MSC Earns Recognition for “Highest Growth in Profit After Tax Over Three Years” Award at The Edge Malaysia Centurion Club 2023

Kuala Lumpur, 5 September 2023 – Tin miner and metal producer, Malaysia Smelting Corporation Berhad (“MSC” or “the Group”) is delighted to be one of the joint winners for the Category of the “Highest Growth in Profit After Tax Over Three Years” under the Industrial Products and Services sector at The Edge Malaysia Centurion Club Corporate Awards 2023.

The “Highest Growth in Profit After Tax Over Three Years” award acknowledges and celebrates organisations that have not only been profitable but have also demonstrated a consistent pattern of profit growth over a three-year evaluation period, which is between 2020 to 2022.

Group Chief Executive Officer of MSC, Dato' Dr. Patrick Yong said “We are truly honoured to receive this recognition. The Highest Growth in Profit After Tax Over Three Years award reflects our dedication and commitment to continuous growth. We could not have done this without the support of our incredible team and the trust of our stakeholders. This win will be a motivating force for our team as we continue on this positive trajectory in growing our financial performance.”

The aim of The Edge Malaysian Centurion Club Corporate Awards is to recognise and honour outstanding mid-sized companies that rival large conglomerates in terms of performance and achievements. As of March 31 2023, there were 485 Centurion Club members, with an estimated collective market capitalisation of RM158.9 billion. To join The Edge Centurion Club, a company needs to have a market value between RM100 million and RM1

billion. In addition, to qualify, companies must be listed on Bursa Malaysia by the end of March, should not be suspended or on Bursa's watch list, and must not have been delisted before the award date.
