To: The Shareholders of **QAF Limited**

Dear Shareholders

1. INTRODUCTION

The purpose of this Appendix is to provide Shareholders with information relating to the proposed renewal of the IPT Mandate, which is referred to in Ordinary Resolution 10 set out in the notice convening the 2025 AGM to be held on 25 April 2025.

The SGX-ST assumes no responsibility for the correctness of any of the statements made, reports contained or opinions expressed in this Appendix.

2. THE PROPOSED RENEWAL OF THE IPT MANDATE

2.1 Existing IPT Mandate

At the 2024 AGM, the Shareholders had approved the renewal of the IPT Mandate to authorise the entry by the Company and its entities at risk (as defined in Rule 904(2) of the Listing Manual) into any of the transactions falling within certain types of interested person transactions as set out in the IPT Mandate. Particulars of the IPT Mandate were set out in the appendix circulated to Shareholders together with the annual report of the Company for FY2023.

The IPT Mandate was expressed to take effect until the conclusion of the then next annual general meeting of the Company, namely, the 2025 AGM which is scheduled to be held on 25 April 2025. Accordingly, Shareholders' approval is being sought for the renewal of the IPT Mandate at the 2025 AGM.

2.2 Chapter 9 of the Listing Manual

Chapter 9 of the Listing Manual governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be entities at risk, with the listed company's interested persons. The purpose is to guard against the risk that interested persons could influence the listed company, its subsidiaries or associated companies to enter into transactions with interested persons that may adversely affect the interests of the listed company or its shareholders.

Under Chapter 9 of the Listing Manual, where a listed company or any of its subsidiaries or any of its associated companies which are controlled by the listed group and its interested person(s) (other than a subsidiary or associated company that is listed on the SGX-ST or an approved exchange) proposes to enter into transactions with the listed company's interested persons, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders' approval if the value of the transaction is equal to or exceeds certain financial thresholds. In particular:

- (a) where the value of such transaction is equal to or exceeds 3% of the latest audited consolidated NTA of the listed company and its subsidiaries and is less than 5% of the latest audited consolidated NTA of the listed company and its subsidiaries, an immediate announcement is required;
- (b) where the value of such transaction is equal to or exceeds 5% of the latest audited consolidated NTA of the listed company and its subsidiaries, an immediate announcement and shareholders' approval is required;
- (c) if the aggregate value of all transactions entered into with the same interested person during the same financial year amounts to 3% or more of the latest audited consolidated NTA of the listed company and its subsidiaries, the listed company must make an immediate announcement of the latest transaction and all future transactions entered into with that same interested person during that financial year; and
- (d) if the aggregate value of all transactions entered into with the same interested person during the same financial year amounts to 5% or more of the latest audited consolidated NTA of the listed company and its subsidiaries, an immediate announcement must be made and shareholders' approval must be obtained in respect of the latest and all future transactions entered into with that interested person during that financial year.

In the event the latest audited consolidated NTA of the listed company and its subsidiaries is negative, the listed company is required to consult the SGX-ST on the appropriate benchmark to calculate the relevant thresholds, which may be based on its market capitalisation.

Based on the provisions of the Listing Manual, the rules as to making announcements and seeking shareholders' approval referred to above do not apply to transactions below S\$100,000. However, while transactions below S\$100,000 are not normally aggregated under the relevant provisions of the Listing Manual, the SGX-ST may aggregate any such transaction entered into during the same financial year and treat them as if they were one transaction.

For Shareholders' information, the audited consolidated NTA of the Group as at 31 December 2024 amounted to approximately S\$499.57 million. 3% and 5% of such audited consolidated NTA of the Group amounts to approximately S\$14.99 million and S\$24.98 million, respectively.

Chapter 9 of the Listing Manual permits a listed company, however, to seek a general mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials (but not in respect of the purchase or sale of assets, undertakings or businesses) that may be carried out with the listed company's interested persons. Transactions conducted under a general mandate are not subject to the rules on making announcements and seeking shareholders' approval referred to above.

