As a quorum was present, Mr Jack Chia, the Chairman of the Meeting of the Company, declared the Meeting open and introduced the Directors present at the Meeting and Mr Chen Guodong, an Independent Director of the Company, who joined via video conference from Beijing. It was noted that Mr Loh Weng Seng Vincent, an Independent Director of the Company, was unable to attend this Meeting and had expressed his sincere apologies.

It was also noted that the Group Vice President and the Group Chief Financial Officer (“**CFO**”), the Company’s External Auditor, CLA Global TS Public Accounting Corporation, and Company Secretary were also present.

Ms Wang Yun, Chairman of the Board of Directors (“**Board**”), gave an opening speech to the Shareholders. It was noted that the global economy faced multiple challenges, including geopolitical risks and conflicts, and these factors had affected the recovery and sentiment of the global economy.

2023 also marked the first year for the full implementation of the guiding principles of the 20th National Congress of the Communist Party of China, as well as the start of China’s new journey to holistically develop into a socialist and modern country, advancing steadily and progressing towards high-quality nation building.

In 2023, the Group had continued to steadily advance towards its strategic and development goals, where the team had put in considerable efforts to achieve its annual operational goals and performance targets. Through the relentless efforts of the team, financial performance of the Group for the financial year ended 31 December 2023 (“**FY2023**”) had marked a positive turnaround.

Looking ahead for 2024, on the back of the new opportunities from China’s “14th Five-Year Plan” and optimism from the global economic recovery, the Group was hopeful for the future. In 2024, the Group would continue to work closely together to mitigate risks in its operating environment, advancing its strategic development blueprint, and to continuously improve its value propositions to create and unlock Shareholders’ value.

On behalf of the Board, the Chairman expressed her sincere gratitude to Shareholders, business partners and clients for their continued support. The Group would remain committed to collaborating with the stakeholders to uphold the core corporate values of “Foresight with Steady Progress, Advancement through Innovations” to enhance the quality and efficiency for the Group, which would lead it steadily towards its strategic goals.

It was noted that the Chairman of the Meeting had been appointed as a proxy by some Shareholders and would be voting in accordance with their instructions. Observers were not permitted to participate or vote at meetings and were therefore, not permitted to ask questions or propose any motion that came before the Meeting. The Chairman of the Meeting further directed the poll on each motion to be taken after all the motions had been formally proposed.

It was further noted that Shareholders were able to submit their votes for all resolutions during the proceedings of AGM.

B.A.C.S. Private Limited and Agile 8 Solutions Pte. Ltd. had been appointed as Polling Agent and Scrutineer respectively. A representative from the poll voting services provider, Big Bang Design Pte. Ltd., explained the poll voting procedures.

PRESENTATION OF FINANCIAL RESULTS

Before the Meeting proceeded further, Mr Kooi Wei Boon, the Group CFO, gave a presentation on the financial overview of the Group for FY2023. A copy of the Presentation is annexed to these minutes as **Appendix A**.

The Chairman of the Meeting then proceeded with the agenda of the Meeting.

QUESTIONS AND ANSWERS

As at the stipulated deadline for submission of questions ahead of the AGM set out in the Notice of AGM (i.e. 2.00 p.m. on 23 April 2024), the Company did not receive any questions from Shareholders.

The aggregate amount of Directors' fees provided in the resolution was calculated on the assumption that all the Directors would hold office for the whole of FY2024. ANNUAL REPORT 2023

YING LI INTERNATIONAL REAL ESTATE LIMITED
(the “**Company**”, together with its subsidiaries, the “**Group**”)
(Incorporated in Singapore)
(Company Registration No: 199106356W)

ANNUAL GENERAL MEETING HELD ON 30 APRIL 2024
- SUMMARY OF QUESTIONS AND ANSWERS

Question 1:
Shareholder

The Chairman’s Statement in the Annual Report of the Group for the financial year ended 31 December 2023 (“**FY2023**”) does not correspond with the financial performance of the Group for FY2023. The gross profits of the Group for FY2023 were on par with the past years. The net profit recorded for FY2023 is also not an indicator of real profitability achieved by the Group as there were several write-backs and fair value adjustments for FY2023.

Please provide Management’s comments on the financial performance of the Group for FY2023.

Answer 1:
Kooi Wei Boon
(Group CFO)

Based on the profit and loss of the Group, the revenue for FY2023 derived mainly from rental income. Based on the balance sheet of the Group, the main component of the Group’s assets is investment properties. Both are inter-related as rental income corresponds with the value of such properties and *vice versa*. One of the factors contributing to the fair value adjustments of the investment properties is the increase in rental income, which is considered as improvements in the financial performance of the Group.

Question 2:
Shareholder

There has not been any dividend declared by the Company since its listing on the SGX-ST in 2008.

Although China’s economy has grown rapidly since the past 16 years, there was no progress in the Group’s financials since its initial public offering.

As most of current members of the board of Directors (“**Board**”) have only come onboard within the past five years, it may be unfair to account the current Board for the poor performance of the past Management. However, Shareholders of the Company would expect that the Company can transform into a new paradigm of business.

