INTRODUCTORY STATEMENT

This Amendment No. 1 to Schedule TO (this “Amendment No. 1”) amends and supplements the Tender Offer Statement on Schedule TO that was initially filed by NIO Inc. (the “Company”) on December 26, 2024 (the “Schedule TO”) with respect to the right of each Holder of the Company’s 0.50% Convertible Senior Notes due 2027 (the “Notes”) to sell, and the obligation of the Company to purchase, the Notes, as set forth in the Schedule TO and the Repurchase Right Notice to Holders of the Notes issued by the Company dated as of December 26, 2024 (the “Repurchase Right Notice”). The information contained in the Schedule TO, including the Repurchase Right Notice as amended and supplemented hereby, is incorporated herein by reference. Capitalized terms used and not otherwise defined in this Amendment No. 1 shall have the meanings assigned to such terms in the Repurchase Right Notice or in the Schedule TO.

Except as specifically provided herein, this Amendment No. 1 does not modify any of the information previously reported on the Schedule TO.

Repurchase Right Notice

The Repurchase Right Notice and the corresponding Items 1 through 9 of Schedule TO into which such information is incorporated by reference are hereby amended as follows:

1. The second to last paragraph on the cover page of the Repurchase Right Notice is hereby deleted in its entirety and replaced with the following:

“To exercise your Repurchase Right and receive the Repurchase Price, you must deliver the Notes through the transmittal procedures of the Depository Trust Company (“DTC”) between 9:00 a.m., New York City time, on Monday, December 30, 2024 (the “Commencement Date) and 5:00 p.m., New York City time, on the Expiration Date. Notes delivered through the transmittal procedures of DTC for purchase may be withdrawn at any time prior to 5:00 p.m., New York City time, on the Expiration Date, by complying with the withdrawal procedures of DTC. The surrender by a Holder of any Notes to DTC via the transmittal procedures of DTC’s Automated Tender Offer Program will constitute delivery of a Repurchase Notice that satisfies such Holder’s notice requirements for its exercise of its Repurchase Right. DTC’s ATOP system only commenced receiving surrender of Notes at 9:00 a.m., New York City time, on the Commencement Date and any surrender of Notes delivered prior to this time will not be accepted by the ATOP system.”

2. The paragraph under the heading “When does the Repurchase Right expire?” on page 3 of the Repurchase Right Notice is hereby deleted in its entirety and replaced with the following:

“Your right to exercise the Repurchase Right expires at 5:00 p.m., New York City time, on Thursday, January 30, 2025 (the “Expiration Date). If we extend the offer period, we will publicly disclose the new expiration date by filing an amendment to the Schedule TO and by issuing a press release. (Page 7)”

3. The paragraph under Section “The Company’s Obligation to Purchase the Notes” on pages 7-8 of the Repurchase Right Notice is hereby amended by deleting the fourth sentence in the paragraph in its entirety and replacing the fifth and sixth sentences in such paragraph with the following:

“The Indenture does not provide us with the right to delay the Repurchase Date at our sole discretion. If the offer period is extended, we will publicly disclose the new expiration date by filing an amendment to the Schedule TO and by issuing a press release.”
4. The paragraph under the heading “Can the Company redeem the Notes?” on page 2 of the Repurchase Right Notice is hereby amended by adding the following sentence at the end of such paragraph before the page number reference of “(Page 10)”: “In addition, the Company will not redeem the Notes before February 13, 2025 pursuant to Rule 13e-4(f)(6)(i).”
5. Section “Redemption” on pages 9-10 of the Repurchase Right Notice is hereby amended by adding the following sentence at the end of such section: “In addition, the Company will not redeem the Notes before February 13, 2025 pursuant to Rule 13e-4(f)(6)(i).”
6. 8. The fifth paragraph under Section “Right of Withdrawal” on pages 13-14 of the Repurchase Right Notice is hereby amended by adding the following sentence at the end of such paragraph: “Holders are not foreclosed from challenging our determination in a court of competent jurisdiction in accordance with the Indenture.”

9. The first paragraph under Section “Plans or Proposals of the Company” on pages 14-15 of the Repurchase Right Notice is hereby amended by replacing the first sentence with the following:

The delivery of this Repurchase Right Notice shall not under any circumstances create any implication that the information contained in this Repurchase Right Notice is current as of any time subsequent to the date of such information. None of the Company, its board of directors, or its executive management is making any representation or recommendation to any Holder as to whether or not to exercise the Repurchase Right. SUMMARY TERM SHEET

The following are answers to some of the questions that you may have about the Repurchase Right. To understand the Repurchase Right fully and for a more complete description of the terms of the Repurchase Right, we urge you to carefully read the remainder of this Repurchase Right Notice because the information in this summary is not complete. We have included page references to direct you to a more complete description of the topics in this summary.

Who is offering to purchase my Notes?

NIO Inc., a Cayman Islands company (the “Company”), is obligated to purchase those 0.50% Convertible Senior Notes due 2027 with respect to which you validly exercise your Repurchase Right. (Page 7)

Why is the Company offering to purchase my Notes?

The right of each Holder of the Notes to sell and the obligation of the Company to purchase such Holder’s Notes pursuant to the Repurchase Right at the time described in this Repurchase Right Notice is a term of the Notes and has been a right of the Holders from the time the Notes were issued on January 15, 2021. We are required to repurchase the Notes of any Holder that exercises its Repurchase Right pursuant to the terms of the Notes and the Indenture. (Pages 7-8)

Which of the Notes is the Company obligated to purchase?

