About KrisEnergy:

KrisEnergy Ltd. is an independent upstream company focused on the exploration for, and the development and production of oil and gas in Southeast Asia. Our strategy is to acquire assets in countries and basins where our technical team has expertise derived from decades of experience. Since 2009, we have built a portfolio of 18 contract areas in Bangladesh, Cambodia, Indonesia, Thailand and Vietnam, spanning the entire exploration-to-production life cycle. We operate 11 of the contract areas. In the first quarter 2014, our working interest production was approximately 8,000 barrels of oil equivalent per day. Once the transaction for Block A Aceh receives government approval, our portfolio will comprise 19 contract areas, which provides a solid foundation from which we intend to continue to grow our business in Southeast Asia.

KrisEnergy's shares are listed on the mainboard of the Singapore Exchange Securities Trading Ltd under the ticker SK3. For further information, visit www.krisenergy.com.