Being also an Executive Director and the Vice President of China Everbright Limited (“**CEL**”), the major shareholder of the Company, who oversees financial of CEL, please advise whether Wang Yun is nominated by CEL to monitor the financial performance of the Company. CEL would have incurred a paper loss since its acquisition of the Company in April 2019.

Please also advise the five-year plan for the Group.

Answer 2:
Kooi Wei Boon
(Group CFO)

The Board noted the Shareholder’s comments. The Company will make the relevant announcement(s) should there be any material information with respect to its operations.

With reference to dividend declaration, the Group needs to preserve funds for operating expenses and loan repayments while reducing its borrowings. It would also take into consideration of cash flow projections for working capital and future growth plans to create

Answer 2 (continued):

Kooi Wei Boon
(Group CFO)

long-term shareholder value. Nevertheless, the Group would continue to monitor its cash flow situation and consider rewarding the Shareholders once higher profitability is achieved and leverage is lowered to a more comfortable level.

Question 3:

Shareholder

Please advise if the Company is placed on the watch-list of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”).

Answer 3:

Jack Chia
(Lead Independent Director)

The Company is not on the SGX watch-list. Otherwise, an announcement pursuant to Rule 1313(1) of the SGX-ST Listing Manual is required to be made by the Company.

Question 4:

Shareholder

With reference to the query raised by SGX-ST, although the Company had confirmed that the response to declaration items (a) to (k) of Appendix 7.4.1 of the SGX-ST Listing Manual concerning the Directors to be re-elected is a “no”, no further details were given.

If the answer to any question for declaration items (a) to (k) is “no”, the Company should provide the reason. While the SGX-ST may be satisfied with the response by the Company, more information could have been given to Shareholders for better clarity.

In addition, with reference to the question, “Any prior experience as a director of an issuer listed on the Exchange?” on page 216 of the Annual Report for FY2023, the SGX-ST requires details to be given whether the answer to the question is a “yes” or “no”. Please clarify as the Company stated “not applicable” to this question.

Answer 4:

Kooi Wei Boon
(Group CFO)

The responses were in accordance with the requirements of the SGX-ST Listing Manual. The Company would discuss with the company secretary and consider providing more details for clarity moving forward.

Answer 4:

Jack Chia
(Lead Independent Director)

The Company wishes to clarify that the SGX-ST requires the details to be provided only if the answer to any question for declaration items (a) to (k) concerning the Directors to be re-elected is a “yes”.

As announced, the responses to the declaration items (a) to (k) of Appendix 7.4.1 of the SGX-ST Listing Manual concerning the four Directors to be re-elected were “no”.

With respect to the question, “Any prior experience as a director of an issuer listed on the Exchange?” on page 216 of the Annual Report for FY2023, the disclosure is applicable to the appointment of Director only as it relates to the mandatory training for a first-time director. Disclosure on the training concerning the Directors to be re-elected had been disclosed in the respective announcement of appointment of each of these Directors when they were appointed. As such, it was disclosed as “not applicable” on page 216 of the Annual Report for FY2023.

Question 5:
Shareholder

Mr Jack Chia was only Director who still holds office since the Company's last physical AGM held in 2019 while the remaining directors and the Group CFO had been appointed recently.

The share price of the Company eroded from SGD0.14 per share to SGD0.02 between the last physical AGM and this AGM. It is necessary to have an entirely refreshed Board to get rid of old culture due to the Group's poor performance.

Answer 5:
Kooi Wei Boon
(Group CFO)

The movement of share prices is determined by various factors, of which many external factors are not within the Company's control.

Question 6:
Shareholder

The External Auditor had highlighted the assessment of the going concern basis in preparation of the financial statements in its Independent Auditor's Report for FY2023. Please advise whether the Group would be able to operate as a going concern when its debts fall due.

While the Group has financial support from its ultimate holding company, the interest costs of 6% and 6.5% respectively for the upcoming RMB and USD loans are significant. Please advise the reason for not issuing placement shares to CEL to raise funds, so that the Company does not have to pay interest costs for the borrowings.

The Group's headquarter is located in Chongqing, a trending city in China. While the Group does not have liquidity to buy more assets, it is not disposing any of its assets. Please advise the plan for the Group's assets as it requires profits to sustain on a long-term basis. Should the Company dispose its properties/assets, please advise if the disposal price would be on par with the valuation price as stated in the audited financial statements of the Group for FY2023.

Impairments of approximately RMB210 million were made for FY2023 and approximately RMB400 million were made for the financial year ended 31 December 2022. Please advise if such impairments are recoverable.

Answer 6:
Kooi Wei Boon
(Group CFO)

As a listed company in Hong Kong, CEL had exercised its independent decision on whether to provide funding to the Group as loans. The proposed loans are in the interests of the Group as the effective interest rates are lower than existing financing from other financial institutions.

Nonetheless, the Board and Management of the Group noted the shareholder's comments. The Company will make the relevant announcement(s) should there be any material updates.
