

YUUZOO NETWORKS GROUP CORPORATION
(Incorporated in BVI)

ANNOUNCEMENT RELATING TO Q2 FINANCIAL ANNOUNCEMENT

The Board of Directors of YuuZoo Networks Group Corporation ("YuuZoo" or "the Company") (SGX:AFG) on July 10, 2019 announced that, after the delay of the Q1/2019 results, it would be able to announce the Q2/2019 results by the required deadline. The announcement stated that this was subject to the trading suspension being lifted and the former staff performing a full handover of all documents relating to the finances of the Company.

Unfortunately neither one has come to pass. The trading suspension has not been lifted and the former staff has not performed a full handover of all documents relating to the finances of the Company. In addition, the Company has now been denied access to the location where the financial documents are being held. All of this continues to make it impossible for the Company to publish the Q1 and Q2 results.

The Company wishes to announce that it now will take legal action to obtain the documents that are needed to finish the Q1 and Q2/2019 results. As soon as the Company has possession of the documents it will make a new announcement and inform the public of the date on which the Q1 and Q2/2019 results will be published.

August 16th 2019

For and on behalf of the Board of
YuuZoo Networks Group Corporation
