Company Registration No.: 196200046K

TEMPORARY CHANGE IN DOMAIN NAME

The Board of Directors (the “**Board**”) of Chemical Industries (Far East) Limited (the “**Company**”) wishes to inform shareholders that the use by the Company of the domain name “cil.sg” has been disrupted.

A former employee of the Company, Mr Benjamin Lin, had assisted in the setting up and registration of the domain name “cil.sg” for and on behalf of the Company in 2013. Subsequent to the cessation of his employment as the general manager of the Company, Mr Benjamin Lin has on 8 January 2022 taken steps to disrupt the Company’s access to and use of the domain name “cil.sg”.

Accordingly, the Company has as an interim measure adopted “cil.com.sg” as its domain name. Steps have been taken to promptly inform the Company’s customers, suppliers and external parties who deal with the company of this change and that the previous domain name “cil.sg” is currently not in use by the Company. These external parties have also been informed that, until further notice, any emails sent to email addresses ending with “@cil.sg” will not reach their intended recipients and that emails should instead be sent to corresponding email addresses ending with “@cil.com.sg”.

The Company is taking legal action to exercise its rights in relation to the “cil.sg” domain name and to regain access to and use of the domain name and, to this end, has today commenced proceedings under the Singapore Domain Name Resolution Policy. The Company will, in compliance with applicable laws and regulations (including Rule 703 of the Listing Manual of the SGX-ST), make further announcements as appropriate.

By Order of the Board

Foo Soon Soo
Company Secretary