We are obligated to purchase all of the Notes surrendered (and not withdrawn) by any Holder through the facilities of, and in accordance with the procedures of, the Depository Trust Company (“DTC”) prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025. As of December 25, 2024 US\$378,525,000.00 in aggregate principal amount of the Notes was outstanding. The Notes were issued under the Indenture, dated as of January 15, 2021 (the “Indenture”), by and between the Company and The Deutsche Bank Trust Company Americas, as trustee and paying agent (the “Trustee” and the “Paying Agent”). The surrender by a Holder of any Notes to DTC via the transmittal procedures of DTC’s Automated Tender Offer Program will constitute delivery of a Repurchase Notice that satisfies such Holder’s notice requirements for its exercise of its Repurchase Right. (Pages 7-8)

How much will the Company pay and what is the form of payment?

Pursuant to the terms of the Indenture and the Notes, we will pay, in cash, a repurchase price equal to 100% of the principal amount of the Notes, *plus* any accrued and unpaid interest, if any, to, but excluding, February 1, 2025 (the “Repurchase Price”), with respect to any and all Notes validly surrendered for repurchase and not withdrawn; provided that such accrued and unpaid interest (if any) will not be paid to the Holder submitting the Notes for repurchase on February 1, 2025 but will be paid to the Holder of record as of 5:00 p.m., New York City time, on Wednesday, January 15, 2025. (Page 8)

How much accrued and unpaid interest will the Company pay as part of the Repurchase Price?

None. Pursuant to the terms of the Indenture and the Notes, the next interest payment date for the Notes is Saturday, February 1, 2025. As February 1, 2025 is a Saturday, pursuant to the terms of the Indenture and the Notes, on Monday, February 3, 2025, the Company will pay accrued and unpaid interest, if any, on all of the Notes through January 31, 2025 to all Holders who were Holders of record as of 5:00 p.m., New York City time, on Wednesday, January 15, 2025, regardless of whether the Repurchase Right is exercised with respect to such Notes, with the same force and effect as if paid on February 1, 2025 and no interest shall accrue in respect of the delay. As a result, on February 1, 2025, which is the date specified in the Indenture for repurchase (the “Repurchase Date”), there will be no accrued and unpaid interest on the Notes. (Page 8)

Can the Company redeem the Notes?

Subject to the provisions of the Indenture, the Company may, at its option, (i) on not less than 30 Scheduled Trading Days’ nor more than 40 Scheduled Trading Days’ prior notice, redeem all but not part of the Notes (except in respect of certain Holders that elect otherwise as described in the Indenture) in connection with a change in tax law; and (ii) on or after February 6, 2025 and on or prior to the 20th Scheduled Trading Day immediately prior to the Maturity Date, redeem for cash all or part of the Notes, at its option, if the Last Reported Sale Price of the ADSs has been at least 130% of the Conversion Price then in effect on (A) each of at least 20 Trading Days ending on, and including, the Trading Day immediately prior to the date the Company provides notice of redemption, and (B) the Trading Day immediately preceding the date the Company sends such notice, each at a redemption price equal to 100% of the principal amount plus accrued and unpaid interest, if any, to, but not including, the redemption date as described in the Indenture. Upon receiving such notice of redemption, each Holder will have the right to elect to not have its Notes redeemed, subject to the provisions of the Indenture. In addition, the Company will not redeem the Notes before February 13, 2025 pursuant to Rule 13e-4(f)(6)(i). (Page 10)

What are my rights to convert my Notes?

Subject to and upon compliance with the provisions of the Indenture, a Holder will have the right, at such Holder’s option, to convert all or any portion (if the portion to be converted is US\$1,000 principal amount or an integral multiple thereof) of such Note on or after August 1, 2026 and prior to 5:00 p.m., New York City time, on Thursday, January 28, 2027 at an initial conversion rate of 10.7458 ADSs (subject to certain adjustments, the “Conversion Rate”) per US\$1,000 principal amount of Notes (the “Conversion Obligation”). If a Holder has already delivered a Fundamental Change Repurchase Notice or a Repurchase Notice with respect to a Note, such Holder may not surrender that Note for conversion until the Holder has withdrawn the applicable repurchase notice in accordance with the Indenture. The conversion of your Notes is subject to the provisions regarding conversion contained in the Indenture and the Notes.

Generally, if you exercise the conversion right and the price per ADS is less than the Conversion Price during the relevant observation period, the value of the consideration that you receive in exchange for your Notes will be less than the aggregate principal amount of the Notes. The Conversion Price at any given time is computed by dividing US\$1,000 by the applicable Conversion Rate at such time. (Page 9)

How will the Company fund the purchase of the Notes?

The Company plans to use its cash balance as of the Repurchase Date to fund the repurchase of the Notes. The Company does not currently have alternative financing plans or arrangements as it has sufficient cash on hand to pay the total amount of consideration required to repurchase all of the Notes. (Page 8)

How can I determine the market value of the Notes?

There is no established reporting system or market for trading in the Notes. To the extent that the Notes are traded, prices of the Notes may fluctuate widely depending on trading volume, the balance between buy and sell orders, prevailing interest rates, the Company's operating results, the market price and implied volatility of the Company's ADSs, and the market for similar securities. To the extent available, Holders are urged to obtain current market quotations for the Notes prior to making any decision with respect to the Repurchase Right. The value of the Notes upon exercise of the conversion right will be based on the applicable conversion rate for the Notes, as summarized above, under the caption "What are my rights to convert my Notes?" (Page 9)

What does the board of directors of the Company think of the Repurchase Right?

