No. STGT.CS 011/2021

Date: 28 May 2021

Subject: Notification on the covid-19 situation in the Company's factories

To: President
The Stock Exchange of Thailand / The Singapore Exchange

Sri Trang Gloves (Thailand) Public Company Limited (the "**Company**") has been informed regarding the COVID-19 positive testing of daily-wage employees in this week. As of 28 May 2021, there were totally of 41 daily-wage employees who had tested positive for COVID-19, 3 employees working at the Surat Thani Factory and 38 employees working at the Trang Factory. The Company together with the Provincial Health Authorities decided to implement the strictest health measures, with closing the production line for sanitization from 28 - 30 May 2021 and testing of all at-risk employees. High-risk employees and their families will be assigned to quarantine housing. This is to ensure containment and compliance with the most stringent hygiene standards when production resumes. Moreover, the Company will consider the suitability of the situation in case that the Company is necessary to continue stop the operation. The Company has maintained its highest standard of COVID-19 control and will closely monitor the situation as warranted to protect the health and well-being of employees and the local communities.

The Trang Factory has a daily production capacity of 25 million pieces of latex powdered gloves and the Surat Thani Factory has a daily production capacity of 18 million pieces of nitrile gloves. The Company's total daily production capacity stands at 90 million pieces.

The Company has shifted some production to the Hat Yai Factory, Songkhla, which has the capacity to produce the same types of gloves as the Surat Thani and Trang Factories. The Company believes that the situation will be resolved in timely manner and does not anticipate a significant impact of the Company's operations as a result of this.

Please be informed accordingly.

Yours faithfully,

(Miss Thanawan Sa-ngiamsak)
Director and Chief Financial Officer
