**as the Manager of iShares Southeast Asia Trust**

Singapore, 13 June 2024

**DISCLAIMERS:**

In Singapore, this is provided by BlackRock (Singapore) Limited (UEN: 200010143N). **Investment involves risk, including possible loss of principal.** Before making an investment decision, investors should read the relevant Fund's prospectus carefully including the investment objective and risk factors relating to the Fund. The prospectuses are available on our website [www.blackrock.com/sg](http://www.blackrock.com/sg). The value of the units in the Funds and the income accruing to the units may fall or rise. Investors should note that the Funds differ from a typical unit trust as (i) units of the Funds are bought and sold at market price (not NAV); and (ii) units are not individually redeemed from the Funds and may only be redeemed by participating dealers in large redemption unit sizes. The listing of units of the Funds on an exchange does not guarantee a liquid market for the units. Transactions in units of the Funds will result in brokerage commission which will reduce returns.

**The units are listed on the Official List of the SGX-ST; accordingly, information contained in this document relates to the trading of the units on SGX-ST.**