The board of directors of the Company has not made any recommendation as to whether you should exercise the Repurchase Right. You must make your own decision whether to exercise the Repurchase Right and, if so, the principal amount of Notes for which the Repurchase Right should be exercised. (Page 8)

When does the Repurchase Right expire?

Your right to exercise the Repurchase Right expires at 5:00 p.m., New York City time, on Thursday, January 30, 2025 (the "Expiration Date). If we extend the offer period, we will publicly disclose the new expiration date by filing an amendment to the Schedule TO and by issuing a press release. (Page 7)

What are the conditions to the purchase by the Company of the Notes?

Our purchase of Notes for which the Repurchase Right is validly exercised is not subject to any condition other than such purchase being lawful, the relevant Notes being surrendered, and the procedural requirements described in this Repurchase Right Notice being satisfied. (Pages 7-8)

How do I exercise the Repurchase Right?

The Trustee has informed the Company that, as of the date of this Repurchase Right Notice, all custodians and beneficial holders of the Notes hold the Notes through DTC accounts and that there are no certificated Notes in non-global form. Accordingly, you may exercise the Repurchase Right with respect to your Notes held through DTC, prior to 5:00 p.m., New York City time, on the Expiration Date, in the following manner

- If your Notes are held through a broker, dealer, commercial bank, trust company, or other nominee, you must contact such nominee if you desire to exercise the Repurchase Right and instruct such nominee to exercise the Repurchase Right by surrendering the Notes on your behalf through the transmittal procedures of DTC's Automated Tender Offer Program ("ATOP") before 5:00 p.m., New York City time, on the Expiration Date; or
- If you are a DTC participant and hold your Notes through DTC directly, you must surrender your Notes electronically through ATOP before 5:00 p.m., New York City time, on the Expiration Date, subject to the terms and procedures of ATOP, if you desire to exercise the Repurchase Right.

While we do not expect any Notes to be issued to a Holder other than DTC or its nominee in physical certificates after the date hereof, in the event that physical certificates evidencing the Notes are issued to such a Holder, any such Holder who desires to tender Notes pursuant to the Repurchase Right and holds physical certificates evidencing such Notes must complete and sign a Repurchase Notice in the form attached hereto as Annex A (a "Repurchase Notice") in accordance with the instructions set forth therein, have the signature thereon guaranteed and timely deliver such manually signed Repurchase Notice, together with the certificates evidencing the Notes being tendered and all necessary endorsements, to the Paying Agent.

By surrendering your Notes through the transmittal procedures of DTC or to the Paying Agent, as applicable, you agree to be bound by the terms of the Repurchase Right set forth in this Repurchase Right Notice. (Pages 11-12)

HOLDERS THAT HOLD NOTES THROUGH DTC ACCOUNTS MAY ONLY EXERCISE THE REPURCHASE RIGHT BY COMPLYING WITH THE TRANSMITTAL PROCEDURES OF DTC AND SHOULD NOT SUBMIT A PHYSICAL REPURCHASE NOTICE.

If I exercise the Repurchase Right, when will I receive payment for my Notes?

We will forward the appropriate amount of cash required to pay the Repurchase Price for your Notes to the Paying Agent, prior to 10:00 a.m., New York City time, on Saturday, February 1, 2025, which is the Repurchase Date, and the Paying Agent will promptly distribute the consideration to DTC, the sole Holder of record of the Notes. DTC will thereafter distribute the cash to its participants in accordance with its procedures. To the extent that you are not a DTC participant, your broker, dealer, commercial bank, trust company, or other nominee, as the case may be, will distribute the cash to you. (Page 14)

Until what time may I withdraw my previous exercise of the Repurchase Right?

You may withdraw your exercise of the Repurchase Right with respect to any Notes at any time until 5:00 p.m., New York City time, on Thursday, January 30, 2025. (Page 13)

How do I withdraw my previous exercise of the Repurchase Right?

To withdraw your previous exercise of the Repurchase Right with respect to any Notes, you must comply with the withdrawal procedures of DTC prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025. While the Trustee has informed us that there are currently no certificated Notes in non-global form, in the event that after the date hereof physical certificates evidencing the Notes are issued to a Holder other than DTC or its nominee, any such Holder who desires to withdraw any Notes evidenced by physical certificates with respect to which a Repurchase Notice was previously delivered must, instead of complying with DTC withdrawal procedures, complete and sign a notice of withdrawal specifying (i) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted, which portion must be US\$1,000 aggregate principal amount or an integral multiple thereof, (ii) the certificate numbers of the Notes in respect of which such notice of withdrawal is being submitted, and (iii) the principal amount, if any, of such Note which remains subject to the Repurchase Notice, which portion must be US\$1,000 aggregate principal amount or an integral multiple thereof, and deliver such manually signed notice of withdrawal to the Paying Agent prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025. (Page 13)

HOLDERS THAT HOLD NOTES THROUGH DTC ACCOUNTS MAY ONLY WITHDRAW THEIR PREVIOUS EXERCISE OF THE REPURCHASE RIGHT WITH RESPECT TO SUCH NOTES BY COMPLYING WITH THE TRANSMITTAL PROCEDURES OF DTC AND SHOULD NOT SUBMIT A PHYSICAL NOTICE OF WITHDRAWAL.

Do I need to do anything if I do not wish to exercise the Repurchase Right?

No. If you do not exercise the Repurchase Right before the expiration of the Repurchase Right, we will not purchase your Notes on the Repurchase Date and such Notes will remain outstanding subject to their existing terms. (Page 10)

If I choose to exercise the Repurchase Right, do I have to exercise the Repurchase Right with respect to all of my Notes?

