SGX Securities welcomes AvePoint to Mainboard

SGX Securities today welcomed the secondary listing of AvePoint to Mainboard under the stock code “AVP”. AvePoint is primary listed on the Nasdaq Stock Market (NASDAQ: AVPT).

AvePoint is the global leader in data security, governance and resilience, and the first Business-to-Business (B2B) Software-as-a-Service (SaaS) stock to be listed on SGX. The company empowers over 25,000 customers of all sizes, industries and regions with its cloud-native data management software platform, enabling them to prepare, secure and optimise their critical data. Founded in 2001 and headquartered in New Jersey, USA, AvePoint is a global SaaS company with representation in 100 countries. AvePoint established its presence in Singapore in 2009, and Singapore now serves as the Asia Headquarters and International R&D Hub.

Dr. Tianyi Jiang (TJ), CEO and Co-Founder, AvePoint, said, “We are honoured to celebrate our listing on the Singapore Exchange, a defining milestone in our company’s journey and a strong affirmation of our global aspirations. Anchoring our company in Singapore connects us to a trusted ecosystem of innovation and positions us at the heart of Asia’s digital growth. We are excited to deepen our impact in alongside Singapore’s vibrant and forward-looking partners and customers, as we navigate emerging technology shifts and opportunities.”

Pol de Win, Head of Global Sales and Origination, SGX Group, said, “We are delighted to welcome AvePoint, the first B2B SaaS company to list on SGX. This listing reflects the attractiveness of SGX as a strategic international capital market platform for high-growth global technology companies seeking to broaden their investor base as well as to elevate their regional brand presence in Asia. We look forward to supporting AvePoint as they expand their footprint and growth in this region.”

AvePoint opened at S\$20.20 today.
