Purchase Mandate.

The Directors are not aware of any Shareholder or group of Shareholders acting in concert who may become obligated to make a mandatory offer in the event that the Directors exercise the power to repurchase Shares pursuant to the Share Purchase Mandate.

## LETTER TO SHAREHOLDERS

---

**Shareholders who are in doubt as to their obligations, if any, to make a mandatory takeover offer under the Take-over Code as a result of Share Purchase by the Company are advised to consult their professional advisers and/or the Securities Industry Council and/or other relevant authorities at the earliest opportunity.**

### 2.10 Listing Rules

#### 2.10.1 Restrictions on Share Purchase

While the Listing Manual does not expressly prohibit purchase of shares by a listed company during any particular time or times, the listed company would be considered an "insider" in relation to any proposed purchase or acquisition its Shares. In this regard, the Company will not purchase any Shares pursuant to the Share Purchase Mandate after a price-sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such time as the price-sensitive information has been publicly announced. In particular, the Company will not purchase or acquire any Shares through Market Purchases and/or Off-Market Purchases during the following periods and at all times in compliance with Rule 1207(19) of the Listing Manual : -

- (a) where the Company announces its quarterly financial statements (whether required by the SGX-ST or otherwise), the Company will not purchase or acquire any shares during the period commencing two weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year, and one month before the announcement of the Company's full year financial statements, and ending on the date of the announcement of the relevant financial statements; and
- (b) where the Company does not announce its quarterly financial statements, the Company will not purchase or acquire any Shares during the period commencing one month before the announcement of the Company's half year and full year financial statements, and ending on the date of the announcement of the relevant financial statements.

#### 2.10.2 Free Float

The Company is required under Rule 723 of the Listing Manual to ensure that at least 10% of its issued Shares excluding treasury shares (excluding preferences shares and convertible equity securities) in a class that is listed is at all times held by the public. The "public", as defined under the Listing Manual, are persons other than the directors, chief executive officer, Substantial Shareholders or controlling shareholders of a Company and its subsidiaries, as well as the Associates of such persons.

Based on the register of Directors' shareholdings and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, approximately 3,613,838 Shares, representing 21.0% of the issued share capital, are in the hands of the public. Assuming that the Company purchases its Shares through Market Purchases up to the full 10% limit pursuant to the Share Purchase Mandate, the number of Shares in the hands of the public would be reduced to 1,893,294 Shares, representing 12.23% of the reduced issued share capital of the Company. Accordingly, the Company is of the view that there is a sufficient number of issued share capital held in the hands of the public which would permit the Company to undertake purchases or acquisitions of its Shares to the full 10% limit pursuant to the proposed Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity.

In undertaking any purchases or acquisitions of Shares through Market Purchases, the Directors will use their best efforts to ensure that, notwithstanding such purchases, a sufficient float in the hands of the public will be maintained so that the purchases or acquisitions of Shares will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.