Under the Listing Manual:

- (i) an "entity at risk" means:
 - (a) the listed company;
 - (b) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or
 - (c) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed group, or the listed group and its interested person(s), has control over the associated company;
- (ii) an "interested person" means a director, chief executive officer or controlling shareholder of the listed company or an associate of any such director, chief executive officer or controlling shareholder. The SGX-ST may deem any person or entity to be an interested person if the person or entity has entered into, or proposes to enter into,
 - (a) a transaction with an entity at risk, and
 - (b) an agreement or arrangement with an interested person in connection with that transaction;
- (iii) an "associate":
 - (1) in relation to any director, chief executive officer, substantial shareholder or controlling shareholder (being an individual) means:
 - (aa) his immediate family (that is, the person's spouse, child, adopted-child, step-child, sibling and parent);
 - (bb) the trustees of any trust of which he or his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object; and
 - (cc) any company in which he and his immediate family together (directly or indirectly) have an interest of 30% or more; and
 - (2) in relation to a substantial shareholder or a controlling shareholder (being a company) means any other company which is its subsidiary or holding company or is a subsidiary of such holding company or one in the equity of which it and/or such other company or companies taken together (directly or indirectly) have an interest of 30% or more;
- (iv) an "approved exchange" means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9 of the Listing Manual;
- (v) an "interested person transaction" means a transaction between an entity at risk and an interested person; and

(vi) a “transaction” includes:

- (1) the provision or receipt of financial assistance;
- (2) the acquisition, disposal or leasing of assets;
- (3) the provision or receipt of goods or services;
- (4) the issuance or subscription of securities;
- (5) the granting of or being granted options; and
- (6) the establishment of joint ventures or joint investments,

whether or not in the ordinary course of business, and whether or not entered into directly or indirectly (for example, through one or more interposed entities).

2.3 Background

The Group is principally engaged in the businesses of bakery and distribution and warehousing. For its bakery business, the Group, including its joint venture(s), manufactures and distributes bread and bakery products in Singapore, Malaysia, the Philippines and Australia. For its distribution and warehousing business, the Group undertakes wholesale distribution of a range of third-party and proprietary-branded processed food and beverage products, and provides logistics operations including distribution and warehousing.

As at the Latest Practicable Date, Mr Lam Sing Chung, Chairman of the Board, has a shareholding interest of approximately 31.03% in the Company and is a Controlling Shareholder of the Company. Mr Lin Kejian, Joint Group Managing Director of the Company, is the son of Mr Lam Sing Chung and is also a Controlling Shareholder of the Company with a shareholding interest of approximately 39.12% in the Company as at the Latest Practicable Date.

The Group may from time to time enter into transactions with Mr Lam Sing Chung, Mr Lin Kejian and/or their respective associates (“**Interested Persons**”) in the ordinary course of business. Such transactions include the purchase of products and raw materials from, as well as the sale of products to, certain parties which are Interested Persons.

The transactions entered into in FY2024 with Interested Persons pursuant to the IPT Mandate are set out on page 115 of the Annual Report in the section entitled “FY2024 Interested Person Transactions”. Please refer to the aforesaid section for more information. For example, the Group purchased raw materials such as flour from the Salim Group¹. The Salim Group is an Interested Person as Mr Anthoni Salim is the brother of Mr Lam Sing Chung. The aggregate value of the flour purchased amounted to approximately S\$13.66 million, being less than 3% (that is, approximately 2.81%) of the then latest audited