No. You may exercise the Repurchase Right with respect to all of your Notes or any portion of your Notes. If you wish to exercise the Repurchase Right with respect to a portion of your Notes, you must exercise the Repurchase Right with respect to Notes for a principal amount of US\$1,000 or an integral multiple thereof. (Page 8)

If I do not exercise the Repurchase Right, will I continue to be able to exercise my conversion rights?

Yes. If you do not exercise the Repurchase Right, your conversion rights will not be affected. You will continue to have the conversion rights subject to the terms, conditions and adjustments specified in the Indenture and the Notes, as summarized above, under the caption "What are my rights to convert my Notes?" (Page 9)

If I exercise the Repurchase Right, will my receipt of cash for Notes with respect to which I exercised the Repurchase Right be a taxable transaction for U.S. federal income tax purposes?

The Company was incorporated in the Cayman Islands in November 2014 and its ADSs began trading on the New York Stock Exchange since September 2018. The Company’s ADSs are currently traded under the ticker symbol “NIO.” The Company’s principal executive offices are located at Building 19, No. 1355, Caobao Road, Minhang District, Shanghai, 201804, People’s Republic of China, and its telephone number is +86 21-6908 2018. The Company’s registered office in the Cayman Islands is located at the offices of Maples Corporate Services Limited, PO Box 309, Ugland House, Grand Cayman, KY1-1104, Cayman Islands.

Information Concerning the Notes. The Notes were issued under the Indenture. The Notes mature on February 1, 2027.

Interest. The Notes bear interest at the rate of 0.50% per year from January 15, 2021, or from the most recent date to which interest has been paid or duly provided. Interest is payable semi-annually in arrears on February 1 and August 1 of each year, commencing on August 1, 2021, to Holders of record at the close of business on the preceding January 15 and July 15, respectively. The amount of interest payable will be computed on the basis of a 360-day year consisting of twelve 30-day months. Unless the Company fails to make the payment of the Repurchase Price for Notes for which a Repurchase Notice has been submitted and not properly withdrawn, such Notes will no longer be outstanding and interest, if any, on the Notes will cease to accrue on and after the Repurchase Date.

The Company’s Obligation to Purchase the Notes. Pursuant to the terms of the Indenture and the Notes, on February 1, 2025, which is the Repurchase Date, the Company is obligated to purchase all Notes for which the Repurchase Right has been timely exercised and not withdrawn by the Holders. This Repurchase Right will expire at 5:00 p.m., New York City time, on Thursday, January 30, 2025, the Expiration Date. The terms and conditions of the Indenture and Notes require Holders that choose to exercise the Repurchase Right to do so by 5:00 p.m., New York City time, on the Expiration Date. The Indenture does not provide us with the right to delay the Repurchase Date at our sole discretion. If the offer period is extended, we will publicly disclose the new expiration date by filing an amendment to the Schedule TO and by issuing a press release. The purchase by the Company of Notes for which the Repurchase Right is validly exercised is not subject to any condition other than such purchase being lawful, the relevant Notes being surrendered, and the procedural requirements described in this Repurchase Right Notice being satisfied. You may only exercise the Repurchase Right with respect to Notes in principal amounts equal to US\$1,000 or integral multiples thereof.

Repurchase Price. The Repurchase Price to be paid by the Company with respect to any and all Notes validly surrendered for repurchase and not withdrawn on the Repurchase Date is equal to 100% of the principal amount of the Notes, *plus* any accrued and unpaid interest, if any, to, but excluding, February 1, 2025; *provided* that such accrued and unpaid interest (if any) will not be paid to the Holder submitting the Notes for repurchase on February 1, 2025 but will be paid to the Holder of record as of 5:00 p.m., New York City time, on Wednesday, January 15, 2025, whether or not such Holders exercise their Repurchase Right. Pursuant to the terms of the Indenture and the Notes, the next interest payment date for the Notes is February 1, 2025. As February 1, 2025 is a Saturday, pursuant to the terms of the Indenture and the Notes, on Monday, February 3, 2025, which is the next succeeding business day, the Company will pay accrued and unpaid interest on all of the Notes through January 31, 2025, to all Holders of record as of 5:00 p.m., New York City time, on Wednesday, January 15, 2025, regardless of whether the Repurchase Right is exercised with respect to such Notes, with the same force and effect as if paid on February 1, 2025 and no interest shall accrue in respect of the delay. As a result, on February 1, 2024, which is the date specified in the Indenture for repurchase, there will be no accrued and unpaid interest on the Notes. The Repurchase Price will be paid in cash with respect to any and all Notes validly surrendered for repurchase and not withdrawn prior to 5:00 p.m., New York City time, on the Expiration Date.

The Repurchase Price, which will be paid in cash, is based solely on the requirements of the Indenture and the Notes and bears no relationship to the market price of the Notes or the ADSs. Thus, the Repurchase Price may be significantly greater or less than the market price of the Notes on the Repurchase Date. Holders are urged to obtain the best available information as to potential current market prices of the Notes, to the extent available, and the ADSs before making a decision whether to exercise the Repurchase Right.

None of the Company, its board of directors or its executive management is making any recommendation to Holders as to whether to exercise the Repurchase Right or refrain from exercising the Repurchase Right. Each Holder must make such Holder's own decision whether to exercise the Repurchase Right with respect to such Holder's Notes and, if so, the principal amount of Notes for which the Repurchase Right should be exercised.

Source of Funds. If the Repurchase Right is exercised for any Notes, the Company plans to use its cash balance as of the Repurchase Date to pay the Repurchase Price for the Notes. The Company does not currently have alternative financing plans or arrangements as it has sufficient cash on hand to pay the total amount of consideration required to repurchase all of the Notes.

