To: The Shareholders of Ascent Bridge Limited

Dear Sir/Madam,

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

1.1. Notice of AGM

The Directors refer to the Notice of AGM of the Company dated 11 April 2022, accompanying the Annual Report for the financial year ended 31 December 2021, convening the annual general meeting of the Company to be held on 28 April 2022 ("**2022 AGM**"), and Resolution 11 under the heading "*The Proposed Renewal of the Share Buyback Mandate*" as set out in the Notice of AGM.

1.2. Purpose of this Appendix

The purpose of this Appendix is to provide Shareholders with information relating to Resolution 11 in the Notice of AGM on the proposed renewal of the Share Buyback Mandate. The Directors propose to table the approval of the renewal of the Share Buyback Mandate for the consideration and approval of the Shareholders at the forthcoming 2022 AGM.

The SGX-ST assumes no responsibility for the contents of this Appendix, including the accuracy of any of the statements or opinions made or reports or letters contained in this Appendix.

1.3. Legal Adviser

ZICO Insights Law LLC is the legal adviser to the Company as to Singapore law in relation to the proposed renewal of the Share Buyback Mandate.

2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

2.1. Background

The Act allows for a Singapore-incorporated company to purchase or otherwise acquire its issued ordinary shares, stocks and preference shares if the purchase or acquisition is permitted under the company's constitution. Any purchase or acquisition of Shares by the Company must be

LETTER TO SHAREHOLDERS

made in accordance with, and in the manner prescribed by the Act, the Constitution, the Listing Manual and such other laws and regulations as may, for the time being, be applicable. As the Company is listed on the Mainboard, it is also required to comply with Part XIII of Chapter 8 of the Listing Manual, which relates to the purchase or acquisition by an issuer of its own shares. Regulation 54(2) of the Constitution expressly permits the Company to purchase or otherwise acquire its issued Shares.

It is a requirement under the Act and Listing Manual for a company that wishes to purchase or otherwise acquire its own shares to obtain approval of its shareholders. Accordingly, Shareholders' approval is being sought for the proposed renewal of the Share Buyback Mandate.

2.2. Proposed renewal of the Share Buyback Mandate

(a) 2021 Share Buyback Mandate

Shareholders had approved the Share Buyback Mandate at the annual general meeting of the Company held on 28 April 2021 ("**2021 AGM**"). The authority and limitations of the Share Buyback Mandate were set out in the appendix to the Company's annual report dated 13 April 2021.

The Share Buyback Mandate was expressed to take effect from the date of the 2021 AGM and will expire on the date of the forthcoming 2022 AGM. Accordingly, Shareholders' approval is being sought for the renewal of the Share Buyback Mandate at the 2022 AGM.

As at the Latest Practicable Date, the Company had not purchased or acquired any of its Shares (whether by way of Market Purchases or Off-Market Purchases) in the previous 12 months preceding the Latest Practicable Date.

(b) 2022 Share Buyback Mandate

The proposed renewal of the Share Buyback Mandate is tabled as an ordinary resolution under the heading "Special Business" in the Notice of AGM. The Directors propose that the renewal of the Share Buyback Mandate be approved at the 2022 AGM to authorise the Directors to exercise all powers of the Company to undertake Share Buybacks in accordance with the terms of the Share Buyback Mandate, as well as the rules and regulations set forth in the Act and the Listing Manual. Further details on the proposed renewal of the Share Buyback Mandate are set out in section 2 of this Appendix.

If approved by Shareholders at the 2022 AGM, the authority conferred by the Share Buyback Mandate will take effect from the date of the 2022 AGM and continue in force until the date on which the next annual general meeting of the Company is held or as required by law to be held, whichever is earlier, unless prior thereto, Share Buybacks have been carried out to the full extent mandated, or the authority conferred by the Share Buyback Mandate is revoked or varied by Shareholders in a general meeting.

2.3. Rationale

The renewal of the Share Buyback Mandate authorising the Company to purchase or acquire its issued Shares would give the Company the flexibility to undertake purchases or acquisitions of Shares at any time, subject to market conditions, during the period when the Share Buyback Mandate is in force.

LETTER TO SHAREHOLDERS

The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:

- (a) share buybacks provide the Company and its Directors with an additional mechanism to facilitate the return of surplus cash over and above the Company's ordinary capital requirements, in an expedient and cost-efficient manner;
- (b) share buybacks will allow the Directors greater flexibility over the Company's share capital structure with a view to enhance the EPS and/or NTA per Share; and
- (c) share buybacks will help to militate against short term market volatility and offset the effects of short term speculation.