¹ Based on public information, the Salim Group is an Indonesian conglomerate with interests in various businesses, including interests in First Pacific Company Limited (“**First Pacific**”), an investment management and holding company with principal business interests relating to telecommunications, consumer food products, infrastructure and natural resources, which is listed on the Hong Kong Stock Exchange; PT Indofood Sukses Makmur Tbk (“**PT ISM**”), which is in food manufacturing including production and processing of raw materials and listed on the Indonesia Stock Exchange; Indofood Agri Resources Ltd. (“**IndoAgri**”), a diversified and vertically integrated agribusiness group which is listed on the SGX-ST; and Gallant Venture Ltd., an Indonesia-focused group with core businesses in property development, industrial parks, utilities and resort operations which is listed on the SGX-ST. PT ISM and IndoAgri are subsidiaries of First Pacific.

consolidated NTA of the Group. In addition, the Group sold cheese in bulk to, and purchased processed cheese from, Austral Dairy Group Sdn Bhd (“**Austral**”). Austral is an Interested Person as it is an entity in which Mr Lam Sing Chung, Ms Rachel Liem Yuan Fang and her immediate family member have an interest. The aggregate value of the cheese sold and purchased amounted to approximately S\$3 million and S\$2.73 million respectively, each being less than 3% (that is approximately 0.62% and 0.56%, respectively) of the then latest audited consolidated NTA of the Group. In addition to processed cheese, the Group purchased other finished products such as vegetables, milk and electricity from the Interested Persons. The aggregate value of finished products purchased amounted to approximately S\$5.97 million, being less than 3% (that is approximately 1.23%) of the then latest audited consolidated NTA of the Group.

2.4 Rationale for and Benefits of the Renewal of the IPT Mandate

The Group envisages that the Interested Person Transactions will occur with some degree of frequency and could arise at any time and from time to time. Such transactions are recurring transactions and are part of the day-to-day operations of the Group.

The renewal of the IPT Mandate, if approved by the Shareholders, will enable the Group, in the ordinary course of business, to undertake such transactions in a more expeditious manner. It will also enhance the Group’s ability to pursue business opportunities which may be time-sensitive and frequent in nature and will allow the Group to conduct its business efficiently by eliminating the need to convene separate general meetings from time to time to seek Shareholders’ approval as and when potential Interested Person Transactions arise. The IPT Mandate will reduce the expenses involved with the convening of general meetings on an *ad hoc* basis and allow manpower resources and time to be channeled towards attaining other corporate objectives.

2.5 Classes of Interested Persons

The IPT Mandate will apply to the Interested Persons in relation to the types of transactions set out in Section 2.6 below. The associates of the Interested Persons who will have dealings under the IPT Mandate include the Salim Group, which is controlled by Mr Anthoni Salim, who is Mr Lam Sing Chung’s brother.

2.6 Types of Transactions under the IPT Mandate

The types of transactions contemplated under the IPT Mandate are as follows:

- (a) the purchase of products and raw materials; and
- (b) the sale of products.

The types of products and/or raw materials covered under the IPT Mandate will be those which are transacted by the Group in its ordinary course of business with the Interested Persons in connection with the latter’s ordinary course of business. Such transactions include for example, the purchase of flour and may also include wheat-related raw materials, such as wheat bran and wheat germ, from the Salim Group, and finished products such as vegetables and electricity² from the Salim Group and processed cheese from Austral.

2 As announced by the Company on 23 December 2024, electricity falls within the definition of ‘products’ under the IPT Mandate and the Company had in such announcement provided information on past electricity purchases by its Gardenia Singapore subsidiary from the Salim Group. For electricity purchases from the Salim Group for FY2024, please refer to page 115 of the Annual Report in the section entitled “FY2024 Interested Person Transactions”.

2.7 Review Procedures under the IPT Mandate

The Group maintains a register of Interested Person Transactions and the following review procedures are implemented by the Company:

2.7.1 Review Procedures

- (a) When purchasing products and/or raw materials from an Interested Person, quotations from at least two (2) other unrelated third party vendors for similar quantities and/or quality will be obtained (whenever possible or available) for comparison to ascertain whether the price and terms offered by the Interested Person are fair and reasonable and competitive compared to those offered by such other unrelated third party vendors. In determining whether the price and terms offered by the Interested Person are fair and reasonable, pertinent factors, including but not limited to quality, track record, specification compliance, delivery time, experience and expertise, and where applicable, terms offered to third parties, preferential rates, discounts or rebates accorded for bulk purchases, may also be taken into consideration.

