CORRIGENDUM TO 2022 ANNUAL REPORT

ComfortDelGro Corporation Limited (the “**Company**”) refers to its announcement dated 30 March 2023 relating to the Company’s 2022 Annual Report.

Pursuant to the aforesaid notification, information relating to Chairman’s Statement on Page 15 of the 2022 Annual Report should be read as shown herein with the changes marked-up in bold below:

“At the point of Merger, there was a net debt of **S\$238** million, **34,948** vehicles and **16,951** staff (without counting taxi drivers who are not regarded as staff members). At the end of last year, 2022, there was a net cash position of S\$653 million, 30,500 vehicles and 22,972 staff. The reduction in the number of vehicles was due entirely to the Singapore Authorities taking over ownership of the buses despite acquisitions by the Group. There was, however, **a net** increase of some S\$1 billion in cash and the added responsibility of looking after an additional **5,844** staff.”

Save for the above changes, all other information in the 2022 Annual Report remain unchanged. The said changes are not material.