The Directors will only engage in Share Buybacks when they believe that it would benefit the Company and Shareholders, taking into consideration factors such as the amount of surplus cash available and the prevailing market conditions. In addition, the Directors do not intend to engage in Share Buybacks to such extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Group, the orderly trading of the Shares, or the listing status of the Company on the SGX-ST.

2.4. Authority and Limits on the Share Buyback Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Share Buyback Mandate are summarised as follows:

(a) **Maximum number of Shares**

Only Shares which are issued and fully paid-up may be purchased by the Company. The total number of Shares that may be purchased pursuant to the Share Buyback Mandate is limited to that number of Shares representing not more than 10% of the aggregate issued Shares of the Company as at the date the resolution in relation to the Share Buyback Mandate is approved (being the date of the 2022 AGM) (the "**Approval Date**"). Any Shares which are held as treasury shares or as subsidiary holdings will be disregarded for the purposes of computing the 10.0% limit.

For illustrative purposes only, on the basis of 87,072,231 Shares in issue (excluding 3,009,200 treasury shares) as at the Latest Practicable Date and assuming that on or prior to the 2022 AGM (i) no further Shares are issued or repurchased and held as treasury shares, and (ii) no Shares are held as subsidiary holdings, not more than 8,707,223 Shares (representing 10% of the Shares in issue as at the Approval Date) may be purchased or acquired by the Company pursuant to the proposed renewal of the Share Buyback Mandate.

(b) **Duration of authority**

Under the proposed renewal of the Share Buyback Mandate, Share Buybacks may be made, at any time and from time to time, on and from the Approval Date, up to:

- (i) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (ii) the date on which the authority conferred by the Share Buyback Mandate is revoked

LETTER TO SHAREHOLDERS

or varied by the Company in a general meeting; or

- (iii) the date on which Share Buybacks are carried out to the full extent mandated, whichever is the earliest.

(c) **Manner of Share Buybacks**

Share Buybacks may be made by way of:

- (i) an on-market purchase ("**Market Purchase**") transacted through the SGX-ST's trading system or, as the case may be, any other securities exchange on which the Shares are listed and quoted, through one (1) or more duly licensed stock brokers appointed by the Company for the purpose; and/or
- (ii) an off-market purchase ("**Off-Market Purchase**"), otherwise than on a securities exchange, in accordance with an equal access scheme (as defined in Section 76C of the Act) as may be determined or formulated by the Directors of the Company as they consider fit, which scheme shall satisfy all the conditions prescribed by the Act and the Listing Rules.

(d) **Off-Market Purchase**

The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate and the Act, as they consider fit in the interest of the Company in connection with or in relation to any equal access scheme(s). Under the Act, an Off-Market Purchase effected in accordance with an equal access scheme must satisfy all of the following conditions:

- (i) the offers under the scheme shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (1) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (2) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid; and
 - (3) differences in the offers introduced solely to ensure that each member is left with a whole number of Shares.

In addition, Rule 885 of the Listing Rules provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which contain at least the following information:

- (A) the terms and conditions of the offer;

LETTER TO SHAREHOLDERS

- (B) the period and procedures for acceptances;
 - (C) the reasons for the proposed Share Buyback;
 - (D) the consequences, if any, of the Share Buyback by the Company that will arise under the Code or other applicable takeover rules;
 - (E) whether the Share Buyback, if made, could affect the listing of the Shares on the SGX-ST;
 - (F) details of any Share Buybacks made by the Company in the previous 12 months (whether by way of Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Buybacks, where relevant, and the total consideration paid for such Share Buybacks; and
 - (G) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.
- (e) **Maximum purchase price**

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for a Share in the event of any Share Buyback shall be determined by the Directors.

However, the purchase price to be paid for a Share must not exceed:

- (i) in the case of a Market Purchase, 105% of the average of the closing market prices of the Shares over the last five (5) market days on which transactions in the Shares were recorded, immediately preceding the day of the Market Purchase, and deemed to be adjusted for any corporate action occurring during the relevant 5-day period and the day on which the purchases are made; and
- (ii) in the case of an Off-Market Purchase, 120% of the average of the closing market prices of the Shares over the last five (5) market days on which transactions in the Shares were recorded, immediately preceding the day of making of the offer pursuant to the Off-Market Purchase,

(the “**Maximum Price**”), in each case, excluding brokerage, stamp duties, applicable goods and services tax and other related expenses.

