- (d) In relation to Ordinary Resolution No. 6, Ms Jenny Lee Hong Wei will be retiring from office at the Annual General Meeting pursuant to Article 96 of the Constitution of the Company, and will be standing for re-election at the Annual General Meeting. Ms Lee is considered an independent Director.

Detailed information on these Directors (including information as set out in Appendix 7.4.1 of the Listing Manual of the Singapore Exchange Securities Trading Limited) can be found in the section on "Additional information on Directors seeking re-election" in the SATS Annual Report for FY2018-19.

- Ordinary Resolution No. 7 is to approve the payment of an aggregate sum of up to S\$1,300,000 as Directors' fees for the non-executive Directors of the Company for the current financial year ("**FY2019-20**"). There is no change in the fees for FY2019-20, with the scale of fees for the non-executive Directors remaining the same as for the last financial year ("**FY2018-19**").

The proposed fees for FY2019-20, if approved, will facilitate the payment of Directors' fees during or soon after the financial year in which such fees are incurred. The amount of Directors' fees has been computed on the basis of the anticipated number of Board and Board Committee meetings for FY2019-20, assuming attendance in person by all the Directors at such meetings, and also caters for additional fees (if any) which may be payable due to additional board representations on the Company's subsidiary(ies) and/or joint ventures, or to additional Board or Board Committee members being appointed in the course of FY2019-20. If, for unforeseen reasons, payments are required to be made to the Directors in excess of the amount proposed, the Company will revert to shareholders for approval at the next Annual General Meeting in the year 2020 (the "**2020 AGM**") before any such payments are made.

If approved, each of the non-executive Directors (including the Chairman) will receive approximately 70 percent of his/her total Directors' fees for FY2019-20 in cash and approximately 30 percent in the form of ordinary shares of the Company ("**Shares**") (FY2018-19: 85 percent in cash and 15 percent in Shares). The Share component of the Directors' fees will be increased by 15 percent as compared to the last financial year, as the Company believes that this will further align the interests of non-executive Directors with the interests of shareholders.

The current intention is that, subject to the passing of Ordinary Resolution No. 10 (to approve alterations to the SATS Restricted Share Plan to permit grants of fully paid Shares to be made to non-executive Directors as part of their remuneration), the Share component of the Directors' fees will be paid out in the form of awards under the SATS Restricted Share Plan (as altered). The awards will consist of fully paid Shares with no performance conditions attached and no vesting periods imposed. The non-executive Directors will be required to retain a base shareholding worth up to one year's retainer fee for as long as he is on the Board of the Company, and for a period of one year after stepping down as a Director. A non-executive Director who steps down before the payment of the Share component of his fees will receive all of his fees (calculated on a pro-rata basis, where applicable) in cash. Further details regarding the Directors' fees can be found under the heading "Non-Executive Directors' Remuneration" in the Corporate Governance Report in the SATS Annual Report for FY2018-19.

The cash component of the Directors' fees for FY2019-20 is intended to be paid half-yearly in arrears. The Share component of the Directors' fees for FY2019-20 is intended to be paid after the 2020 AGM has been held or after the release of the Company's first quarter financial results for the financial year ending 31 March 2021 (the "**1QFY2020-21 Results**"), whichever is later. The actual number of Shares to be awarded will be determined by reference to the volume-weighted average price of a Share on the Singapore Exchange Securities Trading Limited over the 10 trading days after the 2020 AGM or the release of the 1QFY2020-21 Results, whichever is later, rounded down to the nearest hundred Shares, and any residual balance will be settled in cash.

The non-executive Directors will abstain from voting his/her holding of Shares (if any), and will procure that their respective associates abstain from voting their respective holdings of Shares (if any), in respect of this Resolution.

- Ordinary Resolution No. 9, if passed, will empower the Directors to issue Shares, make or grant instruments convertible into Shares and to issue Shares pursuant to such instruments, from the date of this Annual General Meeting until the date of the next Annual General Meeting. The number of Shares which the Directors may issue under this Ordinary Resolution will not exceed 50 percent of the issued Shares (excluding treasury shares and subsidiary holdings) with a sub-limit of 5 percent for issues other than on a *pro rata* basis. The 5 percent sub-limit for non-*pro rata* issues is lower than the 20 percent sub-limit allowed under the Listing Manual of the SGX-ST. For the purpose of determining the aggregate number of Shares which may be issued, the percentage of issued Shares shall be based on the total number of issued Shares (excluding treasury shares and subsidiary holdings) at the time this Ordinary Resolution is passed, after adjusting for (a) new Shares arising from the conversion or exercise of any convertible instruments or share options or vesting of share awards which are outstanding at the time this Ordinary Resolution is passed and (b) any subsequent bonus issue, consolidation or subdivision of Shares. As at 23 May 2019, the Company had 9,697,355 treasury shares and no subsidiary holdings.