Conversion Rights of the Notes. Subject to and upon compliance with the provisions of the Indenture, a Holder will have the right, at such Holder's option, to convert all or any portion (if the portion to be converted is US\$1,000 principal amount or an integral multiple thereof) of such Note on or after August 1, 2026 and prior to 5:00 p.m., New York City time, on Thursday, January 28, 2027 at an initial conversion rate of 10.7458 ADSs (subject to certain adjustments) per US\$1,000 principal amount of Notes. If a Holder has already delivered a Fundamental Change Repurchase Notice or a Repurchase Notice with respect to a Note, such Holder may not surrender that Note for conversion until the Holder has withdrawn the applicable repurchase notice in accordance with the Indenture. The conversion of your Notes is subject to the provisions regarding conversion contained in the Indenture and the Notes.

Generally, if you exercise the conversion right and the price per ADS is less than the Conversion Price during the relevant observation period, the value of the consideration that you receive in exchange for your Notes will be less than the aggregate principal amount of the Notes. The Conversion Price at any given time is computed by dividing US\$1,000 by the applicable Conversion Rate at such time.

Market for the Notes and the Company's ADSs. There is no established reporting system or market for trading in the Notes. To the extent that the Notes are traded, prices of the Notes may fluctuate widely depending on trading volume, the balance between buy and sell orders, prevailing interest rates, the Company's operating results, the market price and implied volatility of the Company's ADSs, and the market for similar securities. As of December 25, 2024, US\$378,525,000.00 in aggregate principal amount of the Notes was outstanding.

The Company's ADSs into which the Notes are convertible are listed on the New York Stock Exchange under the ticker symbol "NIO." The following table sets forth, for the fiscal quarters indicated, the high and low sales prices of the ADSs as reported on the New York Stock Exchange.

Quarter Ended	High	Low
	(US\$)	
Fourth Quarter 2022	16.73	9.25
First Quarter 2023	12.71	8.25
Second Quarter 2023	9.83	7.41
Third Quarter 2023	15.46	8.35
Fourth Quarter 2023	9.43	7.15
First Quarter 2024	8.94	4.45
Second Quarter 2024	6.05	3.61
Third Quarter 2024	7.71	3.63
Fourth Quarter 2024 (through December 24, 2024)	7.38	4.28

On December 24, 2024, the closing price of the ADSs on the New York Stock Exchange was US\$4.62 per ADS. As of December 24, 2024, there were approximately 1,202,581,225 ADSs outstanding. We urge you to obtain current market information for the Notes, to the extent available, and the ADSs before making any decision to exercise the Repurchase Right.

Redemption. Subject to the provisions of the Indenture, the Company may, at its option, (i) on not less than 30 Scheduled Trading Days' nor more than 40 Scheduled Trading Days' prior notice, redeem all but not part of the Notes (except in respect of certain Holders that elect otherwise as described in the Indenture) in connection with a change in tax law; and (ii) on or after February 6, 2025 and on or prior to the 20th Scheduled Trading Day immediately prior to the Maturity Date, redeem for cash all or part of the Notes, at its option, if the Last Reported Sale Price of the ADSs has been at least 130% of the Conversion Price then in effect on (A) each of at least 20 Trading Days ending on, and including, the Trading Day immediately prior to the date the Company provides notice of redemption, and (B) the Trading Day immediately preceding the date the Company sends such notice, each at a redemption price equal to 100% of the principal amount plus accrued and unpaid interest, if any, to, but not including, the redemption date as described in the Indenture. Upon receiving such notice of redemption, each Holder will have the right to elect to not have its Notes redeemed, subject to the provisions of the Indenture. The Company will not redeem the Notes before February 13, 2025 pursuant to Rule 13e-4(f)(6)(i).

Ranking. The Notes are senior unsecured obligations of the Company, ranking senior in right of payment to any of the Company's indebtedness that is expressly subordinated in right of payment to the notes, and equal in right of payment to any of the Company's unsecured indebtedness that is not so subordinated. The Notes are effectively junior in right of payment to any of the Company's secured indebtedness to the extent of the value of the assets securing such indebtedness, and effectively junior to all indebtedness and other liabilities (including trade payables) of the Company's subsidiaries and consolidated affiliated entities.

Procedures to Be Followed by Holders Electing to Exercise the Repurchase Right. Holders will not be entitled to receive the Repurchase Price for their Notes unless they elect to exercise the Repurchase Right by delivering their Repurchase Notice on or before 5:00 p.m., New York City time, on Thursday, January 30, 2025 and have not withdrawn the Repurchase Notice prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025. Holders may exercise the Repurchase Right with respect to some or all of their Notes. Any Repurchase Notice must specify a principal amount of Notes to be purchased by the Company of US\$1,000 or an integral multiple thereof. If Holders do not elect to exercise the Repurchase Right, their Notes will remain outstanding subject to the existing terms of the Indenture and the Notes.

Method of Delivery. The Trustee has informed the Company that, as of the date of this Repurchase Right Notice, all custodians and beneficial holders of the Notes hold the Notes through DTC accounts and that there are no certificated Notes in non-global form. Accordingly, unless physical certificates are issued following the date hereof, all Notes surrendered for repurchase hereunder must be delivered through DTC's ATOP system. Valid delivery of Notes via ATOP will constitute delivery of a Repurchase Notice that satisfies such Holder's notice requirements for its exercise of its Repurchase Right. Delivery of Notes and all other required documents, including delivery and acceptance through ATOP, is at the election and risk of the person surrendering such Notes.