For the purposes of this Section 2.4(e), “**day of making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.5. Status of Purchased Shares

Any Share which is purchased or acquired by the Company shall, unless held as treasury shares

LETTER TO SHAREHOLDERS

in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition, and all rights and privileges attached to that Share will expire on cancellation. The total number of Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

All Shares purchased or acquired by the Company (other than treasury shares held by the Company in accordance with the Act) will be automatically delisted by the SGX-ST and certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase or acquisition.

2.6. Treasury Shares

Under the Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Act are summarised below:

(a) **Maximum holdings**

The number of shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

(b) **Voting and other rights**

The treasury shares shall be treated as having no voting rights and shall not be entitled to any dividend or other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members on a winding up). However, an allotment of shares as fully paid bonus shares in respect of the treasury shares is allowed. A subdivision or consolidation of any treasury share into treasury shares of a greater or smaller amount is also allowed if the total value of the treasury shares after the subdivision or consolidation is the same as before.

(c) **Disposal and cancellation**

Where Shares are held as treasury shares, the Company may at any time:

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes of or pursuant to a share scheme, whether for employees, directors or other persons;
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

2.7. Source Of Funds

The Company may not purchase or acquire its Shares on the SGX-ST for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the SGX-ST.

LETTER TO SHAREHOLDERS

Any purchase or acquisition of Shares may be made only if the Company is solvent and out of the Company's capital or profits. It is an offence for a Director or chief executive officer of the Company to approve or authorise the purchase or acquisition of Shares, knowing that the Company is not solvent. For this purpose, pursuant to the Act, a company is solvent if at the date of the payment the following conditions are satisfied:

- (a) there is no ground on which the company could be found to be unable to pay its debts;
- (b) if:
 - (i) it is intended to commence winding up of the company within the period of 12 months immediately after the date of the payment, the company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase, acquisition, variation or release (as the case may be), become less than the value of its liabilities (including contingent liabilities).

The Company will use internal resources or external borrowings or a combination of both to fund purchases of Shares pursuant to the Share Buyback Mandate. However, in considering the option of external financing, the Directors will consider particularly the prevailing gearing level of the Group. The Directors will only make purchases or acquisitions pursuant to the Share Buyback Mandate in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group.

2.8. Listing Rules

(a) Reporting requirements

Rule 886 of the Listing Rules provides that a listed company shall notify the SGX-ST of any Share Buyback as follows:

- (i) in the case of a Market Purchase, by 9.00 a.m. on the Market Day following the day on which it purchased Shares; and
- (ii) in the case of an Off-Market Purchase under an equal access scheme, by 9.00 a.m. on the second Market Day after the close of acceptances of the offer.

The notification of such Share Buybacks to the SGX-ST shall be in such form and shall include such details as the SGX-ST may prescribe, such as the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Shares, as applicable.

(b) Insider trading

LETTER TO SHAREHOLDERS

While the Listing Rules do not expressly prohibit any purchase of shares by a listed company during any particular time or times, because a listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its shares, the Company will not undertake any purchase or acquisition of its Shares pursuant to the Share Buyback Mandate at any time after a price sensitive matter or development has occurred or has been the subject of a decision until the price sensitive information has been announced. In particular, in line with the best practices on securities dealings stated in Rule 1207(19) of the Listing Manual, the Company will not purchase or acquire any Shares pursuant to the Share Buyback Mandate during the period commencing two weeks immediately preceding the announcement of the Company's first three quarterly results or one month immediately preceding the announcement of the Company's half year or full year results, as the case may be.

(c) **Listing status**

Under the Listing Rules, the Company is required to ensure that at least 10% of its shares excluding treasury shares (excluding preference shares and convertible equity securities) are at all times held by the public.

As at the Latest Practicable Date, 42,343,226 Shares representing approximately 48.63% of the Company's Shares are held in the hands of the public. In undertaking any purchase of its Shares through Market Purchases, the Directors will use their best efforts to ensure a sufficient number of Shares remain in the hands of the public so that the Share Buybacks will not:

- (i) adversely affect the listing status of the Shares on the SGX-ST;
- (ii) cause market illiquidity; or
- (iii) adversely affect the orderly trading of the Shares.

2.9. Reporting requirements under the Act

Within 30 days of passing of the Shareholders' resolution to approve the purchase of Shares by the Company, the Company shall lodge a copy of such resolution with the Accounting and Corporate Regulatory Authority of Singapore (“ACRA”).

The Company shall notify ACRA within 30 days of a purchase or acquisition of Shares on the SGX-ST or otherwise. Such notification shall include details of the purchase or acquisition, including the date of the purchase or acquisition, the number of Shares purchased or acquired by the Company, the number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued share capital before and after the purchase or acquisition of Shares, the amount of consideration paid by the Company for the purchase or acquisition of Shares, and whether the Shares were purchased or acquired out of the profits or the capital of the Company.

