MEMBERS' VOLUNTARY LIQUIDATION OF PT LEAPTRON ENGINEERING

The Board of Directors (the "**Board**") of ISDN Holdings Limited ("**ISDN**", the "**Company**", and together with its subsidiaries, the "**Group**") wishes to announce that its indirectly wholly-owned subsidiary, PT Leaptron Engineering, a company incorporated under the laws of Indonesia, has been placed under members' voluntary liquidation under the laws of Indonesia, and the voluntary liquidation has been completed on 16 July 2026 (the "**Liquidation**").

PT Leaptron Engineering was originally established in 2013 to support the potential expansion of ISDN's Leaptron specialist automation distribution business into the Indonesia market. ISDN chose not to pursue the Indonesia market, preferring stronger opportunities for Leaptron elsewhere. The entity has been inactive since. The voluntary liquidation of PT Leaptron Engineering removes the inactive entity from the Group.

For the purpose of the Liquidation, Maria Josepha Florencia Kelly S.H., M.Kn. was appointed as the liquidator.

The voluntary liquidation of PT Leaptron Engineering is not expected to have a material impact on the net tangible assets per share and the earnings per share of the Company for the current financial year ending 31 December 2026.

None of the Directors and the substantial shareholders of the Company have any interest, direct or indirect, in the Liquidation, other than through their respective shareholdings (if any) in the Company.

By Order of the Board
ISDN Holdings Limited

Teo Cher Koon
Managing Director and President