HOLDERS THAT HOLD NOTES THROUGH DTC ACCOUNTS MAY ONLY EXERCISE THE REPURCHASE RIGHT BY COMPLYING WITH THE TRANSMITTAL PROCEDURES OF DTC AND SHOULD NOT SUBMIT A PHYSICAL REPURCHASE NOTICE.

Agreement to Be Bound by the Terms of the Repurchase Right. By exercising the Repurchase Right with respect to any portion of your Notes, you acknowledge and agree as follows:

- such Notes shall be purchased as of the Repurchase Date pursuant to the terms and conditions set forth in this Repurchase Right Notice;
- you agree to all of the terms of this Repurchase Right Notice;
- you have received this Repurchase Right Notice and acknowledge that this Repurchase Right Notice provides the notice required pursuant to the Indenture;

- upon the terms and subject to the conditions set forth in this Repurchase Right Notice, the Indenture, and the Notes, and effective upon the acceptance for payment thereof, you (i) irrevocably sell, assign, and transfer to the Company all right, title, and interest in and to all the Notes surrendered, (ii) release and discharge the Company and its directors, officers, employees, and affiliates from any and all claims you may now have, or may have in the future, arising out of, or related to, the Notes, including, without limitation, any claims that you are entitled to receive additional principal or interest payments with respect to the Notes or to participate in any redemption or defeasance of the Notes, but excluding any claims arising under federal securities laws, and (iii) irrevocably constitute and appoint the Paying Agent as your true and lawful agent and attorney-in-fact with respect to any such surrendered Notes, with full power of substitution and resubstitution (such power of attorney being deemed to be an irrevocable power coupled with an interest) to (a) deliver certificates representing such Notes, or transfer ownership of such Notes on the account books maintained by DTC, together, in any such case, with all accompanying evidences of transfer and authenticity, to the Company, (b) present such Notes for transfer on the relevant security register, and (c) receive all benefits or otherwise exercise all rights of beneficial ownership of such Notes (except that the Paying Agent will have no rights to, or control over, funds from the Company, except as agent for the Company for the Repurchase Price of any surrendered Notes that are purchased by the Company), all in accordance with the terms set forth in this Repurchase Right Notice;
- you represent and warrant that you (i) own the Notes surrendered and are entitled to surrender such Notes and (ii) have full power and authority to surrender, sell, assign, and transfer the Notes surrendered hereby and that when such Notes are accepted for purchase and payment by the Company, the Company will acquire good title thereto, free and clear of all liens, restrictions, charges, and encumbrances and not subject to any adverse claim or right;
- you agree, upon request from the Company, to execute and deliver any additional transfer documents deemed by the Paying Agent or the Company to be necessary or desirable to complete the sale, assignment, and transfer of the Notes surrendered;
- you understand that all Notes properly surrendered for purchase prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025 for which a Repurchase Notice has been delivered and not withdrawn prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025, will be purchased at the Repurchase Price, in cash, pursuant to the terms and conditions of the Indenture, the Notes, this Repurchase Right Notice, and related notice materials, as amended and supplemented from time to time;
- surrendered Notes may be withdrawn by complying with the withdrawal procedures of DTC at any time prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025; and
- all authority conferred or agreed to be conferred pursuant to your exercise of the Repurchase Right hereby shall survive your death or incapacity and every obligation of yours shall be binding upon your heirs, personal representatives, executors, administrators, successors, assigns, trustees in bankruptcy, and other legal representatives.

Exercise of Repurchase Right; Delivery of Notes.

Notes Held Through a Custodian. If you wish to exercise the Repurchase Right with respect to any of your Notes and your Notes are held by a broker, dealer, commercial bank, trust company, or other nominee, you must contact such nominee and instruct such nominee to surrender the Notes for purchase on your behalf through the transmittal procedures of DTC as set forth below in “Notes Held by a DTC Participant” on or prior to the deadline set by such nominee to permit such nominee to surrender the Notes by 5:00 p.m., New York City time, on the Expiration Date.

Notes Held by a DTC Participant. If you are a DTC participant who wishes to exercise the Repurchase Right with respect to any of your Notes, you must electronically transmit your acceptance through DTC’s ATOP system, subject to the terms and procedures of that system, on or prior to 5:00 p.m., New York City time, on the Expiration Date.

In exercising the Repurchase Right through ATOP, the electronic instructions sent to DTC by you or by a broker, dealer, commercial bank, trust company, or other nominee on your behalf, and transmitted by DTC to the Paying Agent, will acknowledge, on behalf of you and DTC, your receipt of and agreement to be bound by the terms of the Repurchase Right, including those set forth above under 3.2 — “Agreement to Be Bound by the Terms of the Repurchase Right.”

Notes Held in Certificated Non-Global Form. While we do not expect any Notes to be issued to a Holder other than DTC or its nominee in physical certificates after the date hereof, in the event that physical certificates evidencing the Notes are issued to such a Holder, then, in order to exercise the Repurchase Right with respect to such Notes, any such Holder of the Notes must complete and sign a Repurchase Notice in the form attached hereto as Annex A in accordance with the instructions set forth therein, have the signature thereon guaranteed and deliver such manually signed Repurchase Notice to the Paying Agent prior to 5:00 p.m., New York City time, on the Expiration Date. For such a Holder to receive payment of the Repurchase Price for such Notes with respect to the Repurchase Right was exercised, the Holder must deliver such Notes to the Paying Agent prior to, on or after the Repurchase Date together with all necessary endorsements.

