SINGAPORE ♦ 23 March 2015

For immediate release

PEC Ltd. (PEC, and together with its subsidiaries, associated companies and joint venture companies, the Group) announced that it has won its third consecutive gold at the 2014 Singapore HEALTH Award, after its first and second gold award in 2010 and 2012 respectively.

Presented by the Singapore Health Promotion Board, the biennial Singapore HEALTH (Helping Employees Achieve Life-Time Health) Award honours organisations with excellent Workplace Health Promotion (WHP) programmes that aim to help their employees lead healthy and vibrant lives.

Mr Robert Dompeling, PEC's Group Chief Executive Officer, said: "This latest win is recognition of PEC's continuing commitment to bring relevant work health programmes to our staff. At PEC, we do not only aim to raise awareness of health issues but also encourage our employees to improve their physical fitness through organised sporting activity as well as develop healthier lifestyle habits through intervention programmes."

The Group has a dedicated WHP committee that develops programme to meet its goals and objectives. Health programmes including health screening, flu vaccination and quit smoking campaigns, together with regular health talks. To keep the programme fun and engaging, PEC's employees can take part in outdoor activities such as rock climbing, dragon boat, archery and kayaking.

"Since the implementation of our work health strategies, we have seen the benefits of a good work-life balance on our employees, and how this has helped them to handle stress better and perform on their jobs. We remain committed to building a fit and healthy

workforce. We will continue to seek ways to enhance our programmes, as we believe a healthy employee will be a happy and productive one."

ABOUT THE COMPANY

www.peceng.com ♦ SGX mainboard listing: August 2009

Established in 1982, PEC Ltd. ('PEC' or the 'Group') has rapidly expanded its capabilities and geographic reach to Asia and the Middle East. Today, it provides integrated project and maintenance solutions to the oil & gas, petrochemical, terminal and pharmaceutical industries.

PEC's core segments are project works and maintenance services. Project works account for a large share of the Group's revenue while plant maintenance services offer a steady recurring income stream.

With its established processes and methodologies, PEC aims to distinguish itself as an engineering specialist of choice for its global customers. One of its key strengths is its strong working relationship with clients and partners built over the years.

PEC has one of the best safety records in the industry. Backed by an experienced, knowledgeable and loyal workforce as well as a large fleet of engineering equipment, the Group has the flexibility to cross-deploy its resources as well as compete effectively for projects.