In the event that such competitive quotations cannot be obtained (for instance, if there are no unrelated third party vendors providing or selling a similar type of product or raw material or if the unrelated third party vendor(s) is not able to meet the Group's specifications or in cases of urgency), an Executive Director (other than an Interested Person) or the Audit & Risk Committee (as the case may be depending on the approval threshold as set out in Section 2.7.2 below) will determine whether the price and terms offered by the Interested Person are fair and reasonable. In determining the transaction price payable to the Interested Person for such products and/or raw materials, pertinent factors, including but not limited to quality, track record, specification compliance, delivery time, experience and expertise, reliability and/or efficiency of the seller, strategic considerations, and where applicable, terms offered to third parties, preferential rates, discounts or rebates accorded for bulk purchases, may also be taken into consideration.

- (b) When selling products to an Interested Person, the pricing or fees for the products are to be carried out at the prevailing market rates or prices of the products, on terms no more favourable to the Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates, discounts and/or rebates accorded to corporate customers or for bulk purchases) or otherwise in accordance with applicable industry norms.

In the event that prevailing market rates or prices are not available (for instance due to the nature of the product to be sold or if there are no other customers for similar products or if the unrelated third party customer(s) is not able to meet the Group's specifications or in cases of urgency), the transaction prices will, where applicable, (i) be in accordance with the Group's usual business practices and pricing policies, consistent with the usual margin of the Group for the same or substantially similar type(s) of transaction with unrelated third parties, or (ii) in certain cases (for example, waste disposal or technical expertise) be determined by reference to factors including but not limited to track record, specification compliance, quantity, volume, duration of contract, strategic considerations, reliability and/or efficiency of the purchaser, extent of cost recovery, industry norms and where applicable, preferential rates, discounts or rebates accorded for bulk purchases, may also be taken into consideration.

2.7.3 Interested Audit & Risk Committee Member to Abstain

In the event that a member of the Audit & Risk Committee (where applicable) is interested (directly or indirectly) in any Interested Person Transaction, he or she will abstain from reviewing that particular transaction. Approval of that transaction will accordingly be undertaken by the remaining members of the Audit & Risk Committee.

2.7.4 Periodic Review by Audit & Risk Committee

The Audit & Risk Committee will review all Interested Person Transactions (including transactions with Interested Persons the values of which are below S\$100,000) on a quarterly basis to ascertain whether the established review procedures for the Interested Person Transactions have been complied with and the relevant approvals have been obtained.

The Audit & Risk Committee will also review the established review procedures of the Interested Person Transactions and determine if such review procedures continue to be adequate in ensuring that the Interested Person Transactions are conducted on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders. If the Audit & Risk Committee is of the view that the review procedures have become inappropriate or insufficient to meet such objectives, the Company will seek a fresh mandate from its Shareholders based on new review procedures for the Interested Person Transactions.

2.8 Excluded Transactions

The IPT Mandate will not cover any transaction with an Interested Person that is below S\$100,000 in value, as the provisions of Chapter 9 of the Listing Manual provide that any such transaction is to be disregarded although the SGX-ST may aggregate any such transaction entered into during the same financial year and treat them as if they were one transaction.

Transactions between the Group and the Interested Persons which do not fall within the ambit of the IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual, or other applicable provisions of the Listing Manual, if any.

2.9 Validity Period of the Renewed IPT Mandate

If approved by Shareholders at the 2025 AGM, the renewed IPT Mandate will take effect from the passing of the ordinary resolution relating thereto at the 2025 AGM (Ordinary Resolution 10 in the Notice of Annual General Meeting), and will (unless revoked or varied by the Company in general meeting) continue in force until the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required by law to be held, whichever is earlier.