All signatures on a Repurchase Notice and endorsing the Notes must be guaranteed by a recognized participant in the Securities Transfer Agents Medallion Program, the NYSE Medallion Signature Program, or the Stock Exchange Medallion Program (each, an “Eligible Institution”); *provided, however*, that signatures need not be guaranteed if such Notes are tendered for the account of an Eligible Institution. If a Repurchase Notice or any Note is signed by a trustee, executor, administrator, guardian, attorney-in-fact, agent, officer of a corporation, or other person acting in a fiduciary or representative capacity, such person must so indicate when signing, and proper evidence satisfactory to the Company of the authority of such person so to act must be submitted.

You bear the risk of untimely surrender of your Notes. You must allow sufficient time for completion of the necessary DTC or Paying Agent procedures, as applicable, before 5:00 p.m., New York City time, on the Expiration Date.

Right of Withdrawal. You may withdraw your previous exercise of the Repurchase Right with respect to any Notes at any time prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025.

Except as described below with respect to Notes, if any, for which physical certificates are issued to a Holder other than DTC or its nominee, in order to withdraw your previous exercise of the Repurchase Right, you must comply with the withdrawal procedures of DTC prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025. This means you must deliver, or cause to be delivered, a valid withdrawal request through the ATOP system before 5:00 p.m., New York City time, on Thursday, January 30, 2025.

If after the date hereof physical certificates evidencing the Notes are issued to a Holder other than DTC or its nominee, any such Holder who desires to withdraw any previously surrendered Notes evidenced by physical certificates must, instead of complying with the DTC withdrawal procedures, complete and sign a notice of withdrawal specifying (i) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted, which portion must be US\$1,000 aggregate principal amount or an integral multiple thereof, (ii) the certificate numbers of the Notes in respect of which such notice of withdrawal is being submitted, and (iii) the principal amount, if any, of such Note which remains subject to the Repurchase Notice, which portion must be US\$1,000 aggregate principal amount or an integral multiple thereof, and deliver such manually signed notice of withdrawal to the Paying Agent prior to 5:00 p.m., New York City time, on Thursday, January 30, 2025.

In addition, pursuant to Rule 13e-4(f)(2)(ii) promulgated under the Securities Exchange Act of 1934 (the “Exchange Act”), Holders are advised that if they timely surrender Notes for purchase under the Repurchase Right, they are also permitted to withdraw such Notes after February 27, 2025 (New York City time) in the event that we have not yet accepted the Notes for payment on or prior to February 27, 2025. Pursuant to the Indenture, we are required to forward the appropriate amount of cash required to pay the Repurchase Price for your Notes to the Paying Agent, prior to 10:00 a.m., New York City time, on Saturday, February 1, 2025, which is the Repurchase Date.

You may exercise the Repurchase Right with respect to Notes for which your election to exercise your Repurchase Right had been previously withdrawn, by following the procedures described in Section 3 above. We will determine all questions as to the validity, form and eligibility, including time of receipt, of notices of withdrawal. Holders are not foreclosed from challenging our determination in a court of competent jurisdiction in accordance with the Indenture.

You bear the risk of untimely withdrawal of your Notes. You must allow sufficient time for completion of the necessary DTC or Paying Agent procedures by withdrawing before 5:00 p.m., New York City time, on Thursday, January 30, 2025.

Payment for Surrendered Notes. We will forward to the Paying Agent, prior to 10:00 a.m., New York City time, on the Repurchase Date, the appropriate amount of cash required to pay the Repurchase Price for your Notes, and the Paying Agent will promptly distribute the consideration to DTC, the sole Holder of record of the Notes. DTC will thereafter distribute the cash to its participants in accordance with its procedures. To the extent that you are not a DTC participant, your broker, dealer, commercial bank, trust company, or other nominee, as the case may be, will distribute the cash to you.

The total amount of consideration required by us to repurchase all of the Notes is US\$378,525,000.00 (assuming all of the Notes are validly surrendered for repurchase and accepted for payment).

Notes Acquired. Any Notes repurchased by us pursuant to the Repurchase Right will be cancelled by the Trustee, pursuant to the terms of the Indenture.

Plans or Proposals of the Company. Neither the Company nor its directors and executive officers currently has any plans, proposals, or negotiations that would be material to a Holder's decision to exercise the Repurchase Right, which relate to or which would result in:

- any extraordinary transaction, such as a merger, reorganization, or liquidation, involving the Company or any of its subsidiaries;
- any purchase, sale, or transfer of a material amount of assets of the Company or any of its subsidiaries;
- any material change in the present dividend rate or policy, or in the indebtedness or capitalization of the Company or any of its subsidiaries;
- any change in the present board of directors or management of the Company or any of its subsidiaries, including, but not limited to, any plans or proposals to change the number or the term of directors or to fill any existing vacancies on the board or to change any material term of the employment contract of any executive officer;
- any other material change in the corporate structure or business of the Company or any of its subsidiaries;
- any class of equity securities of the Company or any of its subsidiaries being delisted from a national securities exchange or ceasing to be authorized to be quoted in an automated quotation system operated by a national securities association;
- any class of equity securities of the Company or any of its subsidiaries becoming eligible for termination of registration under Section 12(g) (4) of the Exchange Act;
- the suspension of the Company's obligation to file reports under Section 15(d) of the Exchange Act;

- the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; or
- any changes in the Company’s charter, bylaws, or other governing instruments or other actions that could impede the acquisition of control of the Company.

Interests of Directors, Executive Officers and Affiliates of the Company in the Notes. Based on a reasonable inquiry by the Company:

- none of the executive officers or directors of the Company or any associate of such executive officers or directors owns any Notes; and
- during the 60 days preceding the date of this Repurchase Right Notice, none of the executive officers or directors of the Company has engaged in any transactions in the Notes.