Within 30 days of cancellation or disposal of treasury shares in accordance with provisions of the Act, the Company shall lodge with ACRA the notice of cancellation or disposal of treasury shares in the prescribed form as required by ACRA.

2.10. Takeover Implications under the Code

LETTER TO SHAREHOLDERS

Appendix 2 of the Code contains the Share Buyback Guidance Note. The takeover implications arising from any purchase or acquisition by the Company of its Shares are set out below.

(a) **Obligation to make a takeover offer**

Pursuant to Appendix 2 of the Code, any increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him resulting from a Share Buyback by the Company will be treated as an acquisition for the purposes of Rule 14 of the Code. Consequently, depending on the number of Shares purchased or acquired by the Company and the number of issued Shares at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate effective control of the Company and could become obliged to make a takeover offer under Rule 14 of the Code.

(b) **Persons acting in concert**

Under the Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company. Unless the contrary is established, the persons who will be presumed to be acting in concert include the following:

- (i) the following companies:
 - (A) a company;
 - (B) the parent company of (A);
 - (C) the subsidiaries of (A);
 - (D) the fellow subsidiaries of (A);
 - (E) the associated companies of any of (A), (B), (C) or (D);
 - (F) companies whose associated companies include any of (A), (B), (C), (D), or (E); and
 - (G) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and
- (ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a takeover offer under Rule 14 after a purchase of Shares by the Company are set out in Appendix 2 of the Code.

(c) **Effect of Rule 14 and Appendix 2**

LETTER TO SHAREHOLDERS

In general terms, the effect of Rule 14 and Appendix 2 of the Code is that, unless exempted, Directors and parties acting in concert with them will incur an obligation to make a takeover offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six (6) months.

Under Appendix 2 of the Code, a Shareholder not acting in concert with the Directors will not be required to make a takeover offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the proposed renewal of the Share Buyback Mandate unless so required under the Act.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory takeover offer under the Code as a result of Share Buybacks by the Company are advised to consult their professional advisers and/or the SIC and/or other relevant authorities at the earliest opportunity.

(d) **Conditions for Exemption from making a General Offer under Rule 14 of the Code**

Pursuant to Section 3(a) of Appendix 2 of the Code, Directors and their concert parties will be exempted from the requirement to make a general offer under Rule 14 of the Code as a result of any Share Buyback carried out pursuant to the Share Buyback Mandate, subject to the following conditions:

- (i) this Appendix seeking Shareholders' approval for the renewal of the Share Buyback Mandate contains advice to the effect that by voting in favour of the proposed renewal of the Share Buyback Mandate, Shareholders are waiving their rights to a general offer at the required price from the Directors and their concert parties, who, as a result of the Company buying back its Shares, would increase their voting rights to 30% or more, or, if they hold between 30% and 50% of the Company's voting rights, would increase their voting rights by more than 1% in any six (6) months period. The names of the members of the Directors and their concert parties and their voting rights at the time of the resolution and after the Share Buyback should also be disclosed in the same Appendix;
- (ii) the resolution for the proposed renewal of the Share Buyback Mandate is approved by a majority of those Shareholders present and voting at the meeting on a poll who could not become obliged to make a general offer as a result of the Share Buyback;
- (iii) the Directors and their concert parties abstain from voting for and/or recommending Shareholders to vote in favour of the resolution to approve the proposed renewal of the Share Buyback Mandate;
- (iv) within seven (7) days after passing of the resolution to approve the renewal of the Share Buyback Mandate, each of the Directors submits to the SIC a duly signed form as prescribed by the SIC;

LETTER TO SHAREHOLDERS

- (v) the Directors and their concert parties not having acquired and will not acquire any Shares between the date on which they know that the announcement of the Share Buyback under the Share Buyback Mandate is imminent and the earlier of:
 - (A) the date on which the authority of the Share Buyback Mandate expires; and
 - (B) the date on which the Company announces it has bought back such number of Shares as authorised by the Share Buyback Mandate or it has decided to cease buying back its Shares, as the case may be,

if such acquisitions, taken together with the Share Buyback, would cause them to incur an obligation to make a general offer under the Code.

As such, if the aggregate voting rights held by the Directors and their concert parties increases by more than one percent (1%) solely as a result of Share Buybacks pursuant to the Share Buyback Mandate, and none of them have acquired any Shares during the relevant six (6) month period, the Directors and their concert parties would be eligible for the exemption from the requirement to make a general offer under Rule 14 of the Code, or where such exemption had been granted, would continue to enjoy the exemption.

