The Company will provide further details of the Group’s financial performance in the HY2026 Unaudited Results Announcement, to be released on or before 14 August 2026. Shareholders should note that the aforementioned profit guidance is only based on a preliminary assessment by the Board based on information currently available, and may be subject to further adjustments and finalisation.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company and they should consult their stockbrokers, bankers, solicitors, accountants or other professional advisers (as appropriate) if they have any doubt about the actions they should take.