Approval from Shareholders will be sought for the renewal of the IPT Mandate at the 2025 AGM and at each subsequent annual general meeting of the Company, subject to satisfactory review by the Audit & Risk Committee of its continued application to transactions with the Interested Persons.

2.10 Disclosure

Disclosure will be made in the Company's Annual Report of the aggregate value of the transactions conducted with Interested Persons pursuant to the IPT Mandate during the relevant financial year, and in the annual reports for the subsequent financial years that the IPT Mandate continues in force, in accordance with the requirements and form set out in Chapter 9 of the Listing Manual.

2.11 Directors' and Substantial Shareholders' Interests

As at the Latest Practicable Date, the direct and deemed interests of the Directors and Substantial Shareholders in the Shares of the Company, based on information recorded in the register of Director's shareholdings and the register of Substantial Shareholders maintained by the Company and/or information received by the Company from the Director(s), are as follows:

2.12 Statement by the Audit & Risk Committee

The Audit & Risk Committee of the Company having considered, *inter alia*, the terms of the IPT Mandate, confirms that the review procedures for determining the transaction prices of the Interested Person Transactions as set out in Section 2.7 of this Appendix have not changed since the last shareholder approval for the IPT Mandate at the 2024 AGM. The Audit & Risk Committee is also of the view that such review procedures for determining the transaction prices of the Interested Person Transactions, when taken as a whole and if applied consistently, are sufficient to ensure that the Interested Person Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders. However, should the Audit & Risk Committee subsequently no longer be of this opinion, the Company will revert to the Shareholders for a fresh mandate based on new review procedures for transactions with the Interested Persons.

3. DIRECTORS' RECOMMENDATION

The Directors of the Company (save for the Directors referred to below), having considered, amongst other things, the rationale for and benefits of the renewal of the IPT Mandate, the review procedures and the role of the Audit & Risk Committee, are of the opinion that the proposed renewal of the IPT Mandate is in the interests of the Company. Accordingly, the Directors (save for the Directors referred to below) recommend that Shareholders **vote in favour** of the ordinary resolution in respect of the proposed renewal of the IPT Mandate at the 2025 AGM.

Mr Lam Sing Chung and Mr Lin Kejian (being the Interested Persons) abstain from making any recommendation.

As different Shareholders might have different investment objectives, Shareholders should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers if they require specific advice in relation to the proposed renewal of the IPT Mandate.

4. ABSTENTION FROM VOTING

Rule 919 of the Listing Manual requires that interested persons must not vote on a shareholders' resolution approving any mandate in respect of any interested person transactions. Mr Lam Sing Chung and Mr Lin Kejian (being Interested Persons) will abstain, and shall procure that their respective associates abstain, from voting on the ordinary resolution relating to the proposed renewal of the IPT Mandate to be tabled at the 2025 AGM (Ordinary Resolution 10 in the Notice of Annual General Meeting), and the Company will disregard any votes cast by Mr Lam Sing Chung and Mr Lin Kejian (and their respective associates) in respect of their holdings of Shares on Ordinary Resolution 10.

5. DIRECTORS' RESPONSIBILITY STATEMENT

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this Appendix and confirm after making all reasonable enquiries that, to the best of their knowledge and belief, this Appendix constitutes full and true disclosure of all material facts about the proposed renewal of the IPT Mandate and the Group in relation to the proposed renewal of the IPT Mandate and the Directors are not aware of any facts the omission of which would make any statement in this Appendix misleading. Where information in this Appendix has been extracted from published or otherwise publicly available sources or obtained from a named source, the sole responsibility of the Directors has been to ensure that such information has been accurately and correctly extracted from those sources and/or reproduced in this Appendix in its proper form and context.

6. DOCUMENTS AVAILABLE FOR INSPECTION