Ordinary Resolution No. 10 is to:

- approve alterations to the SATS Restricted Share Plan so as to enable non-executive Directors of the Company and/or its subsidiaries to participate in the SATS Restricted Share Plan; and
- empower the Directors to grant awards and to allot and issue Shares pursuant to the SATS Performance Share Plan and/or the SATS Restricted Share Plan (as altered), provided that:
 - the aggregate number of new Shares which may be issued under the SATS Performance Share Plan, the SATS Restricted Share Plan (as altered) and the SATS Employee Share Option Plan is limited to 15 percent of the total number of issued Shares (excluding treasury shares and subsidiary holdings) from time to time; and
 - the aggregate number of Shares under awards which may be granted pursuant to the SATS Performance Share Plan and/or the SATS Restricted Share Plan (as altered) from this Annual General Meeting to the next Annual General Meeting shall not exceed 1 percent of the total number of issued Shares (excluding treasury shares and subsidiary holdings) from time to time.

The SATS Employee Share Option Plan was adopted by the Company in February 2000 and the last grant of options thereunder was made on 1 July 2008. The SATS Performance Share Plan and the SATS Restricted Share Plan were adopted at an Extraordinary General Meeting of the Company held on 19 July 2005 for an initial duration of 10 years and subsequently at the Annual General Meeting held on 23 July 2014, were extended for a further period of 10 years up to 18 July 2025.

The purpose of the proposed alterations to the SATS Restricted Share Plan is to (*inter alia*) permit grants of fully paid Shares to be made to non-executive Directors of the Company as part of their remuneration in respect of their office as such in lieu of cash, in order to improve the alignment of the interests of the non-executive Directors with the interests of shareholders. Please refer to the Letter to Shareholders dated 19 June 2019 for more details. See, also, the explanatory notes to Ordinary Resolution No. 7 above on the current intention to pay out approximately 30 percent of the Directors' fees for the current financial year ending 31 March 2020 ("**FY2019-20**") in the form of awards under the SATS Restricted Share Plan (as altered).

In respect of the Directors' fees for the previous financial year ended 31 March 2019 ("**FY2018-19**") which was approved at the 45th Annual General Meeting of the Company held on 19 July 2018 (the "**2018 AGM**"), the Company had disclosed in the notice convening the 2018 AGM that the intention at that time was for the Share component of such fees (approximately 15 percent) to be purchased from the market on the first trading day immediately after the release of the Company's first quarter financial results for FY2019-20 or as soon as practicable thereafter. After further deliberation, subject to the passing of Ordinary Resolution No. 10, the Company now intends for the Share component of the Directors' fees for FY2018-19 to be paid out in the form of awards under the SATS Restricted Share Plan (as altered) instead, with the actual number of Shares to be awarded to be determined by reference to the volume-weighted average price of a Share on the Singapore Exchange Securities Trading Limited over the 10 trading days after the forthcoming Annual General Meeting (the "**2019 AGM**") or the release of the Company's first quarter financial results for FY2019-20, whichever is later, rounded down to the nearest hundred Shares, and any residual balance will be settled in cash. The awards will consist of fully paid Shares with no performance conditions attached and no vesting periods imposed. The non-executive Directors will be required to retain a base shareholding worth up to one year's retainer fee for as long as he is on the Board of the Company, and for a period of one year after stepping down as a Director. A non-executive Director who steps down before the payment of the Share component of his fees will receive all of his fees (calculated on a pro-rata basis, where applicable) in cash. The exact amount of Directors' fees paid or to be paid to each Director for FY2018-19 can be found under the heading "Non-Executive Directors Remuneration" in the Corporate Governance Report in the SATS Annual Report for FY2018-19.

If the proposed alterations to the SATS Restricted Share Plan are not approved at the 2019 AGM, all of the Directors' fees for FY2019-20 and FY2018-19 will be paid in cash.

- Ordinary Resolution No. 11 is to renew the mandate to allow the Company, its subsidiaries and associated companies that are entities at risk (as the term is used in Chapter 9 of the Listing Manual of the Singapore Exchange Securities Trading Limited) or any of them, to enter into certain interested person transactions with certain classes of interested persons as described in the Letter to Shareholders. The authority will, unless revoked or varied by the Company in general meeting, continue in force until the conclusion of the next Annual General Meeting of the Company. Please refer to the Letter to Shareholders for more details.

Ordinary Resolution No. 12 is to renew the mandate to allow the Company to purchase or otherwise acquire Shares, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use its internal sources of funds, external borrowings or a combination of internal resources and external borrowings, to finance the purchases or acquisitions of its Shares. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired, the price at which such Shares were purchased or acquired and whether the Shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued Shares as at 23 May 2019 (the "**Latest Practicable Date**"), the purchase by the Company of 2 percent of its issued Shares (excluding treasury shares and subsidiary holdings) will result in the purchase or acquisition of a maximum number of 22,287,178 Shares. In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires the maximum number of 22,287,178 Shares at the Maximum Price of S\$5.35 for one Share (being the price equivalent to 5 percent above the average closing prices of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 22,287,178 Shares is approximately S\$119,236,402.

The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Company and the Company and its subsidiaries for the financial year ended 31 March 2019, based on certain assumptions, are set out in paragraph 4.7.4 of the Letter to Shareholders dated 19 June 2019 (the "**Letter to Shareholders**").

Please refer to the Letter to Shareholders for more details.
