19. Reference

- The payment date for new shares is the date of debt-to-equity conversion and there is no payment for the new shares in accordance with the revised rehabilitation plan.
- This debt-to-equity conversion is for the two kinds of creditors. The one is for those who had confirmed claim amount on the initial rehabilitation plan but not submitted identification document

to Pan Ocean in the previous debt-to-equity period and the other is for those who has confirmed claim amount after the approval of revised rehabilitation plan from the Court on 12th June 2015.

- Issuing price per a share was decided to KRW 12,500 according to the 2nd share consolidation(ratio 10:1) on the initial rehabilitation plan and another share consolidation(ratio 1.25:1) on the revised rehabilitation plan.
- The fractional shares less than 1 share accrued from the paid-in capital increase will be nullified pursuant to the revised rehabilitation plan.
- For the creditors who submitted the identification documents, the debt-to-equity conversion might be reserved this time due to disqualifications and proceed separately upon the BOD's approval after qualified identification documents being acquired.