The Company will not purchase any Notes from its affiliates or the executive officers or directors of the Company. Neither the Company nor any of its associates or majority-owned subsidiaries owns any Notes. During the 60 days preceding the date of this Repurchase Right Notice, neither the Company nor any of its subsidiaries has engaged in any transactions in the Notes.

Agreements Involving the Company’s Securities. The Company has entered into the following agreement relating to the Notes:

- the Indenture.

There are no agreements between the Company and any other person with respect to any other securities issued by the Company that are material to the Repurchase Right or the Notes. The Company is not aware of any agreements between any directors or executive officers of the Company and any other person with respect to any other securities issued by the Company that are material to the Repurchase Right or the Notes.

U.S. Federal Income Tax Considerations.

The following discussion is a summary of U.S. federal income tax considerations generally applicable to the exercise of the Repurchase Right by U.S. Holders (defined below) of our Notes. This summary is based upon the Internal Revenue Code of 1986, as amended (the “Code”), the regulations promulgated by the U.S. Treasury Department, current administrative interpretations and practices of the Internal Revenue Service (the “IRS”) and judicial decisions, all as currently in effect and all of which are subject to differing interpretations or to change, possibly with retroactive effect. No assurance can be given that the IRS would not assert, or that a court would not sustain a position contrary to any of the tax considerations described below. This summary is for general information only and does not discuss all aspects of U.S. federal income taxation that may be relevant to particular holders in light of their individual circumstances, including holders subject to special tax rules (for example, banks and other financial institutions, insurance companies, broker-dealers in securities or currencies, traders in securities that elect mark-to-market treatment, partnerships and other pass-through entities and holders of interests therein, pension plans, regulated investment companies, real estate investment trusts, cooperatives, foreign entities treated as domestic corporations for U.S. federal income tax purposes, and tax-exempt organizations (including private foundations)), holders that hold their Notes as part of a straddle, hedge, conversion, constructive sale, or other integrated transaction for U.S. federal income tax purposes, holders who acquire their Notes as compensation, U.S. expatriates and certain former citizens or long-term residents of the United States, U.S. Holders whose “functional currency” is not the U.S. dollar, persons liable for any minimum tax, and persons that actually or constructively own 10% or more of our equity (by vote or value), all of whom may be subject to tax rules that differ significantly from those summarized below. This summary is limited to U.S. Holders who hold the Notes as “capital assets” within the meaning of Section 1221 of the Code (generally, property held for investment). In addition, this summary of U.S. federal income tax considerations does not discuss any state, local, or non-U.S. tax considerations, any non-income tax (such as gift or estate tax) considerations, any minimum tax or the Medicare net investment income tax. Each U.S. Holder is urged to consult its tax advisor regarding the U.S. federal, state, local, and non-U.S. income and other tax considerations relating to the exercise of the Repurchase Right of our Notes.

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of our Notes that is, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (including an entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source; or
- a trust (i) the administration of which is subject to the primary supervision of a U.S. court and which has one or more U.S. persons who have the authority to control all substantial decisions of the trust or (ii) that has in effect a valid election under applicable Treasury regulations to be treated as a U.S. person.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds our Notes, the U.S. federal income tax treatment of a partner in such partnership will generally depend upon the status of the partner and the activities of the partnership. If you are a partner of a partnership holding our Notes, you are urged to consult your tax advisor regarding the tax consequences of the exercise of the Repurchase Right.

Sale of Notes Pursuant to the Repurchase Right

Upon exercise of the Repurchase Right, subject to the discussion of market discount below, a U.S. Holder generally will recognize gain or loss equal to the difference between (i) the amount of cash proceeds received on the exercise (other than any amount attributable to accrued but unpaid interest, which will be taxable as ordinary interest income, to the extent not previously included in income), and (ii) such U.S. Holder's adjusted tax basis in the Note. A U.S. Holder's adjusted tax basis in a Note generally will equal its cost, increased by any accrued market discount if the U.S. Holder has elected to include such market discount as it accrued (as described below), and reduced (but not to below zero) by amortizable bond premium (generally, the excess, if any, of the tax basis of the Note to a U.S. Holder immediately after its acquisition over the principal amount of the Note payable at maturity) allowed as an offset against interest income with respect to the Note. Except to the extent it is subject to the market discount rules discussed below, any gain or loss recognized will be capital gain or loss and will be long-term capital gain or loss if, on the date of the sale, the Note has been held for more than one year. Non-corporate U.S. Holders will generally be eligible for beneficial rates on long-term capital gains. The deductibility of capital losses is subject to limitations. The gain or loss will generally be treated as U.S. source gain or loss.

Market Discount

An exception to the capital gain treatment described above may apply to a U.S. Holder that purchased the Notes at a "market discount." In general, the Notes have "market discount" if their stated redemption price at maturity (as defined for purposes of the market discount rules) exceeds their tax basis in the hands of a U.S. Holder immediately after their acquisition, unless a statutorily defined de minimis exception applies. Gain recognized by a U.S. Holder with respect to the Notes acquired with market discount generally will be subject to tax as ordinary income to the extent of the market discount accrued during the period the Notes were held by such U.S. Holder, unless the U.S. Holder previously elected to include market discount in income as it accrued for U.S. federal income tax purposes. Market discount is accrued on a ratable basis, unless the U.S. Holder elected to accrue market discount using a constant-yield method. Gain in excess of accrued market discount will be subject to the capital gains rules described above.
