The Company will make periodic announcements on the utilisation of the Net Proceeds as and when such Net Proceeds are materially disbursed, and whether the use of Net Proceeds is in accordance with the stated use and in accordance with the percentage allocated. The Company will also provide a status report on the utilisation of such Net Proceeds in the Company's interim and full-year financial statements and annual report(s).

Where the Net Proceeds have been used for working capital purposes, the Company will disclose a breakdown with specific details on the use of the Net Proceeds in such announcement(s) and annual report(s). Where there is any material deviation from the stated use of Net Proceeds, the Company will announce the reasons for such deviation.

Pending the deployment of such proceeds for the uses identified above, such proceeds may be placed as deposits with financial institutions or invested in short-term money market or debt instruments or for any other purpose on a short-term basis as the Directors may deem fit.