If the Company has bought back such number of its Shares as authorised by the Shareholders at the latest general meeting or has ceased to buy back its Shares and the aggregate voting rights held by the Directors and their concert parties have increased by one percent (1%) or more as a result of the Company repurchasing its Shares, the Directors and their concert parties will incur a bid obligation for the Company if they purchase or acquire any additional voting rights in the Company (other than as a result of the Company buying back Shares under the Share Buyback Mandate) before the date of the Company's next annual general meeting is or is required to be held.

If the Company ceases to buy back its Shares and the increase in the aggregate voting rights held by the Directors and their concert parties as a result of the relevant buyback of Shares at such time is less than one percent (1%), the Directors and their concert parties may acquire further voting rights in the Company. However, any increase in the percentage voting rights as a result of the buyback under the Share Buyback Mandate will be taken into account together with any voting rights acquired by the Directors and their concert parties (by whatever means) in determining whether the Directors and their concert parties have increased their aggregate voting rights in the Company by more than one percent (1%) in any six (6) months period.

As Mr. Sun Quan (who is a Director of the Company) has a controlling interest in the fund manager of MTBL Global Fund and is the sole shareholder and director of MTBL

LETTER TO SHAREHOLDERS

Global Holdings Pte. Ltd., he is deemed interested in the Shares held by MTBL Global Fund and MTBL Global Holdings Pte. Ltd. Accordingly, Mr. Sun Quan is deemed interested in approximately 39.58% of the voting rights of the Company held by MTBL Global Fund and 11.77% of the voting rights of the Company held by MTBL Global Holdings Pte. Based on the interests of the Affected Parties as at the Latest Practicable Date, and assuming that:

- (A) there is no change in the shareholdings of each of the Affected Parties between the Latest Practicable Date and the Approval Date; and
- (B) no further Shares are issued by the Company on or prior to the Approval Date,

the purchase or acquisition by the Company of the maximum limit of 10% of its issued Shares as at the Latest Practicable Date will result in the following:

- (1) the voting rights of MTBL Global Fund in the Company will increase from approximately 39.58%² to 43.98%³;
- (2) the voting rights of MTBL Global Holdings Pte. Ltd. in the Company will increase from approximately 11.77%² to 13.08%³; and

LETTER TO SHAREHOLDERS

2.11. Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications, or who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

3. FINANCIAL EFFECTS OF THE SHARE BUYBACKS

It is not possible for the Company to realistically calculate or quantify the financial effects of Share Buybacks made pursuant to the Share Buyback Mandate as the resultant effect would depend on, *inter alia*, the number of Shares purchased or acquired, the price paid for such Shares and the manner in which the purchase or acquisition is funded.

Under the Act, any purchase or acquisition of Shares may only be made out of the Company's capital or profits so long as the Company is solvent. Where the consideration paid by the Company for a Share Buyback is made out of profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for a Share Buyback is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

Share Buybacks will only be effected after assessing the relative impact of a Share Buyback taking into consideration both financial factors (such as cash surplus, debt position, availability of financial resources and working capital requirements) and non-financial factors (such as share market conditions, funding arrangements, expansion and investment plans of the Group and the performance of the Shares). The Directors do not propose to exercise the Share Buyback Mandate to such an extent that it would have a material adverse effect on the working capital requirements of the Group.

For illustrative purposes only, the financial effects of the Share Buyback Mandate on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2021, are set out in **Appendix A** herein.

Shareholders should note that the financial effects illustrated set out in Appendix A are based on certain assumptions and purely for illustrative purposes only. In particular, it is important to note that the above analysis is based on the audited accounts of the Company and the Group for the financial year ended 31 December 2021 and is not necessarily representative of the future financial performance of the Company or the Group.

Although the proposed renewal of the Share Buyback Mandate would authorise the Company to buy back up to 10% of the Company's issued Shares, the Company may not necessarily buy back or be able to buy back the entire 10% of the issued Shares, nor to such an extent that would materially and adversely affect the financial position of the Company or the Group. In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased in treasury.

(a) Exercise in full of the Share Buyback Mandate

Based on 87,072,231 Shares in issue (excluding 3,009,200 treasury shares) as at the Latest Practicable Date and assuming that on or prior to the Approval Date (i) no further Shares are issued or repurchased and held as treasury shares, and (ii) no Shares are held as subsidiary holdings, the Share Buyback by the Company of up to 10% of its Shares (disregarding treasury shares), will result in the Share Buyback of 8,707,223 Shares pursuant to the Share Buyback Mandate (assuming the 3,009,200 treasury shares are cancelled during the year).
